Some fine logs are now being hauled from here to the bay. Yonkum's and Thomas' camps are busy places and are furnishing logs equal to any ever sawed on the bay.

Prof. Louis Barzee, principal of the normal school at Drain, is on our beach at Bandon snuffing the ozone and receiving vocal instruction from what the "wild waves" are saying.

Our Riverton coal seems to be knocking the bottom out of the market for Wellington coal at San Francisco. The reasons are, our coal is equally as good and only about one-third the distance.

"I was prostrated with a severe bilious complaint," writes Ernest Southworth, of Bath, Me. "After vainly trying a number of remedies, I was finally induced to take Ayer's Pills. I had scarcely taken two boxes when I was completely cured."

Parties owning property in the country desiring to rent the same next year, should register with the Herald Land Co. We have already several applicants for properties from persons at a distance.

Johnson Bro's hereby give notice that all old bills absolutely must be paid now or costs added. Please don't compel us to commence legal proceedings. This we must do unless bills are settled at once.

BIG BARGAIN.—I offer my home place, one block, or 12 lots of land, in Coquille City, with a good house of 7 rooms, small barn, woodshed, 80 fruit trees, bearing lots of berries; other out-buildings and good fence; good water for all purposes. Inquire at place or address all purposes. W. WAY, July 17th Coquille City, Oregon.

Judge Schroeder was in this place last Friday and held an inquiring in the case of Miss Mary Walsh, who was committed to the insane asylum at Salem. Miss W. has been residing in this place for some months, but instead of improving had gradually grown worse, until this legal action had become a necessity.

Rev. Mr. Marcellus and family of Roseburg are campers on our beach at Bandon. They say the roads are very good and the journey now a very pleasant one, have come over with wagon and camping outfit. They report that there will be many visitors from Roseburg, Oakland, Yoncolla, Drain and towns below toward Ashland.

The current expenses of the Soldiers' home at Roseburg for June, as shown by bills audited by the Soldiers' home board, amounted to \$722.90. In addition to this, traveling expenses incurred by members of the board in attending the meeting of the board were nearly \$180, making the amount of draft on the home fund about \$900.

"My mother, my wife and myself use Chamberlain's Cough Remedy whenever troubled with a cough or cold. It is the medicine of our home. I do not know how we could do without it. We feel that it is an indispensable article. The people in this vicinity too are beginning to learn of the merits of this excellent medicine. I never lose an opportunity to testify to its value for it has saved many a doctor's bill in my family. W. S. Musser, proprietor of the Musser House, Millheim, Pa." This remedy is famous for its cures of bad colds. Try it and you too will recommend it to your friends. For sale by Dr. S. L. Leneve.

THE G. A. R. AND PIONEERS.

August 12, 14 and 15 Set for the Encampment and Reunions.

At a meeting held last Thursday evening at Mercantile hall, Hon. W. H. Nosler presiding, the committee appointed at a former meeting to canvass for subscriptions reported progress and was given further time. The committee had succeeded fairly well, but had not yet completed the round.

After a discussion of the date for both reunions, a date was set, but at a meeting of the several committees on Friday night it was revised and the time fixed for August 13th, 14th and 15th—Thursday, Friday and Saturday.

Judge Schroeder and G. A. Brown were present of the pioneers.

The United Brethren

Will hold a campmeeting at the King creek camp grounds, beginning Aug. 6th. These grounds are on the Middle Fork road, 9 miles from Myrtle Point. The facilities for camping are good, and all are cordially invited to come and attend the meeting, which will probably last about 10 days. Ministers and Christian workers of all denominations are especially invited to come, and with us make one united effort to save the lost and bring souls to Christ.

LUCY M. BREITENBUCHER, Pastor.

The undersigned wishes to sell reasonable, and on easy terms, an improved 150-acre dairy, hay and fruit farm; well watered and wooded. Perfect clover and other grass growth for hay or pasture. Besides the presence of Profs. Reid and Campbell at our county teachers' institute on the 25th of August, State Superintendent Irvin will also be at hand. Every teacher and every aspirant to teach in this county should be in attendance. A large number will be present from Curry county, doubtless.

Whether Pasture and Koch's peculiar modes of treatment will ultimately prevail or not, their theory of blood-contamination is the correct one, though not original. It was on this theory that Dr. J. C. Ayer, of Lowell, Mass., nearly fifty years ago, formulated Ayer's Sarsaparilla.

Mr. and Mrs. G. L. Wheeler, father and mother of our townsman O. A. Wheeler, last week went down to their son's, S. S. Wheeler, who manages the Lampey Creek Dairy Company plant.

Thanks to Uncle George Bennett of Bandon for kindness in sending us a copy of "Tid-Bits," a popular London magazine.

Judge Schroeder and Commissioner Weekly made a visit to the county farm last Friday.

County court adjourned last Friday.

Daily Health Laws.

Don't eat so rapidly. Sit on a chair and be quiet after eating. Your stomach is not a coal bin.

When you feel uncomfortable after eating you have eaten too much, and you need Joy's Vegetable Sarsaparilla.

If you suffer from rheumatism watch the sheets. Don't get between them; if damp dry them.

Cure your rheumatism with Joy's Vegetable Sarsaparilla. Keep flies out of your house; they are germ carriers.

Wear flannel undergarments. Keep your feet warm; your head cool.

When your blood is thin you feel cold in the least change. When your blood is thin take Joy's Vegetable Sarsaparilla; it will make your blood red, rich and thick.

Yes it will do to take Joy's Vegetable Sarsaparilla now. When you get off your bicycle after a long warm run, put on a coat.

If you are going on a trip take Joy's Vegetable Sarsaparilla. Strange food makes strange stomachs. Joy's Vegetable Sarsaparilla reaches the stomach, cleanses the stomach, and renews the stomach.

WILL STAY WITH US

A Rush of Business Causes Dr. Darrin to Postpone Leaving Until August 8th.

Dr. Darrin, the eminent physician and specialist, at the request of my many friends and the great interest shown by the suffering and afflicted, has consented to stay with us until August 8th. The truly wonderful cures he has accomplished are being testified to by a host of afflicted sufferers who can be seen and consulted on the miraculous cures on their behalf. It is safe to say that no specialist has attained the prominence of Dr. Darrin in this county, and he cannot help but meet with grand success.

Those who are disposed to doubt Dr. Darrin's cures, will have their doubts shaken on reading the following card from Mr. Clark E. Gardner of this city. Mr. Gardner is a man well and favorably known to all our readers. His case will go far to establish the skill of Dr. Darrin, now stopping at the Blanco House, Marshfield:

Mr. Clark E. Gardner's Card. MR. EDITOR:—I notice by your paper that Dr. Darrin has arrived in Marshfield. I wish to state to the public what he did for my daughter eight years ago. For a long time she had been sorely afflicted with lung trouble, general debility, neuralgia of the heart and side. We considered her case hopeless, and as a last result took her to Portland and placed her under Dr. Darrin's electric treatment. She at once commenced to improve and in a few weeks was perfectly cured, and remains so to this day. My wife was also successfully treated for heart trouble. I will be glad to answer any questions, and can be seen at the Central Hotel, Marshfield, where I have resided for the past nine months. CLARK E. GARDNER.

Dr. Darrin makes a specialty of all diseases of the eye, ear, nose, throat, catarrh, deafness, bronchitis, la grippe, consumption, dyspepsia, constipation, heart, liver and kidney diseases.

He permanently cures all diseases of the genito-urinary organs in either sex. All peculiar female troubles are confidentially treated, as well as all acute, chronic, private and nervous diseases of whatever nature, if curable. No case taken if not.

Most cases can be treated at home after one visit to the doctor's office. All business relations with Dr. Darrin are strictly confidentially treated.

The committee of solicitation for the Pioneers' and G. A. R. reunions has been busy the past week, and has been kindly received by many of our citizens with liberal subscriptions. Some do not yet realize their obligations toward having the affair a success, not only as a duty to the veterans in both instances, but also for the credit of our town. No organizations deserve better at the hands of every citizen, notwithstanding you may have your personal dislikes of individual guests, but you didn't have a hand in selecting the hardy spirit who dared to move forward, endure the hardships and dangers of frontier life and blaze the way for occupancy, the establishment of homes, assuring a life of safety, comfort and prosperity to you. Nor in the other instance was he your substitute in the battle to maintain the glory and integrity of the country. He was there of his own accord, voluntarily sharing the privations and dangers, defending the right as best he knew how, giving the best years of his life, foregoing the comforts and pleasures of peaceful life—where, possibly, complaining one, you should have been, but neglected your patriotic opportunity. Don't complain now, when the battle's won and peace surrounds you. Join willingly, literally, cheerfully in the rejoicings and pleasures that follow, and be thankful that our environments are improved and as to small a cost to many of the people.

Rev. W. B. Smith moved last week into the new parsonage. The families of the ministers will fare much better than those of their predecessors for shelter and home comforts. The ladies of the Parsonage society deserve much praise for their earnest and untiring efforts while Mr. Smith has been indefatigable in his part of successfully completing the labor. The home is commodious and comfortable.

Dr. J. W. Strange is here and, as usual, is very busy. If you want your teeth properly fixed up call on him at the hotel.

Prof. Barklow was in town last Tuesday making further arrangements for the county teachers' institute.

Prof. Barklow, county superintendent, has made further visitations of school districts the past week.

Some complaint is heard at the announcement of a ball to take place at Bandon on Saturday night, August 15, the night of the Pioneers' and G. A. R. ball at this place.

But for raising, altering and improving the Coquille Institute building will be received by Rev. J. L. Futrell, at the building. Plans can be seen there after the 28th inst. See ad.

WANTED—Bids, separately, for moving and raising the Institute—late academy—building, also for lumber for improving same. Plans at Institute, after 28th. All to be done in August. Any or all bids can be accepted or rejected at my option. J. L. FUTRELL, Coquille City, Or., July 20, 1896.

The ice-cream social given last Saturday evening by the ladies of the Christian church was very successful. The attendance was good and the receipts quite liberal. A short program of recitations and musical numbers was given, the latter varying somewhat from the usual order, being solos and male quartets, thus making a pleasing change.

Orvil Dodge, T. M. Hermann and John Bartell were appointed by Col. Jewell post, G. A. R., of Myrtle Point, as a committee of arrangements of that post for the encampment. They desire to confer with our local committee before the program is compiled, and offer to assist in the literary exercises, if required. Address, Orvil Dodge, chairman. Read our Upper-River Department.

At the Labor Exchange meeting last Saturday afternoon a temporary organization was effected by the election of W. H. Nosler as temporary president, S. W. Harrington, vice-president, and Thad Gillham, secretary. Eleven ladies and gentlemen signed the pledge, and a charter will be sent for at once. Another meeting was set for next Thursday evening, to which quite a number of ranchers are expected. Free for everybody.

If a small bottle of Shaker Digestive Cordial does you no good, don't buy a large one.

"Prove all things; hold fast that which is good." It's not good for everybody, only for the thin, pale, sick, weak and weary. For those who are starving for want of digested food. For those who cannot get fat or strong, because their stomachs do not work as they ought to.

These are the people, millions of them, whom Shaker Digestive Cordial will cure.

Food makes strength, muscle, brain, blood, energy—after it is digested. If not digested, it will do you no good at all.

Shaker Digestive Cordial helps your stomach to digest your food and cures indigestion permanently. When you've tried a small bottle, you can tell.

Sold by druggists. Trial bottle 10 cents.

YEARS OF INTENSE PAIN.

Dr. J. H. Watts, druggist and physician, Humboldt, Neb., who suffered with heart disease for four years, trying every remedy and all treatments known to himself and fellow-practitioners; believes that heart disease is curable. He writes: "I wish to tell your valuable medicine has done for me. For four years I had heart disease of the very worst kind. Several physicians I consulted, said it was Rheumatism of the Heart. It was almost unendurable; with shortness of breath, palpitations, severe pains, unable to sleep, especially on the left side. No one can describe my sufferings, particularly during the last months of those four weary years. I finally tried Dr. Miles' New Heart Cure, and was surprised at the result. It put new life into me and made a new man of me. I have not had a symptom of trouble since and I am satisfied your medicine has cured me for I have now enjoyed, since taking it, Three Years of Splendid Health."

I might add that I am a druggist and have sold and recommended your Heart Cure, for I know what it has done for me and only wish I could state more clearly my suffering then and the good health I now enjoy. Your Nervine and other remedies also give excellent satisfaction." J. H. WATTS, Humboldt, Neb., May 9, '94.

Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at 4 bottles for \$5, or it will be sent, prepaid, on receipt of the Dr. Miles Medical Co., Elkhart, Ind.
