A whale came ashore at Bandon Sunday morning, which caused much interest. Capt. Hans Reed secured it and prepared to utilize the catch. It came on the beach just above the lookout. It is over 30 feet long, and 10 1/2 feet across the flukes. It is of the kind called Greenland whale, or right whale, and these are very valuable for their oil and bone. It is about half grown, but will bring its strap not less than \$200. The capturing was a great event for the many visitors on the beach; it was a new sight to them and proved of great interest.

HOW LIFE BEGAN.

The Origin No Longer Involved in Mystery.

The origin of life is no longer involved in mystery, as it is proved by the great evolutionists of the age, Darwin, Spencer, Huxley, Draper and others. Life originated in an electrical bio-plasm, a microcete of minute smallness, that has gone on developing and reproducing itself through past countless ages, following closely the great law of nature, evolution, until man is the result. At the age of forty, and many before that time, he begins gradually to give the electrical force nature gave him to strong bodies, weakness and disease taking its place. To avert the latter and stay its ravages, one should restore the lost balance by frequent supplies of electricity brought as near nature's standard and requirement as possible.

Dr. Darrin has the only perfected apparatus and methods of administering nature's remedy, and his success in the treatment and cure of diseases is simply unparalleled. The doctor makes a specialty of all diseases of the eye, ear, nose and throat, catarrh, deafness, bronchitis, la grippe, dyspepsia, heart, liver, bladder and kidney disease. He permanently cures all female troubles, leucorrhoea, ulceration, displacements, painful menstruation, etc.; also genito-urinary and skin diseases in either sex, such as blood taints, syphilis, gonorrhoea, gleet, seminal weakness and lost vigor, hydroceles, varicoceles and stricture, cured and guaranteed in every case.

Dr. Darrin can be consulted free at the Blanco Hotel, Marshfield until Aug. 8.

Patients desiring treatment should apply soon as many cases require a second treatment. Read the following remarkable cures:

Geo. Schmitt, Astoria, deafness, cured; John Stevens, Farmington, Or., deafness, cured; J. H. Wilson, Mt. Or., piles 20 years, cured; Rev. J. E. Coenour, Portland, Or., skin disease, cured; A. Food, undigested, is poison. Digested, it is strength. Indigestion, if we suffer from indigestion, but we often don't know it. We think it is something else. Even doctors often mistake the symptoms. Pale, thin people, who are overworked, who need strength, who seem in want of proper food, should take Shaker Digestive Cordial. It is astonishing what food will do, when properly digested.

It will make strong, revive, you refresh you, sustain you, make you fat, restore your color, make muscle, brain firm, courage, endurance, energy; increase your power to throw off disease and keep you healthy and happy.

Indigestion does just the opposite, but indigestion can be cured and prevented with Shaker Digestive Cordial. Sold by druggists. Trial bottle 10 cents.

L. L. Dietz, a practical watch repairer, will soon open a shop in Coquille City—in the meantime will do all kinds of repairing at home, at the Judge Nessler residence.
