When you feel uncomfortable after eating you have eaten too much, and you need Joy's Vegetable Sarsaparilla.

If you suffer from rheumatism watch the sheets. Don't get between them; if damp dry them.

Cure your rheumatism with Joy's Vegetable Sarsaparilla.

Keep flies out of your house; they are germ carriers.

Wear flannel undergarments.

Keep your feet warm; your head cool.

When your blood is thin you feel cold in the least change. When your blood is thin take Joy's Vegetable Sarsaparilla; it will make your blood red, rich and thick.

Yes it will do to take Joy's Vegetable Sarsaparilla now.

When you get off your bicycle after a long warm run, put on a coat.

Marshfield and Empire, Sept. 27.

Grandma Lydia Haskin, of near Fairview, aged 91 years last April, passed through this place last Wednesday on a visit to her friends, Mr. and Mrs. Stephen Rogers, on Coos river. The old lady visited the HERALD office and proved a very interesting conversationalist. She is in good health, looks well, and aside of slightly impaired hearing is sprightly and answers readily. We thank her for the honor of a visit.

M. L. Randleman returned from California a few days ago, much improved in health and having gained some flesh during the short while that he was absent, but in a day or two after reaching home he became ill again and is now preparing to go to California with his family—who had not gone with him the former trip, as we had understood it. We are sorry that Mr. R's health is so poor, but a dryer climate will undoubtedly benefit him.

Our townsman, W. Sugg, came near a very serious accident at Thomas' camp Monday of last week. An unusual wind prevailed most of that day, and while he was up-sawing on a large tree, a large dead limb, well to the top, fell, striking his saw and glancing against his face, bruising his face and person considerably, and the saw-teeth scraped up his arm and against his breast, hurting him considerably. He had his wounds promptly dressed and laid off from work a few days, and his recovery was rapid. It was a marvellous escape.

Rev. K. V. Millard delivered lectures on Tuesday and Wednesday nights of last week at the little church to large and interested audiences. That of Wednesday night was especially interesting, being on the location of Paradise, or "the third heaven," as mentioned by Paul in Corrinthians. He fixes that as the temporary abode of departed spirits till the general judgment and Saturn as the place. Mr. M. is well read in astronomy and makes many interesting illustrations and applications from scriptural references. He will be present again this week.

The Port Orford Tribune man seems to be thickheaded. He doesn't see wherein he was funny in accusing Mr. Vanderburg of being a liar, when Mr. Vanderburg has no more connection with the truth or falsity of the affidavits made by citizens in the Gold Beach precinct than that editor himself. If that editor is a law-abiding citizen and wants fair elections and honest counts, why does he not wait till the authorities establish the sworn testimony of his fellow-citizens, or upon failure to do that, have the perjurers punished?

S. M. Yoran, a Republican state elector, addressed a handful of the faithful at this place last Thursday night, at Masonic hall. The gentleman was introduced by the local chief, W. Sinclair, and the visitor occupied most of the balance of the evening, charging and countercharging, explaining and unexplaining the history of the g. o. p. and of the Democracy—Cleveland Democracy—of the past few years. It was a dry affair and a blank shot. Dr. Easter-McKinley, of Myrrle Point, said a short speech in his usual inteligent and knowing manner.

BRYAN SILVER CLUB

Organized in Coquille City—Grand Rally of the People.

Voters dropped into Mercantile hall last Saturday night, as per call, to organize a Bryan Silver Club. About 60 were present, when J. H. Cecil, esq., called the meeting to order, stated the object of the call and proceeded to business. The following officers were chosen, and afterward made permanent officers of the club:

R. D. Sanford, chairman,
B. F. Lawrence, Secretary,
J. J. Lamb, treasurer.

A recess was given for enrollment.

On motion, a committee of three on permanent organization and resolutions was appointed, as follows: J. J. Lamb, J. S. McCain and A. J. Sherwood.

On motion, "each member was constituted a committee of one" to solicit names.

Remarks were called for, to which A. J. Sherwood, J. J. Lamb and Rev. J. S. McCain each responded briefly.

On motion, the chair appointed the following as a committee on program: J. S. McEwen, B. F. Lawrence, D. P. Strang, H. S. Kribs and J. H. James.

On motion, a cordial invitation is extended to the ladies hereafter to attend the meetings. A motion was passed to meet every Saturday night at Masonic hall.

On motion a committee of three—C. W. White, R. D. Sanford and A. J. Sherwood—was appointed to solicit funds for use in securing speakers, etc., during the campaign.

[As citizens continued to pour in, the chair announced that enrollment of names for membership was always in order, and the tread of voters was constant, singly and in platoons, till the enrollment was announced at 106.]

The secretary was authorized to communicate with the state committee regarding speakers, and suggest as one appointment for this section the name of Hon. Harry Watkins, a presidential elector.

Much enthusiasm prevailed throughout the meeting, at adjournment, and an expressed determination to try and make the precinct unanimous for Bryan, silver, the best interests of our section and of the country at large.

Members of the club set to work by solicitation and argument to win others to the cause, and by Monday morning, when preparing this report, the membership had reached 125, with a bright prospect for many additions.

Mrs. J. P. Bell, Osawatomie, Kan. wife of the editor of The Graphic, the leading local paper of Miami county, writes *"I was troubled with heart disease* for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that, at times I would walk the floor nearly all night. We consulted the best medical talent. *They said there was no help for me,* that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of *Dr. Miles' New Cure for the Heart,* which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nervine and *it completely cured me. I sleep* well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did; there's relief untold for them if they will only give your remedies just one trial."

Dr. Miles Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at $1, 6 bottles for $5, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

After meals you should have simply a feeling of comfort and satisfaction. You should not feel any special indications that digestion is going on. If you do, you have *in*digestion, which means *not*-digestion. This may be the beginning of so many dangerous diseases, that it is best to take it in hand at once and test it with Shaker Digestive Cordial. For you know that indigestion makes poison, which causes pain and sickness. And that Shaker Digestive Cordial helps digestion and cures indigestion. Shaker Digestive Cordial does this by providing the digestive materials in which the sick stomach is wanting. It also tones up and strengthens the digestive organs and makes them perfectly healthy. This is the rationale of its method of cure, as the doctors would say. Sold by druggists, price 10 cents to $1. per bottle.
