When wear begins to exceed repair in your body you are going to fall sick. The signs of it are: loss of flesh, paleness, weakness, nervousness, etc. The repair needed is food. You think you eat enough, and yet you feel that you wear out more tissue, energy, nerve-force, than your food makes for you. The difficulty is that you do not digest enough. And this is so serious it is worth sitting down seriously to think about. If you can't digest what you eat, take a few doses of Shaker's Digestive Cordial. The effect of it will be to increase your flesh and make you feel stronger. You won't fall sick. Proof that it is in control of your repair apparatus. It's easy enough to test this for yourself. Take a few bottles of Shaker's Digestive Cordial.

Sold by druggists at 10 cents to \$1.00 per bottle.

Brown, nee Alice Goble" written thereon—and these told the story that some young Californian had won the charming little Miss Alice for his own. Weak, Irritable, Tired

"I Was No Good on Earth."

Dr. Miles' Nervine strengthens the weak, builds up the broken down constitution, and permanently cures every kind of nervous disease. "About one year ago I was afflicted with nervousness, sleeplessness, creeping sensation in my legs, slight palpitation of my heart, distracting confusion of the mind, serious loss or lapse of memory. Weighted down with care and worry, I completely lost appetite and felt my vitality wearing out. I was weak, irritable and tired, my weight was reduced to 160 lbs. In fact I was no good on earth. A friend brought me Dr. Miles' book, 'New and Startling Facts' and I finally decided to try a bottle of Dr. Miles' Restorative Nervine. Before I had taken the sixth bottle my weight increased to 175 lbs. The sensation in my legs was gone; my nerves steadied completely; my memory was fully restored. My brain seemed clearer than ever. I felt as good as any man on earth. Dr. Miles' Restorative Nervine is a great medicine. I assure you." August, Mo. WALTER E. BURMAN.

Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at 25¢ a bottle for 6¢ or 12¢ if sent prepaid. Recd. of price by the Dr. Miles Medical Co., Elkhart, Ind.
