Realizing that three-fourths of all our sufferings arise from stomach troubles, that the country is literally filled with people who cannot eat and digest food, without subsequently suffering pain and distress, and that many are starving, wasting to mere skeletons because their food does them no good, they have devoted much study and thought to the subject, and the result is this discovery to their Digestive Cordial.

Other ladies at Bandon desire to give a helping hand to put our silk product before the world, and the Herald takes this opportunity to thank them for their interest and thoughtfulness. Blood Pure? Is it? Then take Ayer's Sarsaparilla and keep it so. Is it? Then take Ayer's Sarsaparilla and make it so. One fact is positively established and that is that Ayer's Sarsaparilla will purify the blood more perfectly, more economically and more speedily than any other remedy in the market. There are fifty years of cures behind this statement; a record no other remedy can show. You waste time and money when you take anything to purify the blood except Ayer's Sarsaparilla.

Easter Services

Were held in the Methodist church in this place on Sunday morning, and at the Christian church Sunday night, both being very pleasing and attractive religious services, having large and interested audiences.

The Methodist church had been handsomely decorated with cut and pot flowers, evergreens, ferns, mosses and palms over the pulpit, chancel railings, organ and windows, and a beautiful star placed in a central position. Arched over the two east windows were the mottoes: "Happy Easter Morn;" "The Lord is Risen." The program consisted of recitations, scripture readings and responses, interspersed with appropriate songs and anthems by the school and choir. J. J. Lamb, superintendent, conducted the exercises. The recitations were charmingly given and very edifying.

The choir included Mrs. W. B. Smith, Mrs. Nora A. Good, Miss Phoebe Lamb and Miss Marvin Lamb, sopranos; Miss Lilly Wagner, Mary Quick and Birdie Nosler, altos; A. A. Leach, Prof. Hawkins and Frank Strang, tenors; Rev. W. B. Smith and J. S. McEwen, basses. A tenor and alto duet, executed by Mr. Leach and Miss Lilly Wagner, a first and second tenor duet by Mr. Leach and Frank Strang, were very pleasing. Miss Zetta Messer was organist.

AT THE CHRISTIAN CHURCH, At night, the spacious room was crowded as never before. This place, also, was beautifully festooned with flowers, ferns and mosses, and above the pulpit, in beautiful letters, the motto: "Now is Christ Risen and Become the First Fruits of Them that Sleep."

The superintendent, Mrs. Maury, conducted the exercises. The recitations, scripture readings and responses and songs by the school and choir, were rarely fine and promptly and creditably given. Three appropriate specially seasonable anthems were given by the choir. The pastor, Rev. C. A. Stine, delivered a brief and edifying address, and Rev. W. B. Smith, Methodist, the invocation prayer. The choir was composed of the following: Mrs. J. W. Sagg, Mrs. J. S. Conwell, Mrs. Nora A. Good, Miss Winnifred Taylor and Miss Maud Nosler, sopranos; Miss Belle Rich, Laurel Conwell and Birdie Nosler, altos; Messrs. Frank Strang, J. W. Sagg and Claud Nosler, tenors; Fred Nosler, Aaron Wilson, basses; J. S. McEwen, organist.

It is probable that the people of Roseburg will soon have an opportunity to say how badly they want the junction of the Roseburg & Coos Bay and S. P. railroads at this city. Arrangements are now being made in San Francisco by Manager Graham and the J. D. Spreckles Company for the early resumption and completion of construction work, so we are reliably informed. It is, also, broadly hinted by the promoters of the enterprise that it will be much cheaper to form the junction with the S. P. a few miles south of Roseburg, and that this will be done unless our people offer substantial inducements to bring the road here.

The nature of the proposition to be made by the railroad company and when it will be submitted, are yet matters not definitely settled upon, but we believe that a reasonable proposition will meet with favorable consideration. Roseburg wants the railroad and when its early completion is assured our property owners will assist its promoters to the best of their ability.—Roseburg Review.
