

THE LABOR EXCHANGE.

Collverston Branch, No. 218.

A big step forward is being taken by a number of citizens of Cape Arago, in the way of reclaiming their independence through the Labor Exchange. They have organized, as indicated by above caption, and all preliminary arrangements are being made as fast as circumstances will permit.

Prejudice.

Prejudice is a strong barrier in the path of progress. You may argue with it, teach it, try force with it, and it will not give way. Sometimes, as in the poem, you may walk straight through it and find nothing there. You can do little with it, when it exists in other people's minds, but if it lurks in your own, you may, if you try, clear it away.

Preliminary Work.

Very often the willingness to form a Labor Exchange branch exists in a community, but the persons interested are at a loss to know where to begin. They have little money and nothing perhaps in the way of machinery, and it seems to them they are absolutely empty handed.

The benefits to be derived through the Labor Exchange has been fully demonstrated by persons in this county. Two gentlemen on the bay sending to San Francisco for dried prunes ordered 200 pounds each. One of them sent, as he thought, to a reliable commission merchant—one with whom he had been dealing for some while—and when he received his prunes he found they cost him \$16, while the same quantity and quality exactly, ordered of Labor Exchange Branch No. 25, by the other gentleman, cost but \$8, or just one-half the price of the other lot.

A life membership in the Labor Exchange costs you only \$1, and the benefits to be derived are what we make them.

Dora Doings.

Dora, June 24—Fine growing weather all along the line. People that have lay down are getting out of patience, as when they turn the hay here comes a fine shower and wets it more and more. But crops never fail in Coos county, so let it rain. We have had a fine rain, and it has done lots of good, as now late grain will make good crops.

County Assessor K. H. Hansen arrived from Portland, and he says the rain was general, but not as much out through the Willamette and in Douglas county as in Coos.

We had a temperance lecture Sunday by Mr. Easton and a sermon by Mr. Wilcox in connection with Sabbath-school and Endeavor.

The Dora people will celebrate on the 3d, Middle creek on the 4th and Lee on the 5th. The committee on North Fork have added barbecue and coffee to the program at Lee.

Captain Boycott. London, June 21.—Captain Boycott is dead. He was about 55 years of age and became famous through being the first man subjected to the "boycott" in Ireland. He was a land agent in 1881 in Connemara section, county Mayo, where he collected rents. In 1890 Parnell made a speech in which he urged the people of Ireland to abstain from agrarian crimes and to adopt instead the policy of sending harsh landlords, agents and bailiffs to "Coventry," the old term for boycotting. Events so shaped themselves that Captain Boycott was the first man the Irish experimented on in this connection.

Oregonian: The "detectives" who are pursuing Jewett are not officers of the law, but private agents hired to compound a felony. Jewett, though a blackleg, has rich and respectable friends willing to make restitution for his forgeries to keep him out of jail. The "detectives" pursue him on speculation. They arrest him, notify one of his victims, make a deal between the victim and the forger's rich relatives, recover the money, pocket a commission and release Jewett. Then, a few days later, they rearrest him and repeat the performance with another of his victims. The "detective" will continue to reap this harvest of commissions as long as victims and rich relatives hold out. Only private interests are involved in the case. There is no notion of punishing Jewett for crime.

At the recent reunion of Linn county pioneers in Brownsville quite a number of interesting papers were read. One of them said: "Mrs. Eliza Warren and Mr. C. H. Walker, who are entitled to the distinction of being the first white children born in Oregon, are members of the Linn County Pioneers' Association. Mrs. Warren is a daughter of Rev. H. H. Spaulding, a missionary of 1836. She was born at Lapwai mission, in 1837. Mr. Walker was born at Whitman Station in 1838."

Rev. Mr. Wallace, of Portland, locates hell in San Francisco, and considering the fact that "Uncle Collis" has an immortal and gloriously effective crouch on the metropolis, it must be conceded it is nearly hell, if not the exact spot.

ALBERT POOL IN JAIL.

Arrested on the Old Cow Creek Train Robbery Charge.

Albert Pool was last week arrested near Weiser, Idaho, where he was working on a ranch, and arrived here yesterday in charge of Mr. Jennings, the Wells, Fargo & Co. detective. He is charged with the commission of the Cow creek train robbery in July, 1895, for which Jack Case and Jim Pool were tried and convicted in Portland, and afterward released by U. S. Judge Bellinger. Albert Pool was, also, tried at that time and acquitted, the charge being that of robbing the U. S. mails. This time he will have to face the charge of robbing the express. The officers claim to have new light on the case since the death of Case in the attempted Tacoma hold-up and declare that they can convict Albert and an accomplice yet to be arrested, these being Case's confederates in the Cow creek affair. Jim Pool is under indictment on the same charge, but it is hinted that he will not be brought to trial, which would indicate a change of base on part of the officers who have so persistently worked upon the case.

49 YEARS OF SUFFERING FROM DROPS RHEUMATISM.

Read carefully this testimonial found below, also letters from those who have been cured of other diseases, and remember that "5 Drops" can and never fail to quickly relieve and permanently cure. Dear Sir:—Your bottle of "5 Drops" received. It was for an old friend, Mr. Wm. Edwards, of Martinovon, Wis. He has had Neuritis in his chest, suffering a great deal of pain, so much so that it affected his heart and he could not sleep on account of a smothered feeling. He has been under the care of the most eminent physicians, but found no relief until he used "5 Drops." The Rheumatism has all disappeared, the stiffness is gone from my joints, and my heart never misses a beat. I am to-day a well, strong woman, and love it to "5 Drops." I only wish I could sound my tongue of praise loud enough to be heard all over the world, and could convince every one that "5 Drops" is all you claim it to be and more.

34 YEARS OF SUFFERING. DEAR SIR:—Over 34 years ago, I had Typhoid Fever, and barely escaped with my life. It left my system so shattered that I have had ever since, Rheumatism and Throat Trouble, which gave me a terrible Cough. This is the most wonderful and the cheapest remedy ever discovered. I am more thankful to you than words can express. I have already told you what "5 DROPS" has done for me. Although I am over 70 years old, I am feeling better than I have in years.

I shall be glad to answer any questions regarding my case, and am glad to quote a testimonial from any one who has used your "5 DROPS." Gratefully yours, MRS. SAMUEL BIBLE, E. Litchfield, Mich. I had the bottle of "5 DROPS" to be very good and just what you claim. My wife has been suffering with Catarrh and Stomach Fever, over 15 years. She has tried everything and does not much, but no cure until she tried "5 DROPS," which completely cured her. Yours truly REV. L. VON WALD, March 10, 1897. MILWAUKEE, WIS.
