

REGULAR TRAINS

Table with 3 columns: Direction, Station, Time. Rows for Monday, Wednesday, Friday, Saturday.

LOCAL ITEMS.

Additional locals on 2d page. The rain continues and is now doing much damage to crops. Prof. A. N. Knight, of Myrtle Point, was in town last Friday morning.

Wanted—To trade Bandon property for Coquille City property. Inquire at this office. Mrs. Inez Chase, who teaches the school at Sumner, has been home visiting for several days.

Buy \$1 worth of goods at the Berlin Store and guess the number of cocoons, for the prize of a handsome 14-k gold watch. Deputy Sheriff Clyde Gage is now quite "at home," having both official duties and residence right here.

A stimulant is often needed to nourish and strengthen the roots and to keep the hair a natural color. Hall's Hair Renewer is the best tonic for the hair. WANTED—FAITHFUL MEN OR WOMEN to travel for responsible established house in Oregon. Salary \$750 and expenses.

Wanted—A good dairy farm of from 100 to 300 acres, already stocked with good dairy cows, for a cheesery. Will lease for a few years with privilege of buying. Mr. Shepard, who has charge of the blacksmithing at the government works at the jetty, came up last week and spent the holiday vacation with his family.

There is a good and a poor quality of almost everything on the market—even in drugs—but Dr. Moore keeps only the best grade of medicines at his pharmacy. One's health should not be trifled with. B. C. Rucker, the gentlemanly and popular commercial man, representing Coghill & Kohn, grocers, San Francisco, is in town and included a visit to the HERALD office.

A. A. Leach and son George helped in the musical program at Myrtle Point last Saturday and went with the band from this place to Lee Monday. Leach & Son's orchestra furnished music for the dance also at the former place. Assessor Hanson occupies a room at Hotel Coquille for his office. He took in the celebration on the North Fork yesterday, having made a trip to his home a day or two before to spend the holiday season with his family and friends.

Best of bacon at Johnson Bro's, also eastern honey drip syrup. W. H. Hull was up on business yesterday from the lower river. WANTED TO RENT—An organ. Leave information at this office.

Ison Walker of the lower coast section was on our streets yesterday. Capt. G. P. Clawson, of the lower river, looked in on the new county seat yesterday. James Doughty made a business trip to this place yesterday, from his home on the lower river.

Underclothing made; also gentlemen's clothes and socks laundered, repaired and darned. Mrs. BUSKIRK. Many of our citizens celebrated at Myrtle Point on the 3d, principally young people; many also took in the celebration at Lee on the 5th.

Curtis Sanford left this morning, via the bay, for Portland and the Willamette valley. He will visit relatives and friends at and near Salem. The steamer Antelope is undergoing repairs preparatory to taking the place of the Dispatch, while she is being given a thorough overhauling.

John F. Humphrey, of the upper river, was in town Monday to attend to some business matters between himself and our townsman, J. H. Cecil. He called on the HERALD. J. S. Edmunds, the paper hanger and agent, has temporary headquarters at Hotel Coquille. See his specimens of wall paper, learn his prices and give him your orders.

The steamer Coquille River came into the river last Friday and departed Saturday at 4 p. m. She carried out 350 head of sheep and 300 tons of coal besides other miscellaneous freight. Mrs. Rev. Buckner, of Marshfield, returned home yesterday, after a visit of two or three weeks with her parents, Rev. Mr. and Mrs. Stine, and other relatives and friends at this place.

The steamer Moro reached this place from San Francisco Friday last. She delivered some freight here and then took on some lumber at Lyons' mill, together with some coal at Riverton. Miss Nina McGaffey returned to her school at Uter City yesterday. This school will close about the last of this month, and then, after a brief vacation, Miss Nina will take the school in the neighboring district of Coos County.

County Treasurer Hickey is snugly ensconced for office work in with the sheriff in Hotel Coquille. Uncle Jordan looks naturally enough among us, where he is well known and had spent many years of residence. The HERALD welcomes his return. The celebration at Lee was a grand occasion, notwithstanding the rain. A large concourse of people had gathered and the program was entertaining and edifying.

The conduct is said to have been most orderly and creditable, while there was plenty of good things to eat and the sports quite lively—such as could be given. County Superintendent Barklow informs us that the annual teachers' institute, for the year 1897, will be held at Bandon, August 24, 25 and 26. This is an occasion of great interest, not only to the teachers, but also to the general public, and we have reason to believe that the institute this year will excel that of any former year in numbers attending, in usefulness and in attractiveness. A death occurred Sunday, 4th inst., at the county infirmary, after a protracted and painful illness, in the person of John Quincy Blinn, who had been a resident of Coos county for at least 35 years, mostly on the bay, where he was well known. Mr. Blinn was born in Maine. Some few years ago he was stricken with partial paralysis, and has since grown feeble and quite helpless till called hence at this date. He was buried yesterday.

Superintendent T. W. Clark of the Bandon woolen mills has received an order from San Francisco in the sum of \$18,000. The woolen mills at Bandon are a grand enterprise and speak well for our section. Other industries, if half as well managed, would be as prosperous and creditable, but too much time is taken up in manipulation rather than production—taking hush money instead of earning it. The HERALD is proud of our woolen mills and their management.

Naked Pills advertisement. Text: 'are fit only, for naked savages. Clothes are the marks of civilization—in pills as well as people. A good coat does not make a good pill, any more than good clothes make a good man. But as sure as you'd look on a clothesless man as a mad one, you may look on a coatless pill as a bad one. After fifty years of test no pills stand higher than AYER'S Cathartic Pills SUGAR COATED.'

Mrs. Root keeps fresh bread and yeast for sale. Toothbrushes, soaps, etc.; a Coquille Pharmacy. Johnson Bro's are selling cheap for cash—and cash only.

Mrs. Geo. W. Major, of Bandon, was in town yesterday. Coquille Pharmacy for stationery, tablets and school supplies. County Clerk Rackleff brought his family to their Coquille home Sunday.

McDonald, the barber, will charge 25 cents for shaves on legal holidays. John Capron, an electrician and telephone expert, of Empire, was in town yesterday. Mr. Harkney, of Beaver Hill, late from Humboldt county, Cal., was in town yesterday.

WANTED—To borrow, \$400, on 3 or 5 years' time; good security. Apply at HERALD office. Mrs. J. E. Price returned from the bay yesterday and took the boat to her home at Riverton.

W. M. McCormac and wife, of Riverton, took the train yesterday to visit friends on the bay. Sheriff Gage is having his new home painted and papered in a handsome way by Mr. Edmunds. Mrs. Root will supply bread during Mrs. Wilkins' absence. Also furnish hop yeast at 10 cents per quart.

Arrivals from Portland on Farallon, Thursday, June 30: C. T. McKnight, G. E. Weaver, A. L. Noel, A. Cruse, R. E. Golden and F. Kruse. Rev. Mr. Anderson, the Baptist minister who was announced to preach at this place last Sunday, failed to reach the appointment from some cause.

The cannoning at Beaver Hill Saturday night, in celebration of the 4th, reverberated here almost as plainly as if at our doors. The blasts were made with dynamite. Rev. J. E. Blair, Presbyterian minister at Myrtle Point, preached morning and evening Sunday in the Christian church at this place. Mr. B. is an interesting and pleasant speaker.

Will Cox came up from Beaver Hill Saturday and with Mrs. C. attended the wedding of Johnny Peart and Miss Jessie Dean, her sister. They will remain a few days visiting here. Mrs. Watkins was down from her North Fork home last Thursday. She had heard just a day or two before from Grandpa Bunch and Miss Mae, in Florida. They are preparing to sell their property and return to Coos county.

J. B. Wilcox, who lives with his son Captain Wilcox, at one time captain at the life-saving station on the bay, in the North Fork section, visited us today. He is a comrade of the late war, having served from New York state. Deputy County Clerk Lon Hazard occupies his desk in the temporary office in the Leneve building. He is much of a stranger in this town and valley, not having visited here before in many years. He will bring his family here in a short while.

County Clerk Rackleff had to bustle last Friday to meet the business rush that was vouchsafed to him. Three marriage licenses were issued, and at least one deed filed for record by a lady, and some joker was mean enough to intimate that it was not a deed, but an application for a divorce! Better not let Harry hear of it, or there might be one funny man less. Francis L. Fisher, of the H. S. Crocker Co., stationers, printers, lithographers and book binders, San Francisco, reached Coos county on his first visit this week. He will spend several days in this valley and some while on the bay. Our dealings with H. S. Crocker Co. extends over several years, unbroken, and has always been most satisfactory and without a quibble.

We are glad to notice that our friends on the bay are taking hold of the Labor Exchange idea and will bring down God's blessing by "helping themselves." They have endured the competitive Pharaoh long as they are able, and now they will go into the promised land of plenty and to spare—they will provide for their own, and await the coming of the capitalist tramp and commercial prodigal brother at their door asking for a cold bite.

Sick stomach means sick man (or woman). Why not be well? Sick stomach comes from poor food, poor nourishment; means poor health, poor comfort. Shaker Digestive Cordial means health and a well stomach. If we could examine our stomach we would understand why it is that so little will put it out of order. But, unless we are doctors, we never see our stomach. We only feel it. He would feel it less if we took Shaker Digestive Cordial. Shaker Digestive Cordial makes your stomach digest all the nourishing food you eat, relieves all the symptoms of indigestion, acts as a tonic and soon makes you well and strong again. The more you take, the less you will feel of your stomach. At druggists. Trial bottle 10 cents.

ROYAL BAKING POWDER Absolutely Pure. Celebrated for its great leavening strength and healthfulness. Assures the food against all kinds of adulteration common to the cheap brands. ROYAL BAKING POWDER CO., NEW YORK.

Perfumed the air on the evening of July 4, and blended with happy hearts and loving pledges to love, cherish and protect in two instances at this place. John Peart, a gentlemanly, industrious and promising young man of Beaver Hill, had succeeded in binding in love's fetters one of our most charming young ladies, Miss Jessie Dean, the ceremony of which was performed at the residence of the bride by Justice Harlocker. The immediate family of the bride were present, Mr. and Mrs. R. J. Dean, the parents, John Peart and bride, Miss Jessie Dean, Grandpa Dean and Grandpa Lindsay, Mr. and Mrs. Will Cox, Mr. and Mrs. D. F. Dean, Bert Dean and other junior members of the family, the editor of the HERALD by special invitation, and the officiating Justice Harlocker. The bride was beautifully robed and looked charmingly. Congratulations followed the ceremony and a bountiful supply of refreshments was served. It was a pleasant occasion, and hearty and sincere wishes for long life and happiness were given them.

ROBINSON-LENEVE. Rev. W. B. Smith tied the knot binding two hearts as one, with our young merchant and townsman, George A. Robinson, and Miss Annie Leneve as the high contracting parties, at the residence of the parents of the latter, Dr. and Mrs. S. L. Leneve. Mr. Robinson and bride are both so well known, having grown up here, that the HERALD needs only to mention their names. They made no haste in their choice, as George and Annie have been known to belong to each other for several years, and only awaited the announcement of his consummation. The HERALD sincerely congratulates this faithful couple and wishes them unalloyed happiness.

Libby Items. Libby, July 3.—Libby celebrated in good style today with a clam-bake. The Declaration of Independence was read by Samuel Sleep, and music was furnished by the Libby Senior band. The strike here entered on a new phase this week. The company posted a notice ordering the mine to be shut down indefinitely. The men now are in the position of Bacon's Philosopher—they are calmly viewing the coming storm from the shore. They are also ordered to vacate their houses within 10 days. It is currently rumored that P. Hennessy, our superintendent, has been offered a situation in a California gold mine with a larger salary and surroundings more congenial to his taste, which I understand he is seriously thinking of accepting. Some of the families are selling out their household goods and are going in search of greener fields and pastures new. COWEB.

At the teachers' meeting of the Monday-school connected with the Christian church, held last Wednesday night, the following officers were chosen for the ensuing term: Superintendent, Mrs. Ora X. Maury; assistant superintendent, J. A. Seed; secretary, Fred Nosler; treasurer, Miss Edith Hayter; organist, Miss Maud Nosler; librarian and assistant, Oliver Wilson and Ralph Nosler. The school is very prosperous, the teachers being active and efficient, and the officers punctual and interested in their duties.

We thank J. H. Cecil, esq., for a copy of the great McKinley and Prosperity poster, which occupied such a prominent place in business houses and manufacturing establishments during the last presidential campaign. They are a rarity now and a holy terror. The g. o. p. man now takes a fit if you mention them. Wash Ballard was down from Arago Monday. He wanted to see how the county seat set in her new nest, or whether she set standing.
