Mrs. S. D. Barrows, at Bandon, has bought out the millinery business of Mrs. Stowers at that place, and keeps constantly on hand fresh supplies of seasonable and fashionable goods, which she will sell at the lowest living rates for cash. Rev. N. S. Buckner, late of Bandon, met with an accident at Ashland Tuesday last week. He fell from a step leading into a shed. His right hand was badly bruised and the flesh torn from two fingers. Comrade Buckner is fast failing, largely—possibly altogether—from wounds and results of broken health from long imprisonment during the late war.

L. E. Dole, a gardener and trackman from near Marshfield, was placed in jail last week to serve a short sentence for petty theft. He spent a few days in the same institution, just after its completion, being committed for refusal to pay or work out his road tax. We rather sympathized with the fellow at first, but learn that he is defiant of the authorities and the enforcement of the laws. It isn't right to be so, and doesn't pay.

The temperance mass meeting held under the auspices of the W. C. T. U. at the Christian church last Sunday evening, was not behind any ever held in Coquille City in attendance, enthusiasm and interest. Rev. C. A. Stine was almost left alone to officiate, and while present against the advice of his physicians, for the deep interest he has in the cause and the fact that he had accepted the invitation of the ladies to speak, succeeded in delivering an able, interesting and eloquent lecture. Spirited and entertaining music was given by the Choral Society. Rev. W. B. Smith was the only other minister present. A collection of something over \$2 was received.

At her home in Curry county, Or., Oct. 29, 1897, Mrs. J. W. Sears, aged 58 years, 6 months and 1 day. Her maiden name was Catharine G. F. Williams. She was born April 10, 1839, in Atlantic City, N. J. She came to Oregon with her father in May, 1857, and in July following she was married to J. W. Sears, at the home of J. B. Tufts, on Rogue River. She with her husband moved to the Coquille valley in July 1867, and from thence to her final earthly home, where, after an illness of four days, she died of a paralytic stroke, Oct. 29th.

In the death of Mrs. Sears the community has lost a valued member, who was most highly esteemed for her many excellent qualities of mind and heart. As a wife, friend and neighbor, she truly filled each position with devotion, constancy and benefits, and will be missed most by those who knew her best. Especially to the youths of her acquaintance was she a friend and favorite, who through time will cherish her remembrance in loving esteem. She met death without fear, conscious of her state to the last moment; with a firm belief in her soul's immortality and an everlasting and merciful God.

The funeral services were conducted at the Myrtle Point cemetery Sunday by Rev. John Bonewitz, and her remains were laid to rest in the presence of a multitude of loving friends.

A wedding supper was given by Mr. and Mrs. S. B. Barrows, last Friday night, in honor of Henry Johnson and bride—the latter their daughter. It was almost wholly a family affair, and passed off very pleasantly. The HERALD was kindly remembered and received a portion of the cake.

Our friend, Harvey Schweers, last Saturday brought us some specimens of apples from his fine orchard, among which are some old, familiar and loved names, while others are of more recent discovery, but all beautiful as a picture, perfect in shape and attractive in color. Here are the names: Blue Pearmain, Baldwin, Spitzenberg, Romanite, Genitan, King of Tompkins County, Newtown Pippin, Northern Spy, Lady Apple, White Winter Belleflower, Yellow Belleflower, Rambeau (two kinds), Winesap, etc., etc. He also left us a Dunmore pear. Mr. S. is progressive and stands in the front rank as a farmer in its varied lines.

Sick-poison is a poison which makes you sick. It comes from the stomach. The stomach makes it out of undigested food.

The blood gets it and taints the whole body with it. That's the way of it.

The way to be rid of it is to look after your digestion.

If your food is all properly digested, there will be none left in the stomach to make sick-poison out of.

If your stomach is too weak to see to this properly by itself, help it along with a few doses of Shaker Digestive Cordial.

That's the cure of it. Shaker Digestive Cordial is a delicious, healthful, tonic cordial, made of pure medicinal plants, herbs and wine.

It positively cures indigestion and prevents the formation of sick-poison.

At druggists. Trial bottles 10 cents.

The repairs at the Southern Methodist church have been pushed to completion by several of our mechanics. Robert Denn worked faithfully in a general way for a couple of weeks, while Ethan McDuffee followed the woodworkers last week with the papering and Zennie Strang with the painting on the inside, and Charlie Meyers and G. F. Bottell with the outside woodwork on the belfry, etc. Altogether the church building is now in good repair and the inside work is creditable as to neatness and artistic display to all who had a hand in it. The papering in shade, design and workmanship is very handsome, and makes a most cheerful and comfortable audience chamber. A partially re-dedicated service of the remodeled structure took place Sunday morning, conducted by the pastor, Rev. W. B. Smith, assisted by Rev. C. A. Stine of the Christian church and Rev. J. L. Futrell. A debt of \$45 was extinguished by subscriptions from the audience. This feature was conducted by Prof. Nicholson.

A delegation from Bandon Post, G. A. R., visited Coquille City last Friday and held a meeting in conjunction with the comrades here with a view to reviving the post at this place. Most of the old members of the local post were present, but it was not generally known that other comrades, who had not been in the post here, were expected also to be present, hence several comrades did not show up.

The visiting comrades from Bandon were: A. M. Samner, post commander; R. F. Shannon, S. V.; J. O. Bates, J. V.; Wm. Woods, O. D.; N. Thrash, O. G.; Rev. L. H. Palmer, chaplain; Rev. F. M. Sanderlin, O. F. Topping and Comrade Gerber—Comrade J. W. Felter being already at hand. It was a strong delegation of good, reputable citizens, a credit to any community, and whose records as soldiers are superb. The chief source of all the strife and bickerings among the comrades of this section having been removed—part eternally and a part voluntarily, even if temporarily—there is no excuse for any continuance thereof, and we are glad the mists are clearing away and that the patriotic military reputations of the old soldiers will be allowed to shine forth to the exclusion of prejudices and jealousies. To the true, patriotic and faithful soldier his record is a matter of pride and should be beyond any other influence to detract or belound, and it is the duty of every survivor of the great strife to rally to each other's defense with the same spirit that they rallied to the cause for which they tendered their lives and sacred honors. Organize and fraternize for the purposes for which the comrades have associated. The ranks are thinning out and the few remaining ones need your words of cheer and kindly hand as they near the moat which surrounds the fortress and refuge of the belated veteran at his home in the Golden City. The comrades, we learn, did not complete an organization, and have set next Saturday night to resume the matter.
