THE LABOR EXCHANGE.

Good Times and Bad Times.

Good times or bad times have nothing to do with the struggle between capitalism and socialism. The difference is only this: That in so-called good times the producers are kept to work and robbed out of nearly all they produce. In bad times they are not allowed to work. They starve while capital lives on what their labor produced in the good times. Bad times and good times are simply the chills and fever of the disordered system of capitalism. Under socialism, properly organized, there would be no ban times. The people could always produce an abundance to use and they would possess and use what they produced.

The absurdity of this crazy capitalistic system is shown in this, that when there is plenty of everything and goods are cheap, then there are bad times. The secret is this, that when goods become scarce and dear, the capitalists put the slaves to work and pay them a little. Then they think they have good times, because they are allowed to work for about one-tenth of what they produce. When they have worked this way for a few years and got a surplus of goods in the storehouse of the capitalists, then the slaves are turned out to grass and the capitalists live on the goods.—The Commoner.

Preachers and the Labor Exchange.

We can see no reason why every preacher should not be a Labor Exchanger. The Labor Exchange is more nearly in accordance with the teachings of Christ than most the religious creeds as practiced by the church denominations. Christ believed in labor, and labor is the corner stone in the Labor Exchange structure; Christ denounced the money changers, and the Labor Exchange is the most effective protest against usury; Christ associated with and helped the poor and lowly, and those are the people that the Labor Exchange helps; Christ fed the hungry, and so does the Labor Exchange; Christ practiced charity, and the Labor Exchange is the grandest charitable institution that ever existed; Christ denounced the rich oppressors, and entertains no unkind feeling against any person or class, yet it brings about the condition that makes it impossible for the rich to oppress the poor. The fact is, you can find pure Labor Exchange principles in every word and every action of the meek Nazarene.—Friend of Labor.

The Accountant: Those who labor produce all wealth, consequently every laborer is entitled to all the necessities and comforts of life. No article that adds to the comfort—either physical or mental—can be considered a luxury. Under the Labor Exchange system, when the producer retains the fruit of his toil, each person will find it necessary to give from the products of their own labor for everything they buy, hence no one will be silly enough to spend their earnings in the purchase of articles which are useless except to arouse covetousness and jealousy in the hearts of their neighbors. The manufacture and sale of dainty little shoes, gowns, collars, robes, etc., for pet dogs, will cease and no child will go half clad and barefoot; no woman will spend immense fortunes on costly robes and gowns to be worn on some special occasion and then thrown aside, but every woman will have as complete a wardrobe as her comfort demands; princely sums will not be spent in the decoration of dishes and tables for licentious and riotous feasts, yet none need go hungry. Luxury is a result of wage slavery and is in demand only by the idle, non-producing rich, consequently it will disappear with the system that gave it birth.

Progressive Thought: Cold weather is gradually drawing nearer and certainly there will be much suffering among the poorer people this winter because of the lack of food and shelter where it is most needed. How many of the idle people of the present are making an effort to provide against the time of need which will be at hand so soon? Think how much might be done within the next few weeks for the comfort of the poor if the people only could see and understand the correct methods of the Labor Exchange in working order! How foolish it is for everybody to demand the legal tender money which in no case can do anything except to help swindle the real producer out of a full share of his products! Let the watchword be "honest labor and fair exchange;" and then if it is carried out a greater relief will soon reach the needy than by all the so-called charities which can be received from the hands of a class of idle rich.

"The worst cold I ever had in my life was cured by Chamberlain's Cough Remedy," writes W. H. Norton, of Sutter Creek, Cal. "This cold left me with a cough and I was expectorating all the time. The Remedy cured me, and I want all of my friends when troubled with a cough or cold to use it, for it will do them good." Sold by R. S. Knowlton.

The HERALD does not contain an agricultural department because its columns are devoted entirely to news matter, but it gives *Free of Charge* to every cash in advance subscriber the best farm, fruit and dairy paper printed on the Pacific coast. The Rural Northwest is a sixteen page paper, published semi-monthly, and contains much of interest to those who are engaged in agricultural pursuits. For the regular subscription price of $2 in advance both THE HERALD and *Rural Northwest* may be received.

H. W. Gleason, the genial traveling man for the Chamberlain Medicine Co., called on us last week and renewed "auld acquaintance" with the best advertising medium in Coos county—the Old Reliable HERALD. The writer of this has held contracts with this firm for 20 or 25 years, almost continuously since the firm started in business. The HERALD is appreciated as an advertising medium by those who know a good thing when they see it. Mr. Gleason is a courteous gentleman, and judges quickly, hence there are no hesitancies in coming to an understanding with him.

A threatened conflagration at the Methodist church, Thursday evening of last week, caused considerable excitement among the choir members and pastor, the occasion being the explosion of one of the large Rochester lamps. The lamp had been giving threatening exhibitions for a few evenings previous, but on this occasion puffed and blowed, expelled the oil all ablaze around it and performed like a young volcano. If the ceiling had been low, the blaze must have undoubtedly set it on fire, while the persons present were busy extinguishing the dripping flames. Even the metal of the lamp melted, and the fact that there was comparatively little oil in the lamp at this stage of the trouble seemed to be the only opportunity for saving the church building.

A Splendid November Number.

Carroll D. Wright, the United States Commissioner of Labor Statistics, is charged by The New Time in its November number with having deliberately distorted facts and figures in order to show an increase in wages which does not exist. H. L. Bliss, an eminent authority, makes the charge, and adduces most sensational testimony to prove the truth of his statements. The New Time announces that it will completely prove the absolute worthlessness of Col. Wright's recent reports, and the falsity of his magazine article in which he attempted to refute the assertion that "the rich are growing richer and the poor are growing poorer."

The November New Time is by far the best number yet issued. It contains articles by such famous writers as William Dean Howells, John Wanamaker, Dr. Lyman Abbott, Henry D. Lloyd, Mrs. Helen Campbell, Herbert N. Casson, Prof. Frank Parsons, the Rev. J. Stitt Wilson and a score of others. Homer C. Davenport, the world's most famous cartoonist, has drawn for The New Time his latest conception of Mark Hanna. A fine portrait of Henry George, a new illustrated story by J. W. Sullivan, a cartoon by Walter Crane, and some stirring editorials by Fredrick U. Adams and B. O. Flower are features of this wide-awake reform magazine.

In order to enlarge and yet further improve the magazine, its editors have decided to form a stock company, and a prospectus will soon be issued offering for sale $10,000 of stock at par. This is a safe investment in a good cause, and will place The New Time at the head of American magazines. Its circulation has now reached the 40,000 mark, and Mr. Adams predicts 1,000,000 before 1900. The subscription price will remain the same, ten cents a copy and one dollar a year. The New Time is published by Charles H. Kerr & Company, 56 Fifth avenue, Chicago.

Forward all subscriptions to The HERALD office. We make a clubbing rate of $2.25 for The HERALD and The New Time.

IN MEMORIAM.

Whereas, It has pleased the Divine Ruler of the universe to remove from among us our beloved sister, Matilda Nosler;

Whereas, In her demise, Mamie Rebekah Lodge, No. 20, loses one of her active members—she has gone from us, but the memory of her true womanhood and unselfish life remains and ever shall remain in the memory of those with whom she has associated; her exemplary character in life commends itself to us as being worthy of emulation.

Resolved, That in her death the lodge loses a faithful and conscientious member, loved and respected by all, and no words of eulogy spoken by us or shafts of marble erected by dear or loving friends can add to the womanly worth of the life she lived, or cause to shine with brighter luster the deeds of love or words of benevolence she performed. These will live on, loved and cherished by generous and grateful hearts that have been touched and softened by the gentle influences of sympathy and charity.

Resolved, That Mamie Rebekah Lodge, No. 20, condoles most sincerely with the family of our deceased sister. If sympathy of friends can be any consolation under the trying circumstances, be assured that all who knew her, share in the sorrow for her loss.

Resolved, That the charter of this lodge be draped in mourning for thirty days; that a copy of these resolutions be transmitted to the husband of our sister, the same be spread upon the minutes of the lodge, a copy be furnished the Coquille City HERALD and Coquille City Bulletin.

Oregonian: The Japanese apply one of their many pretty ways to the launching of ships. They use no wine but hang over the ship's prow a large pasteboard cage full birds, and the moment the ship is afloat a man pulls a string, when the cage opens and the birds fly away, making the air alive with music and the whirr of wings. The idea is that the birds thus welcome the ship as she begins her career as a thing of life.

William Long, of Punxsutawney, Pa., 81 years of age, has a luxuriant growth of fine hair, like the hair of a three-year-old child. Two years ago he was as bald as a brass door-knob. He began washing his scalp regularly and rubbing it with a rough towel. A growth of fuzzy hair began to appear. Now it is four or five inches long and exactly resembles the hair of a child—fine, brown and glossy, with not a suggestion of gray.

5 DROPS

49 YEARS OF SUFFERING FROM RHEUMATISM.

Read carefully this testimonial found below, also letters from those who have been cured of other diseases, and remember that "5 Drops" has and can never fail to quickly relieve and permanently cure.

Sept. 9, 1896.

DEAR SIR:—Your bottle of "5 Drops" received. It was for an old friend, Mr. Wm. Edwards, of Martinstown, Wis. He has had Neuralgia in his chest, suffering a great deal of pain, so much so that it affected his heart and he could not sleep on account of a smothered feeling. He has been under the care of the most eminent physicians, but found no relief until I gave him a dose of "5 Drops." The very first night he rested well, and has ever since, and is gaining daily. I myself am 67 years old and began taking your medicine last April for Rheumatism, which I have had for 49 years, also for a weak heart. Since taking "5 Drops" the Rheumatism has all disappeared, the stiffness is gone from my joints, and my heart never misses a beat. I am to-day a well, strong woman, and I owe it to "5 Drops." I only wish I could sound my bugle of praise loud enough to be heard all over the world, and could convince every one that "5 Drops" is all you claim it to be and more.

Mrs. D. T. Carver, Winslow, Stevenson Co., Ill.

34 YEARS OF SUFFERING.

DEAR SIR:— JANUARY 2, 1897.

Over 34 years ago, I had Typhoid Fever, and barely escaped with my life. It left my system so shattered that I have had, ever since, Rheumatism and Throat Trouble, which gave me a terrible Cough. I had been unable to find any relief for these diseases, until I learned of your "5 DROPS", which I commenced taking only two months ago, and my cure has been indeed WONDERFUL. Already my cough has entirely disappeared, and the Rheumatism which for a few years past has threatened to make a cripple of me, is cured, and I am free from pain. This is the most wonderful and the cheapest remedy ever discovered. I am more thankful to you than words can tell and I want everybody to know what "5 DROPS" has done for me. Although I am over 70 years old, I am feeling better than I have in years.

I shall be glad to answer any questions regarding my case from anyone enclosing a two-cent stamp. Gratefully yours,

MRS. SAMUEL RIBLET, Litchfield, Mich.

CATARRH AND HAY FEVER.

I find the bottle of "5 DROPS" to be very good and just what you claim. My wife has been suffering with Catarrh and Hay Fever over 16 years. She has tried everything and doctored much, but no cure until she tried "5 DROPS" which completely cured her.

Yours truly REV. L. YONWALD,
March 31, 1896. Milbank, S. D.

NEURALGIA AND SCIATICA.

For twenty long years my wife suffered untold tortures from Sciatica and Neuralgia, and I thank God for the day that your heaven-sent remedy fell into my hands, for it completely cured her. I am a minister of the Gospel, and when I find any who suffer, cannot help but recommend "5 DROPS", for I know it will do more than you claim for it.

REV. F. M. COOPER, Washington Center, Mo.

PARALYSIS AND RHEUMATISM

DEAR SIRS; NOVEMBER 9, 1896.

It is with pleasure I speak of your priceless remedy and of the good it has done me. For the last eight years I have been an incurable cripple from paralysis and rheumatism. Just think, for eight years a total cripple, not able to earn a penny nor able to walk or step on the ground without the aid of something to lean on. Heaven bless the man who discovered this remedy, for, thanks to him and to God, I am able to walk and able to work. I have only taken two-thirds of a bottle, but have not had any pain in my back since I took the first dose, and after the second I walked across the floor, which I have not done in years. I have thrown away my cane and shall never need it again. To any one sending me a two-cent stamp I will send my affidavit. I have another bottle of "5 DROPS" and value it at $1.00 per drop.

Thankfully yours, EDWARD CASTLE,
1008 Wall Street. Sioux City, Iowa.

INFLAMMATORY RHEUMATISM.

DEAR SIRS: SEPTEMBER 24, 1896.

I wish to tell you and suffering humanity how much good "5 DROPS" has done me. On the beginning of this year I took down bedfast with Inflammatory Rheumatism, and I was doctored by as good physicians as this country has, but they could not cure me. On August 4, I began to take "5 DROPS." At that time every joint in my body and my limbs were stiff, so that I could not be moved. Even my tongue was getting so that I could hardly speak so any one could understand me, but to-day, only seven weeks from that time, I am absolutely cured, and thank you and God for my recovery.

Gratefully yours,
HORACE F. ANDERSON, McCracken, Kans.
