Blood Pure?

Is it? Then take Ayer's Sarsaparilla and keep it so. Isn't it? Then take Ayer's Sarsaparilla and make it so. One fact is positively established and that is that Ayer's Sarsaparilla will purify the blood more perfectly, more economically and more speedily than any other remedy in the market. We have a large label to print for one of our apple shippers, which is a good move, as the fruit will then go into the city market having the name of the shipper and the place from whence they came firmly fastened to the box. Much of the fruit finding its way from this section to the city is represented as coming from northern California, and this work has operated in hindering the fact becoming known to fruit dealers as to our nearness and advantages in shipping produce to them. This labeling suggestion comes from the managers of the Labor Exchange in the city, a courteous, fair dealing and honorable person.

No "cinching" perpetrated—just straight, fair dealing.

R. D. Sanford brought us in a sample of his prune crop last Wednesday, which we are sure will compare with the best anywhere. These are cured in his own dryer, under his own supervision, and seem to be without fault in any particular. He gave us samples of three kinds, German, Italian and Petite. A friend recently visiting Roseburg brought in some of the best grade German prunes from that section, which ran 40 to the pound. Mr. Sanford, without grading, ran 30 to the pound. They are large, with very small seeds, and delicious in flavor and for table use. We are glad to know also that Mr. Sanford will dispose of his crop right here at home—will have no occasion to seek a market elsewhere.

Dear little brown eyes fallen asleep, Never again to awaken or weep— Never to wrestle with pain; Little hands folded in silence and chill, Little feet restless, forevermore still, Never to patter again.

Dear little bud, thou only wast given A brief stay on earth to blossom in Heaven. To lead us the Christ-trodden way; Sooner or later we'll look for thine eyes Meeting our own in a loving surprise, Meeting our own in a loving surprise, In the regions of infinite day.

O, for the glorious rest thou hast won! O, for the praises so sweetly begun, Thy pure infant lips to attune; Great was the love of our Saviour to thee, Saying: "Let children come unto me," O, loveliest blossom of June!

We'll not forget thee, beautiful boy, Earth hath its treasures; But thou wert our joy. Our bud in the garden of love; And though thou art gone to thy home in the skies, We'll claim thee again, dear little brown eyes In the Christ-prepared mansions above.

UNCLE ZEKIEH OBEAR, assessor and tax collector, Beverly, Mass., who has passed the 80th life mile stone, says: "Dr. Miles' Restorative Nervine has done a great deal of good. A friend recommended Dr. Miles' Nervine, and I purchased a bottle under protest as I had tried so many remedies unsuccessfully. I thought it no use. But it gave me restful sleep, a good appetite and restored me to energetic health. It is a grand good medicine, and I will gladly write anyone inquiring, full particulars of my satisfactory experience."

We live in a country of which the principal scourge is stomach-trouble. It is more wide-spread than any other disease, and, very nearly, more dangerous.

One thing that makes it so dangerous is that it is so little understood. If it were better understood, it would be more feared, more easily cured, less universal than it is now.

So, those who wish to be cured, take Shaker Digestive Cordial, because it goes to the root of the trouble as no other medicine does. The pure, harmless, curative herbs and plants, of which it is composed, are what render it so certain and, at the same time, so gentle a cure.

It helps and strengthens the stomach, purifies and tones up the system. Sold by druggists, price 10 cents to \$1.00 per bottle.
