A large number of suits have been instituted the past few days against citizens of this place and vicinity, by the railroad company, on notes given for subsidy subscriptions.

Mrs. E. Heuckendorff and son returned to their home from San Francisco per steamer Arcata last week. The son, Carl, had been in hospital there for some surgical attendance.

Exports from Marshfield, says the Mail: The Arcata took this trip from Marshfield warehouse, 379 boxes apples, 16 cases cheese, 3 boxes butter, 50 sacks potatoes, 27 bundles green hides, and eleven barrels empty bottles, also a quantity of household goods.

After a day's lull, the storm set in again Sunday evening, giving us an almost continuous play of the elements for a fortnight. The ocean is fearfully rough and tossing the craft as if they were playthings. Vessels are going out at every opportunity and braving the chances of safety in their line of duty.

Bandon Recorder: Whoop up that steamboat proposition! If the Coquille valley wants prosperity her citizens must work for it. The time is past for waiting for something to turn up. If we rely on our own resources and work with a will we will succeed, otherwise we will retrograde rather than progress.

Our "Marshfield Musings" are interesting, as also a correspondence, inasmuch as they touch on topics of interest to the people—straws, pointing, as it were, at local conditions that will take form and "work the county" in the same manner—but about which the local papers make no mention and dare not. Read up, fellow-citizens.

From now on E. Pannenberg, esq., will take charge of the business management of the Coquille City Herald and the Herald Land and Loan Company, and he respectfully asks all who are in arrears on subscription or otherwise to please call on him at an early day at his office in the HERALD building. He proposes to make paying for your subscription easy to you by contracting for anything that you can produce.

Rev. C. A. Stine has been called as minister to the Christian church congregation at this place for another year. Mr. C. has served faithfully and well, and while the organization is weak of itself, he influences large and respectful attendance, and is bringing about an era of unity and good feeling in the church. The Sunday-school is prosperous, the C. E. is active, and all the members and friends can find plenty to entertain and employ them in the line of Christian duty.

The burden of labor is constantly being frightened by new inventions, but nothing new has yet been discovered to brighten the hours of labor, and make life worth living like Simmons Liver Regulator does. It's the King of Medicines. A sluggish liver depresses one's spirits and causes languor, besides upsetting the whole system. But Simmons Liver Regulator tones up and strengthens the body.

Enterprise: In a visit Thursday to the office of Orvil Dodge, U. S. commissioner, and historian of the Pioneer Association of Coos and Curry Counties, we found Mr. Dodge and daughter, Miss Daisy, very busy compiling and arranging the manuscripts of the forthcoming history, in shape for the printer. We perused the valuable data and manuscripts that have been diligently and carefully collected by Mr. Dodge especially for this work, and was at once greatly interested in the work and thoroughly impressed with its magnitude and importance. It will be a work of which the Pioneer Association and the people in general of Coos and Curry counties may well feel proud. The manuscripts will soon be submitted to a special committee of the association for final inspection and revision before it is sent to the printer.

Major and Mrs. H. A. Ebert and Miss Clara Murray, of God's Regular Army at Marshfield, arrived here yesterday to conduct a series of meetings in preparation for the establishment of a post on Wednesday night, 29th inst. A service was held in the Christian church last night, and another will be held tonight, to which all are cordially invited.

L. L. Deitz, who lives on Judge Nosler's place on North Side, is unfortunate with his team. He has had several runaways, bringing him more or less damage each time, besides the risks and danger to person and life. Last Wednesday the team took a spin at the ranch, and in an effort to leap a picket fence, the mare alighted on the fence and a picket penetrated through the intestines and into the liver, killing her almost instantly. Of course it is a loss to Mr. Deitz, but possibly is a great saving ultimately, if he had to continue handling such stock.

Miss Rita Sinclair has received several photographic views from Alaska, from her mother, some of which are very pretty, as pictures, but oh, so cold-looking and forbidding. One shows a scene of pack-horses that have been turned out to die in the bleak, barren, and frigid wilds after their faithful service to man. Miss Rita gave us two copies of The Skaguay News, November 12th and 19th issues, which are quite interesting and show much enterprise and courage on the part of the editor and proprietor, M. L. Shery. The advertising patronage is liberal. We thank Miss Rita for her kindness.

When wear begins to exceed repair in your body you are going to fall sick. The signs of it are: loss of flesh, paleness, weakness, nervousness, etc. The repair needed is food. You think you eat enough, and yet you feel that you were out more tissue, energy, nerve-force, than your food makes for you. The difficulty is that you do not digest enough. And this is so serious it is worth sitting down seriously to think about. If you can't digest what you eat, take a few doses of Shaker Digestive Cordial. The effect of it will be to increase your flesh and make you feel stronger. You won't fall sick. Proof that it is in control of your repair apparatus. It's easy enough to test this for yourself. Take a few bottles of Shaker Digestive Cordial.

Sold by druggists at 10 cents to \$1.00 per bottle.

Her Health Restored

THE misery of sleeplessness can only be realized by those who have experienced it. Nervousness, sleeplessness, headaches, neuralgia and that miserable feeling of unrest, can surely be cured by Dr. Miles' Restorative Nerve. So certain is Dr. Miles of this fact that all druggists are authorized to refund price paid for the first bottle tried, providing it does not benefit. Mrs. Henry Evans, wife of the well known blacksmith at Grand Junction, Iowa, says: "I was troubled with sleeplessness, nervousness, headaches and irregular menstruation; suffering untold misery for years. I used various advertised remedies for female complaints besides being under the care of local physicians, without help. I noticed in Dr. Miles' advertisement the testimonial of a lady cured of ailments similar to mine, and I shall never cease to thank that lady. Her testimonial induced me to use Dr. Miles' Nerve and Nerve and Liver Pills, which restored me to health. I cannot say enough for Dr. Miles' Remedies."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

"Pretty Pill" says Pretty Poll

She's just "poll parrotting." There's no prettiness in pills, except on the theory of "pretty is that pretty does." In that case she's right.

Ayer's Pills do cure biliousness, constipation, and all liver troubles.
