Holes in Your Health.
What does that mean? Suppose you are taking in money all day, and drop it into a pocket with holes; you will find yourself a loser instead of a gainer by the day's business. Same with your health. You eat and drink and sleep, yet lose instead of gain strength. There's a hole in your health. Some blood disease, probably, sapping your vitality. You can't begin, too soon, to take the great blood purifier,
Ayer's Sarsaparilla.

Dr. Moore has received a supply of trusses, the most practical of anything of the kind ever invented. If you have any difficulty in getting one to suit, call and have one fitted that will do the work.

Elder Farrar, the Baptist minister who was announced to preach at this place last Sunday, failed to reach us, but conducted services on the lower river. He is announced now to preach here at the Christian church next Thursday night, and at Fishtrap Friday night, Dec. 31st. He is said to be an able preacher.

Mr. and Mrs. Anton Wirth spent Sunday at this place. They had been visiting friends and old neighbors at Myrtle Point a few days, returning here to visit the Deans before going to their home on the bay. Gilman, who has been in our section for some months, and whom we have mentioned heretofore as an expert navigator, boat-builder, machinist and all-round genius, is again among us after spending several months at Bandon and in Curry county, prospecting for the construction of a 70-foot schooner for the Klondike.

The boat is for a party going out in the spring. Mr. G. has also received patents for valuable inventions, a stop-block and a self-reefing sail.

There are several rumors regarding Beaver Hill and the mining business. One is to the effect that a change of management is on the tapis; while it is certain that an inspection of the affairs of the company and experting of the management is on, whether of good or ill-boding is only known to the principals. All contracts are said to be suspended and the mines will be shut down. These last mentioned features we regret, but to remove the British flag, and proclaim the colony free and independent and attached to Coos county, Oregon, for judicial, commercial and political purposes, are much to be desired.

Rev. Mrs. Lucy Catlip, of the United Brethren church at Myrtle Point and other upper-river neighborhoods, preached at the Christian church in this place last Sunday night to a large and appreciative audience. Mrs. C. had been visiting at Mr. and Mrs. Geo. Martin's last week and started Saturday on her way back to fill an appointment at Catching creek, but when crossing the bridge near Mr. Martin's, the horse's foot went through an opening in the bridge, causing him to fall and throwing Mrs. Catlip with considerable force upon her left shoulder. No serious injury resulted, but Mrs. C. concluded to stay and so preached Sunday night.

The remains of Rev. S. S. Barklow were entombed at the cemetery at Norway last Sunday, at 11 o'clock, followed by a large concourse of relatives, neighbors and citizens, from the upper and lower river points. Rev. George Carl conducted the services and preached the funeral discourse. For several days preceding Mr. Barklow's death and up to the day before, he seemed to be improving and had a prospect of recovering, but the Death Messenger came suddenly and unexpectedly and laid his icy hands upon him and called him hence. But the messenger came not as an enemy and dread foe, for our beloved brother was knowing in whom he had trusted and that he was going home—he had fought the fight and kept the faith.

After meals you should have simply a feeling of comfort and satisfaction. You should not feel any special indications that digestion is going on. If you do, you have indigestion, which means not-digestion. This may be the beginning of so many dangerous diseases, that it is best to take it in hand at once and treat it with Shaker Digestive Cordial. For you know that indigestion makes poison, which causes pain and sickness. And that Shaker Digestive Cordial helps digestion and cures indigestion. Shaker Digestive Cordial does this by providing the digestive materials in which the sick stomach is wanting. It also tones up and strengthens the digestive organs and makes them perfectly healthy. This is the rationale of its method of cure, as the doctors would say. Sold by druggists, price 10 cents to \$1.00 per bottle.

The social given at the Christian church last Friday night, notwithstanding the inclement weather, was a well attended and most pleasant affair. The program consisted of several beautiful songs well given and some pleasing recitations as follows: Song by the choir—"Some Day"; prayer by Rev. C. A. Stine; song, "Sound the Battle Cry"; recitation by little Eva Sugg—"Maybe You Do, but I Doubt"; recitation by Leta Barrows—"The Missionary Box"; duet by Misses Grace Skeels and Lilly Wilson—"The Cows Are in the Corn"; solo by little Eula Price—"I'm So Shy"; recitation by Rita Sinclair—"Asleep at the Switch"; song by the choir—"Walk in the Light." The recitation and song by the little tots, Eva Sugg and Eula Price, were charmingly given and heartily applauded. After the program a very pleasant social time was had, lasting till about 10:30 p. m., during which refreshments were served.

Close of Our Public School.
Our public school closed for the holiday vacation with appropriate and interesting exercises last Friday afternoon, with a large attendance of the pupils of the three departments and a few of the patrons as an audience. Few of the parents or citizens could attend, owing to the already crowded and unsafe condition of the building from the consolidation of the several departments of the school into one room, but those who were fortunate enough to get in were well repaid for their presence and enjoyed the exercises. The school was never so prosperous and successful before, nor the attendance and interest so prompt, full and marked as during this term. The following was the

PROGRAM OF EXERCISES.
Opening song by the school; recitation by Henry Adams; recitation by Agnes Wheeler; acoustic exercise—Santa Claus—by Gertie Kroll, Wiley White, Ella Johnson, George Walker, Reva Seed, Linnie Franz, Dale Mynott, Cora Strang, Mary Simmons, Ray Dunham, little folks from Miss Bentley's room; recitation by Nellie Myers; select reading by Oliver Wilson; recitation by Clinton Yoakam; recitation by Vivian Gage; presentation address by Miss Effie Collier; song by school choir; select reading by Earl Elliott; recitation by Lizzie Todd; recitation by Clarence White; recitation by Lillian Martin; recitation by Willie Johnson; recitation by Jennie Livesay.

A nice feature and an agreeable surprise to Principal Hawkins was the hitch in the program when Miss Effie Collier was announced to give a recitation. The young lady, who is a favorite on the program, instead presented Prof. Hawkins with a handsomely bound volume of Burns' poems, a gift from the algebra class, accompanied by a brief presentation address, expressed in kindly sentiment and charming words.

At the close of these exercises, Prof. Hawkins called upon friends in the audience to say something. Mrs. Nora Good was called first, who responded with some very appropriate, intelligent and encouraging remarks, mutually appreciated by teachers and pupils. Miss Bentley extended a greeting of merry Christmas and happy New Year to all the pupils. Prof. Noster spoke a few words and also extended seasonal greetings. Messrs. Collier and McEwen of the directors were present, the former throughout all the exercises. Prof. Hawkins concluded the exercises with congratulations and kindly admonitions to govern during the vacation, and expressions of hopefulness for the coming term.

La Grippe,
Followed by Heart Disease, Cured by DR. MILES' HEART CURE.

DR. MILES' REMEDIES, of Winterset, Iowa, inventor and manufacturer of Shaker's Safety Whistle and Compound, writes of Dr. Miles' Heart Cure. "Two years ago an attack of La Grippe left me with a weak heart. I had run down in flesh to mere skin and bone. I could not sleep lying down for another spell; frequent sharp darting pains and palpitation caused a constant fear of sudden death, nothing could induce me to remain away from home over night. My local physician prescribed Dr. Miles' Heart Cure and in a few days I was able to sleep well and the pains gradually lessened, and finally ceased. I reduced the the doses, having gained fifteen pounds, and am now feeling better in every way than I have for years."
