The Shakers of Mount Lebanon, a community of simple, honest, God-fearing men and women, have prepared the Shaker Digestive Cordial for many years, and it is always the same, simple, honest, curative medicine that has helped to make the Shakers the healthy, long-lived people that they are. The Shakers never have indigestion. This is partly owing to their simple mode of life, partly to the wonderful properties of Shaker Digestive Cordial. Indigestion is caused by the stomach glands not supplying enough digestive juice. Shaker Digestive Cordial supplies what's wanting. Shaker Digestive Cordial invigorates the stomach and all its glands so that after awhile they don't need help. As evidence of the honesty of Shakers Digestive Cordial, the formula is printed on every bottle. Sold by druggists, price 10 cents to \$1 per bottle.

Word reaches us through Hon. Thomas Buckman, that Dr. Joseph Casto, of Carns, Oregon, representing the Grange, and also the Lower Columbia Fire Relief Association, a mutual insurance organization exclusively among the farmers and under the patronage and management of the Grange, will be in Coos county the latter part of this month to work in the interest of the Grange. Of course our citizens need no special commendation to the principles of that solid, intelligent, practical and reputable organization, the Grange, and we are authorized to say that the doctor is the state lecturer, an able and intelligent worker in the cause, and will be well worth hearing in his presentation of the claims of his order and its advantages to the farmer as co-operative in its insurance risks and reform work. The Herald will publish his dates as soon as received.
