THE LABOR EXCHANGE.

The Nail on the Head.

Here are three little paragraphs I wish you would carefully analyze and think about. See if you can find where the joke is. Speaking of the great holiday shopping in Boston, the Washington Post says:

Of course Boston's fly cops knew the pickpockets and bunco men would be thicker than mosquitoes on the Jersey coast, and all the best detectives were concentrated along Tremont and Washington streets in the heart of the shopping district, to protect the countrymen from the hungry Joe clan. Joe Knox, the prince of detectives, told me he stopped a dozen of the fraternity and gently led them to the railway station, where they took the first train out. If it hadn't been for the splendid work of the police there would have been an awful amount of crooked work.

But the merchants and their rural guests had better than a Roman holiday. The guests came to town on half-fare railroad tickets, and during their stay every theatre in the city let them in at half price on presentation of their tickets, while two or three gave them the privilege gratis. Boston has bagged the entire game and the lesser cities will long mourn the destruction of their Christmas trade, A. D. 1897.

The only people in New England who are not satisfied are the merchants in the smaller towns within a radius of 100 miles of the hub. They are sore to the quick.

To me the joke appears to be in the fact that the police only held off one set of sharpers, that another might "bag the whole game."—Thoughts, by "Your Uncle," in Appeal to Reason.

The Sensible Plan.

The co-operative system is showing its beneficent influence to a very marked degree upon the children of Ruskin. In public schools on the outside all children are forced to take practically the same course of study. They are put into school in much the same manner that grain is put into the hopper of a mill. Inclination, taste and aptitude for certain branches cut no figure. All must be run through the same mill and pass through the same sieve. In Ruskin all this is changed. The child who prefers and has an aptitude for music, and no talent for algebra, may devote a great part of his or her time to the former, and is not forced to agonize over the latter; the one who has a talent for art is not compelled to put in weary years on Latin, history or the sciences. All are expected to acquire a general knowledge of the "common branches" as a basis for further study, and then they are at liberty to pursue such cources as they seem fitted to master. This system develops the best there is in a child. He is more interested, more happy, and will become far more useful. There are some of us old stagers who understand the rationale of socialism, but can never hope to be able to practice it in all its beauty. We do the best we can, and leave to our children the task of carrying the system to a higher ethical and practicle plane, in the hope that their surroundings and education will fit them to take up the work where we lay it down. That this hope is not illusive is demonstrated more fully every day in Ruskin.—Coming Nation.

Commonwealth: "Free America" is a myth, and will continue to be until all that is free for the enjoyment of all the people, untrammeled by laws enacted for the benefit of the few.

Preferred a Mortgage

A Swede came into a lawyer's office one day and asked:

"Is hare ben a lawyer's place?"

"Yes, I'm a lawyer."

"Well, Master Lawyer, I tank I shall have a paper made."

"What kind of a paper do you want?"

"Well, I tank I shall have a mortgage. You see, I buy me a piece of land from Neils Peterson, and I want a mortgage on it."

"Oh, no. You don't want a mortgage; what you want is a deed."

No, maister, I tank I want mortgage. You see, I buy me two pieces of land before, and I got deed for dem, and 'nother fellow came along with mortgage and take the land; so I tank I had better gat mortgage this time."—S. F. Call.

Thursday morning last another rain set in, after a lull of several days, and a sprinkle of sleet came with it, so that we might know that winter season is on. In writing up the masquerade given by the Woodmen New Year's eve, we neglected to mention one of the most important features, and that was the midnight supper at Hotel Coquille. Captain and Mrs. Butler excelled any former effort, and had a host of patrons. There was nothing missed that could be had in the market, and this valley is not stinted in furnishing either quantity, quality or variety. The table provided a banquet of surpassing excellence, and the guests are loud in their praise of Hotel Coquille.

Brother E. J. Coffelt informs us that the Labor Exchange on South slough has received the machinery for a new sawmill on their tract from a manufacturing branch Exchange in Ohio, costing $1034. The freight bill was $200. The Exchange has already filed orders from California for fencing lumber, posts, pickets, box lumber, etc., for other Exchanges, and in order to assure their trade, and meet any obstacles or opposition that may arise from shipping combines, a a ship will be built for their own special use, an Exchange in California having subscribed $950 for that use, and given the assurance of help from several others.

Mr. and Mrs. A. A. Leach were remembered Christmas by nice presents from their daughter Lora (Mrs. Charles Harrington), from San Diego, California. That to her mother is especially handsome and acceptable, being a landscape painting of her own skill. It is a very pretty design and exceedingly well executed. That to her papa is a section of palm stem, rustic in form and with a boquet of flowers painted thereon. It is both unique and pretty. We are somewhat surprised at the artistic ability of Lora, for we never knew that her tastes ran in that direction, and this work exhibits much artistic merit.

S. W. O. Reporter: Prof. Marvin O. Hawkins, principal of the Coquille City graded school, was down to visit his parents on a brief vacation. His school opens on Jan. 3d for a three months, extention. Marvin came to Floras creek with his parents when a mere stripling of a lad, and attended our public schools, making, as the sequel proves, diligent use of his opportunities. Later he entered the Monmouth Normal, graduating, we believe, at the close of his second term in attendance there. He has devoted himself successfully to teaching, and it is decidedly to his credit that he has reached the principalship of a school like that which he is now presiding over.

Good judges pronounced it a linx. We saw many tracks of catamounts and they are catching sheep all about this section, and if something is not done soon to exterminate these pests, much trouble and loss will be caused to sheep men. One caught a grown sheep for Wm. Krantz the other night; another caught one for Wm. Smith.

John Hendricks arrived Saturday from Juneau, Alaska, on a short visit. He intends returning to Alaska about the 1st of March.

At the regular communication, held in Masonic hall, Dec. 27, 1897, the following officers were installed: W. F. Elrod, W. M.; E. A. Anderson, S. W.; A. R. Tenbrook, J. W.; D. L. Rodd, secretary; W. D. L. F. Smith, J. D.; A. G. Brown, tyler.

The hall was well filled on the occasion of the masquerade ball, given by Baker post, G. A. R., Saturday night. The maskers were numerous, and the fun was kept up until early next morning. The net receipts are in the neighborhood of $120, which is a welcome addition to the funds of the post.

Walter Duggan, of Empire, enjoyed a rare treat on New Year's day, consisting of a box of ripe strawberries, sent to him by Tom Wyman, of Cape Arago. The berries were raised in the open air, a fact which ought to convince the most incredulous that the climate of this section is hard to beat.

Wrenn, M. at A.; Jas. Watson, 1st M. G.; Frank Campbell, 2d M. G.; Geo. Black, sentinal; A. Josephson, picket.

A prisoner in Curry county says that a prisoner's life is not such an unhappy one. He says that one of his fellow-prisoners is running a ferry-boat, another is mining some 12 miles up the river, and a third is whiling away the tedious hours and earning a few honest dollars playing poker at the only hotel in town, while he divides his time between the latest papers and strolling about the country, only seeking shelter in the county jail when inclement weather drives him in.

Even the jackrabbit will turn. One that was being chased in the streets of Garfield, Washington, last week attacked its pursuers. It was finally released because of the defense it had made.

As Others See Us.

Among the passengers arriving on the steamer Chilkat Monday morning was Capt. W. C. Harris, who it will be remembered took his little steamer Ruth to do service in Coos bay early in the year. Capt. Harris comes on a visit to relatives and may conclude to prolong the visit indefinitely. He expresses himself as highly pleased with southern Oregon; thinks nature has done more for that region than for any other portion of the Pacific coast, but still it is not Humboldt. As an apple and potato growing country it is at the present time what Humboldt was a quarter of a century ago.

Capt. Harris says ye of Humboldt bay don't know what clams, mussels and rock oysters are. Years ago Captain Simpson introduced eastern clams to Coos bay waters, and they are far superior to any produced here, and so abundant that a man can dig a half dozen bucketsful in an hour. He thinks it would be well worth while to introduce them here, and it can be easily done by returning Portland seamers.

Wedding Bells.

North Fork, Jan. 6.—Once more the marriage bells have sounded forth their glad tidings of hearts made happy. George Morehouse, one of our most exemplary young men, and Miss Lula Hall, one of Coos county's fairest daughters, were joined in holy bonds of matrimony at the home of the bride's parents, Mr. and Mrs. Wm. S. Hall's elegant farm, on the North Fork of Coquille river, on January 2d. The wedding was attended and enjoyed by a number of the relatives. The dinner was exceptionally good—just such an one as any one acquainted with Mr. and Mrs. Hall might expect at their pleasant home. The marriage ceremony was performed by Rev. H. S. Epperly, pastor of the U. B. church.

5 DROPS

49 YEARS OF SUFFERING FROM RHEUMATISM.

Read carefully this testimonial found below, also letters from those who have been cured of other diseases and remember that "5 Drops" has and can never fail to quickly relieve and permanently cure. Sept. 9, 1896.

DEAR SIR:—Your bottle of "5 Drops" received. It was for an old friend, Mr. Wm. Edwards, of Martinstown Wis. He has had Neuralgia in his chest, suffering a great deal of pain, so much so that it affected his heart and he could not sleep on account of a smothered feeling. He has been under the care of the most eminent physicians, but found no relief until I gave him a dose of "5 Drops." The very first night he rested well, and has ever since, and is gaining daily. I myself am 67 years old and began taking your medicine last April for Rheumatism, which I have had for 49 years, also for a weak heart. Since taking "5 Drops" the Rheumatism has all disappeared, the stiffness is gone from my joints, and my heart never misses a beat. I am to-day a well, strong woman, and I owe it to "5 Drops." I only wish I could sound my bugle of praise loud enough to be heard all over the world, and could convince every one that "5 Drops" is all you claim it to be and more.

Mrs. D. T. Carver, Winslow, Stevenson Co., Ill.

34 YEARS OF SUFFERING.

DEAR SIR:— JANUARY 2, 1897.

Over 34 years ago, I had Typhoid Fever, and barely escaped with my life. It left my system so shattered that I have had ever since, Rheumatism and Throat Trouble, which gave me a terrible Cough. I had been unable to find any relief for these diseases, until I learned of your "5 DROPS", which I commenced taking only two months ago, and my cure has been indeed wonderful. Already my cough has entirely disappeared, and the Rheumatism which for a few years past has threatened to make a cripple of me is cured, and I am free from pain. This is the most wonderful and the cheapest remedy ever discovered. I am more thankful to you than words can tell and I want everybody to know what "5 DROPS" has done for me. Although I am over 70 years old, I am feeling better than I have in years.

I shall be glad to answer any questions regarding my case from anyone enclosing a two cent stamp. Gratefully yours,

MRS. SAMUEL RIBLET, Litchfield, Mich.

CATARRH AND HAY FEVER.

I find the bottle of "5 DROPS" to be very good and just what you claim. My wife has been suffering with Catarrh and Hay Fever over 10 years. She has tried everything and doctored much, but no cure until she tried "5 DROPS" which completely cured her.

Yours truly REV. L. VON WALD,
March 31, 1896. Milbank, S. D.

NEURALGIA AND SCIATICA.

For twenty long years my wife suffered untold tortures from Sciatica and Neuralgia, and I thank God for the day that your heaven-sent remedy fell into my hands, for it completely cured her. I am a minister of the Gospel, and when I find any who suffer, cannot help but recommend "5 DROPS", for I know it will do more than you claim for it.

REV. F. M. COOPER, Washington Center, Mo.

PARALYSIS AND RHEUMATISM

DEAR SIRS: NOVEMBER 9, 1896.

It is with pleasure I speak of your priceless remedy and of the good it has done me. For the last eight years I have been an incurable cripple from paralysis and rheumatism. Just think, for eight years a total cripple, not able to earn a penny nor able to walk or step on the ground without the aid of something to lean on. Heaven bless the man who discovered this remedy, for, thanks to him and to God, I am able to walk and able to work. I have only taken two-thirds of a bottle, but have not had any pain in my back since I took the first dose, and after the second I walked across the floor, which I have not done in years. I have thrown away my cane and shall never need it again. To any one sending me a two-cent stamp I will send my affidavit. I have another bottle of "5 DROPS" and value it at $1.00 per drop.

Thankfully yours, EDWARD CASTLE,
1005 Wall Street. Sioux City, Iowa.

INFLAMMATORY RHEUMATISM

DEAR SIRS: SEPTEMBER 24, 1896.

I wish to tell you and suffering humanity how much good "5 DROPS" has done me. On the beginning of this year I took down bedfast with Inflammatory Rheumatism, and I was doctored by as good physicians as this country has, but they could not cure me. On August 4, I began to take "5 DROPS." At that time every joint in my body and my limbs were stiff, so that I could not be moved. Even my tongue was getting so that I could hardly speak so any one could understand me, but to-day, only seven weeks from that time, I am absolutely cured, and thank you and God for my recovery.

Gratefully yours,
HORACE F. ANDERSON, McCracken, Kans.

If you have not sufficient confidence after reading these letters to send for a large bottle, send for a sample bottle, which contains sufficient medicine to convince you of its merit.
