W. Drane, John Goodman and J. H. Cecil last Thursday accompanied County Surveyor Cathcart to lay out a road along the foothills below Beaver slough. It will occupy several days.

Uncle W. L. Hayter was down from Arago last week and honored this office with a call. Mr. H. takes advantage of our clubbing rates and gets a good supply of news and general reading matter at small cost.

Uncle Jack Laird called at our sanctum last Friday and stated his platform as a candidate for county commissioner. He puts it this way: "WAR DECLARED! — not against Spain, but on muddy roads. Now see the mud fly!"

Andrew Lukens and Uncle Jack Wilson returned Tuesday evening of last week per steamer Jennie. The former came from Santa Barbara county, Cal., and the latter from San Francisco. Business affairs are at a bad stage.

Last Wednesday evening our Court Coquille, No. 18, Foresters of America, held festivities at their hall and entertained a large delegation of Bandon Court and other visiting friends. The steamer Fawn was chartered and brought the lower-river delegations.

Thursday last Miss Lilly Wilson presented Principal Hawkins, of the high school, with a pointer for blackboard and chart work. The staff of the pointer is beautifully polished yew wood, with a dark myrtle knob. The professor was greatly pleased with the present.

The Sun says the Coast Mail press was damaged by the late fire so badly as to be useless; that it was taken out warped and ruined. The red coat, too, was saved, but the Irish tory who wore it wasn't dragged out, so far as we can learn; he was detested by all and left to his fate.

Capt. Boone, of Sumner, was being pushed by many friends as a candidate for sheriff on the Populist ticket, but he got wind of it and earnestly declines. He wrote a patriotic and candid letter to Secretary Stanley, of the Populist county committee, in which he shows himself a true Populist and a good and worthy citizen whom the people would be glad to honor with their suffrages.

J. J. Wehrley, of San Jose, Cal., arrived at this place last Wednesday, via the bay, representing a new fraternal and co-operative insurance order, The Fraternal Aid Association. Mr. W. called at this office and besides giving us information regarding the association which is new to us, also talked of familiar scenes and events at San Jose, our place of residence for awhile, which was very agreeable. We shall mention elsewhere today more concerning the association he is organizer for.

Coos Bay News.

Martin Miller, formerly of Sumner, is logging on Puget sound.

Hugh Coke is in Honolulu, and likes the climate, etc., so well that he will probably settle there.

The logs in Isthmus slough, brought via the railroad from Coquille, have been purchased by A. M. Simpson and E. B. Dean & Co.

The steamer Jennie, in the Coquille-San Francisco trade, has been refusing trade on the Coquille, giving as a reason that she was ordered to load with coal. It will be a great loss if the farmers' apples and potatoes are allowed to rot for want of transportation.

James Rolandson has received a letter from Clyde Lightner, written at an Alaskan port. Clyde is 1st assistant engineer on the Chilkat, at a salary of $90 per month. He has had several chances to go on other boats at an increase of wages, but has decided to stay with the Chilcat. His letter confirms the stories regarding the large number of tough characters at Skagway.

The slope in R. A. Graham's coal mine, was down 450 feet on Saturday and work is being pushed with all possible speed in extending it. Hugh McLain, superintendent, intends to start two gangways about March 10th. He is at present hiring all the men that he can work to advantage, and will have room for more in the near future. The coal is a superior article, and the roof is all that could be desired.

Supt. Fred McLain noticed smoke issuing from the warehouse, at the R. R. depot, Monday night, and on investigation found a bale of hay on fire. He promptly removed the hay and extinguished the fire. Considerable powder was stored in the warehouse at the time, ready for shipment to the mine the following morning. Up to the present the origin of the fire remains a mystery.

Coos Bay Creamery.

The Coos Bay Creamery received from April 1st to Dec. 18, 1897, 2,111,858 pounds of milk and 76,794 pounds of cream, which by test contained 95,978 pounds of butter fat, and made 89,325 pounds of butter and 43,219 pounds of cheese.

RECEIPTS.

Gross sales of butter, cheese and skimmilk	$24,891 43

DISBURSEMENTS.

Paid patrons for butter fat and skimmilk	18,075 23
For stock hogs and attending to them	775 84
For freight and commission on butter, cheese and hogs	1,861 42
For supplies and expenses of creamery	2,749 66
Interest on capital stock, taxes and salaries of officers, and general expense	1,141 35
Placed in sinking fund	287 93
Total	$ 24,891 43

The above figures show, that the Coos Bay Creamery, as a business proposition, deserves the patronage of the farmers, and the result is also highly creditable to Donald McIntosh, manager, whose strict attention to the creamery business in its various details produced such satisfactory returns. It is to be hoped that the number of patrons will be increased the coming season. More patrons mean a decrease in the expense per pound of the butter and cheese manufactured, and consequently mean increased profits for the farmers. The services of Mr. McIntosh, as manager, have again been secured, the directors and patrons having unlimited confidence in his integrity and ability.—Coos Bay News.

Port Orford Tribune; J. W. Caldwell, who has been making an extended tour of Curry county, gathering data, and canvassing in the interest of the history of Coos and Curry, soon to be published, was in Port Orford Wednesday last, on his return from the south. He met with good success, having gathered much information of historical value from the old pioneers of the county, and secured 225 subscriptions for the book. The book will be one of much interest, and will increase in value as the years go by. Every family in the two counties should secure a copy without fail.

Going for a Trust.

Cincinnati, O., Feb. 14.—The United States circuit court of appeals, for the sixth circuit, today decided the case of the Iron Pipe trust.

Justice Hanlan and Circuit Judges Taft and Lunton composed the court. Suit was begun in the circuit court at Chattanooga, by a bill in equity, filed by the attorney-general of the United States against various castiron pipe companies, to enjoin them from continuing business under the contract of association, which, as charged, was a violation of the federal and anti-trust act of 1890, because it was in restraint of interstate trade in castiron pipe and an attempt of the monopoly of the same. The court dismissed the bill and the United States appealed.

The judgment of the circuit court of appeals reverses the decree of the circuit court and instructs that court to enter a decree enjoining defendants from attempting to do business under contract association or from in any way maintaining their plea.

5 DROPS

Hundreds of thousands of Sufferers cured without a single failure by "FIVE DROPS."

Though so universally used and tested did you ever hear anyone speak ill of this great remedy? No, you never did and never will, for if taken as directed and in the proper quantity "5 Drops" cannot fail to cure any of the diseases for which it is recommended. What it has already done to relieve the suffering is told in thousands of letters of grateful praise.

Mr. J. P. Limeburner, widely known for many years as the special representative of the Populists and Free Silver Press of the United States, has kindly forwarded the following letter for publication:

Jan. 25, 1897.

DEAR SIRS—I am anxious for the sake of the suffering and out of gratitude to you to give my personal endorsement of your wonderful remedy. On the 9th of January, 1897, I was in Washington and was suddenly seized with an aggravated, case of inflammatory rheumatism; so severe and painful was the attack that within 24 hours my left arm was paralyzed and I was only able to dress with assistance. I secured a bottle of 5 DROPS and took a dose that night, rubbing some on externally as directed. The following morning I was surprised to find myself immensely relieved, and continuing treatment woke the second morning cured. My arm was absolutely free from pain, and all swelling and stiffness had disappeared. The quickness and completeness of my cure was remarkable. I have known for over a year of the great curative properties of your medicine and have several friends who have been cured by it of **Neuralgia, Catarrh and Asthma.** Wishing you every success and trusting that those similarly afflicted will at least give this remedy a trial, Sincerely yours, J. P. LIMEBURNER,

Bureau of Populist and Reform Papers, Old Stock Exchange Building, Chicago, Ill.

CURES THE INCURABLE.

DEAR SIRS:—I would like to thank you for your great remedy, "5 DROPS," and tell you what it has done for me. I had Rheumatism in every joint and in the heart, and I had Catarrh of the head for 30 years, I was so poorly that I lost the use of my legs and arms, and could not move without pain. I was so crippled, that I had done but little work for seven years, and our family physician, a good doctor, told me that my Rheumatism and Catarrh were incurable, and I believed him. But now, after using "5 DROPS" only two months, I can truly say I have not felt so well for seven years. This medicine does more than is claimed for it. At this time my Catarrh is much better, and I have scarcely any Rheumatism at all and the heart weakness and pain are gone. My hearing is now good and my eyesight is much better. I have gained more than 10 pounds of flesh and can do a full day's work. It is the best medicine I ever saw to give a mother who has a young child, for it has the same effect on the child as on the mother. It wards off Croup and cures the hives of the child and causes sweet and refreshing sleep to both young and old.

Yours respectfully, WM. M. KELLEMS,
Jan. 29, 1896. Siberia, Perry Co., Ind.

We received the following letter from Mr. J. J. Wilson of Omaha, Ill. Mr. Wilson has been for many years an invalid, and, reading the above letter which was published, wrote Mr. Kellems, asking if his endorsement was genuine, and received this reply, which he forwarded us.

MR. J. J. WILSON.

DEAR SIR:—Your letter of recent date at hand, the testimonial you speak of is genuine. The company who manufactures and sells "5 Drops" published my testimonial just as I gave it to them and every word of it is true, and I could swear to it and prove it by many witnesses. The company did not ask me for this letter. I sent it to them last January for publication in order that poor sufferers, incurable as I once was, and as you are, might be cured. Get "5 Drops" and use it and it will cure you as it has cured me. I have received many letters like yours, and it is a pleasure to me to answer all who write. Tell all your neighbors what I have written about "5 Drops." I know how to sympathize with those who are afflicted, for though I suffered so long, it is now 8 months since I have felt any pain.

Dr. S. W. Kellems, my brother, uses "5 Drops" in his practice, and joins me in endorsing this great remedy. He says for a case like yours it is a positive cure.

Sept. 21, 1896. MR. W. M. AND DR. S. W. KELLEMS.

If you have not sufficient confidence after reading these letters to send for a large bottle, send for a sample bottle, which contains sufficient medicine to convince you of its merit. This wonderful curative gives almost instant relief and is a permanent cure for **Rheumatism, Sciatica, Neuralgia, Dyspepsia, Backache, Asthma, Hay Fever, Catarrh, Sleeplessness, Nervousness, Nervous and Neuralgic Headaches, Heart Weakness, Toothache, Earache, Croup, "La Grippe," Malaria, Creeping Numbness, Bronchitis and Kindred Diseases.**

"FIVE DROPS" is the name and dose. Large bottles (300 doses), $1.00. Six bottles for $5.00. Sample bottle prepaid by mail 25c. Not sold by druggists, but only by us and our agents. Agents appointed in new territory.
