"Nemo," Bandon correspondent to the Sun, says: Lee Barrows, who lives near the Randolph mine, had good success hunting one day last week. He thought he would go out and see if he could find a deer. In this he was successful, as he soon captured two nice ones, and started home when he suddenly came upon several bears together. Lee soon began to pumping lead into them, and did not stop until he had succeeded in making three of the brutes bite the dust. Three bears and two deer for only a few hours, labor is surely good results.

George Martin, the stage-driver from this place, found the poor fellow in a pitiable condition, patched up his wounds to the best of his opportunities and took him with him to Roseburg for medical treatment. The young man was duly fixed up and returned with George on his return trip, reaching home in favorable condition.

A FULL-FLEDGED FOURTH.

Coquille City's Grand and Patriotic Celebration a "Great Big Gas."

The morning of July 4, 1898, was shaded by a high fog from the bay, and although some mist fell in the early morning, the indications were favorable for a fair day, a light wind blowing from the north and the conditions of the atmosphere pointing that way. The public decorations by the construction of beautiful arches, and the extensive decorations by our citizens of their stores, places of business and residences, were very pretty and elaborate, and the display of flags and bunting profuse and brilliant. The committee, collectively and individually, deserve great praise for their unflagging energy in working up an interest on the part of the general public and in their own spirited, tireless and ceaseless efforts.

At an early hour in the morning horsemen and turnouts lined the bay from all directions, while COMPANY K, O. N. G., had arrived by steamer Sunday evening and was quartered at Grand Army hall. The band and a squad of G. A. R. "vets" met the soldier boys and escorted them to their barracks.

At 10 o'clock sharp, the streets were lined with patriotic crowds while Marshal of the Day G. F. Boutell marshalled the hosts who were to parade and formed the line at Masonic hall. Coquille Municipal Band headed the procession, followed by the colors and an escort of about 15, then Co. K, O. N. G., the handsomely decorated Liberty Car, crowded with representatives of all the states, then Mr. Wetley's ox-team and old style wagon occupied by a band of pluggies, representing several nations (with "Manilla" prominently stationed), and the W. C. T. U. caricatured, having in charge a band of gypsies, accompanied by their attorney, ranting in behalf of his clients—making in all a gorgeous military, patriotic and entertaining display, with the usual comical concomitants of caricatures and local hits by way of spice. This marched through several streets, thence to the beautiful grove, where the seats were soon all occupied and hundreds of people standing.

President of the Day Prof. M. O. Hawkins soon arranged participants in the literary and musical program upon the platform, while the band occupied its special stand immediately to the right. Then President Hawkins announced the following order of the PROGRAM.

Selection by the band. Prayer by Chaplain C. A. Stine. Song by the choir and audience—"America." Recitation by Miss Ella Butler of Marshfield.

Sung by the choir—"The Star Spangled Banner." Reading of Declaration of Independence by Prof. D. F. Nicholson.

Sung by choir—"Columbia, the Gem of the Ocean." Oration by Rev. R. C. Lee, of Marshfield.

Selection by the band. President Hawkins then announced the close of the literary program, and then the following: Dinner; list of sports—competitive drill, walking greased pole and the races.

The drill contest took place on Front street, at the depot, by members of Co. K, commanded by Lieut. Langenfelt. There were 10 contestants, prize being awarded.

An immense crowd witnessed the amusing contest of walking the greased pole, suspended, as it was, from a large flat-boat on the side of the river opposite to town, while the wharves and river bank on the town side seated the multitude. There were eight contestants, and after several earnest efforts from each, Ed Lorenz succeeded in snatching the prize, a purse of \$5; Ott Willard was next.

The races took place on Main street, east side of Hotel Coquille. Sight-seers occupied all points, windows of buildings, stairways, verandas, etc., while the sidewalks and street were thronged. Prizes were then awarded as follows: Greased pole, Ed Lorenz, \$5; tub race, O. Willard, \$2.50; hurdle race, Ed Lorenz, \$5; egg race, Lillian Martin, \$1.50; 50 yard race, girls under 14 years, Winnie McXair, \$1; 50 yard race, boys under 14, Archy Strabon, \$1; sack race, John Donnelly, \$2; wheelbarrow race, Ralph Noesler, \$1; heel-and-toe race, Willie Hazelton, \$1; shoe race, Clarence Dean, \$1; 200 lb. fat-men's race, Jim Wall, sack of flour; 100 yard race, Frank Heege, \$5; 100 yard soldier's race, Ed Gross, \$2.50; pie-eating contest, Ernest Lammy, \$1.

The Coquille Creedmoore Team contested for the marksmanship prize with a Bandon team from Co. K, O. N. G., resulting thus: Coquille team—C. Romander, 27 points, Charles Collier 30, Ira Johnson 14, John Johnson 12, T. A. Walker 30—total, 113.

Bandon team—A. J. Gross 25 points, R. E. Beadillon 11, W. C. Summers 25, Fred Gross 15, Lasley Boulton 10—total, 90.

The Coquille team, therefore, took 1st prize, \$15, and Bandon

From Extreme Nervousness.

THAT no one remedy can contain the elements necessary to cure all diseases, is a fact well known to everyone. Dr. Miles' System of Restorative Remedies consists of seven distinctively different preparations, each for its own purpose. Mrs. L. C. Branley, 27 Henry St., St. Catharines, Ontario, writes: "For years I suffered from extreme nervousness and annoying constipation, developing into palpitation and weakness of the heart. I was unable to sleep, suffered much from headache, pain in my left side, palpitation and a constant feeling of weakness and prostration. I began using Dr. Miles' Nervine, Heart Cure and Nerve and Liver Pills and the Anti-Pain Pills to relieve sudden paroxysms of pain and headache. I soon felt much improved and the pains and aches and weakness left me. I then took Dr. Miles' Restorative Tonic and am now restored to my former good health."

team, 2d prize, \$10. THE 4TH OF JULY, 1898,

proved a most delightful day, the celebration of which in this section proved the largest, most enthusiastic, happy, enjoyable and pleasing of any ever observed here in the past. There was plenty of fun and entertainment, plenty to eat, a delightful day, and not an accident, disturbance of the peace, nor anything to injure person or property or mar the pleasures of the day.

THE FIREWORKS' display at night was a fitting close of the day's celebration, the best ever given here and witnessed by not less than 1500 persons. At the close of this the band gave an open-air concert and call to the shrine of Terpsichore at Masonic hall. This spacious room was soon filled to its utmost and

THE DANCE WENT ON throughout the night, alternating quadrille, waltz, and schottische to the sweet and enchanting strains of our splendid local orchestra until the morning's dawn. It, always a grand success, and afforded enjoyment to a great throng. Midnight supper was served at Hotel Coquille and Tattle's Hotel.

The crowd in attendance during the day had been variously estimated at from 1500 to 2000 people. The oration of Rev. R. C. Lee was able and eloquent, and struck a responsive cord in the heart of every listener. The dinner was immense, in quality and quantity. The supply of barbecued meats, bread, butter, pickles, cheese, cakes, pies, etc., was a Klondyke strike, and served to sate the hunger of the patrons of the table, while so many of our citizens took part in waiting on the visitors and seeing that all were served and satisfied.

All in all, the Glorious 4th, 1898, in Coquille City, is a memorable day, chiefly due to the committee composed of our young townsmen George Robinson, Bird Nosler and Henry Lorenz.

J. A. Langhead of Bandon made the HERALD a visit this morning. He had been inspecting our upper river government work. He also celebrated with us on the 4th and was highly pleased with its success and pleasantness.

NEWS FOR THE AFFLICTED.

Announcement That Interests Many—Dr. Darrin, the Eminent Specialist, to Visit Marshfield Again.

While averse to drawing the attention of any of our readers to any advertisement which partakes of a medical character, we feel more than justified in overriding this objection with respect to the announcement in this issue of the coming of Dr. Darrin.

This far-famed physician (late from Portland), who has achieved such a great reputation throughout the coast and northwest, has been prevailed upon, through the urgent request of many in this vicinity, to visit Marshfield again, as they could not afford by their time and business to consult him at his offices in Portland. The doctor has at last consented to visit this city to accommodate the afflicted and will have his office at the Blanco hotel. Those wishing to consult the doctor will find it to their advantage to consult him while here and during the first part of this stay, as many require more than one treatment by electricity.

He comes to us laden with testimonials from the whole northwest, and the authentic reports of some of his cures seem nothing short of miracles. So many thousands are already acquainted with his mode of treatment, it seems unnecessary to state that he uses little medicine in the majority of cases, and perfects his cure by the wonderful power of electricity.

There are few ills to which the human flesh is heir, which cannot be relieved and generally permanently cured by Dr. Darrin's electrical medical treatment, and cases that have resisted the efforts of the ordinary physicians have yielded to his power. These cases embrace almost every kind of disease, and, as said before, no man, woman or child need despair of relief and cure while Dr. Darrin offers his invaluable service.

Unlike other physicians who become eminent in their profession, Dr. Darrin does not pretend to cure all.

Office hours, 10 a. m. to 8 p. m. The poor treated free, except medicines, from 10 to 11 a. m. daily.
