The editor of the Evans City, Pa., Globe, writes: "One Minute Cough Cure is rightly named. It cured my children after all other remedies failed." It cures coughs, colds and all throat and lung troubles. R. S. Knowlton.

Prof. Nicholson of this place will conduct a 4-months' term of school in the Hermann neighborhood, on the South Fork, beginning in August. Mr. and Mrs. N. will leave us shortly, and the HERALD regrets their departure exceedingly.

The Chief Burgess of Milesburg Pa., says DeWitt's Little Early Risers are the best pills he ever used in his family during forty years of housekeeping. They cure constipation, sick headache and stomach and liver troubles. Small in size but great in results. R. S. Knowlton.

The Myrtle creek neighborhood, tributary of the Middle Fork, is visited with the scourge of diphtheria, already one having died, one or two past hope of recovery, and several others down, including Mr. and Mrs. John Fish, and reported also of Mr. and Mrs. John Appleton and family. It was one of John Fish's children that died.

The jail cage was moved to its permanent quarters in the new courthouse last week, by Mr. Snook, the contractor, put in place, and the necessary plumbing and drainage provided. It has been temporarily enclosed, also, till the cement and brick walls enclose it. One prisoner was transferred to the town jail for a few days till this necessary preliminary work was arranged.

Our young Coquille friend, Sam Johnson, connected with the Chicago Marble and Granite Works at Portland, will be in Coos county about the 27th inst. with a full line of samples and designs of marble and granite tomb stones, monuments, tablets, head and foot stones, etc. We are pleased to see Sam working up; he is a good, reliable and industrious young man and has many friends here who have known him long and favorably. Give him your orders.

The home of Mr. and Mrs. B. F. Collier was brightened last Wednesday by the presence of a group of friends and the fragrance of orange blossoms, being the occasion of the marriage of their daughter, Miss Annie, and our young upper-river friend, Ethan A. Wimer. There were present a few relatives and friends of the family to witness the ceremony, which was performed Rev. C. A. Stine. After this, refreshments and a pleasant social time. The HERALD joins with the many friends to wish unalloyed happiness to the young couple.

Brick were delivered for the new courthouse yesterday, and will now come at a lively rate. Mr. Little hauled the first load.

Mr. and Mrs. Walker and daughters, Misses Birdie and Lulu, of Myrtle Point, were visitors in this place yesterday.

Thousands of persons have been cured of piles by using DeWitt's Witch Hazel Salve. It heals promptly and cures eczema and all skin diseases. It gives immediate relief. R. S. Knowlton.

Mrs. Elliott has received a letter from her brother, Brette Clark, who has joined the 7th California regiment at Los Angeles and expects to be sent at once to Honolulu or the Philippines.

S. M. Geary, Pierson, Mich., writes:—"DeWitt's Witch Hazel Salve is curing more piles here today than all other remedies combined. It cures eczema and all other skin diseases." R. S. Knowlton.

The Odd Fellows' building storeroom has been painted by T. A. Walker, and completely renovated and improved by lowering the floor, placing glass front, and the addition of large and convenient rear building for storage purposes.

Mrs. Dyer and niece, Miss Maud Garfield, spent several days in this place last week with Mrs. R. E. Buck. Later they returned home to Bandon and Mrs. Buck accompanied to visit a season with her sister and niece and other friends in turn.

E. C. Blanks, of Lewisville, Texas, writes that one box of DeWitt's Witch Hazel Salve was worth $50 to him. It cured his piles of ten years standing. He advises others to try it. It also cures eczema, skin diseases and obstinate sores. R. S. Knowlton.

Our friend, C. H. Burggraf, the Salem architect, who furnished the plans and is to superintend the construction of our new courthouse, and whose plans for our new schoolhouse are also in hand, arrived in Coquille yesterday on the train from Myrtle Point. We congratulate Mr. Burggraf on the fact that his plans for the new courthouse at Albany have been accepted, a pointer to us that our work has fallen into good hands, and that the Coos county courthouse and the Coquille City school building will be up to date in convenience, comfort and honest construction.

Quite a delegation of our citizens took it into their heads to take advantage of the cut rates to the east and make visits to their old homes and scenes of other days. This was finally arranged by Wednesday of last week, and was made up as follows: Our popular hardware merchant, J. J. Lamb, would include a visit to Jonesboro, Arkansas, and visit the old home and surviving relatives and friends of many years ago. Mrs. N. Loreuz cut for Milwaukee, Wisconsin, as a radiating point, and would from there visit survivors of the family and friends at other points; Mrs. C. W. Martin would visit Galena, Illinois; Mrs. W. Rich intended to go to Winona and other sections of Minnesota; P. E. Drane made a visit to his mother at Joplin, Missouri; Hugh Willie, brother of our Mrs. Dr. Leneve, who reached our place several weeks ago on his first visit to the coast, returned to his home at Clarence, in northern Missouri, and was accompanied by our old and respected townspeople, Dr. and Mrs. Leneve, after an absence from that section of just 40 years, having crossed the plains for this far west in 1858. The doctor will also strike out for a brief visit to Danville, Illinois, the home of his youth. Comrade Jonathan Quick, too, concluded to make a visit to his native heath, Ohio, and see surviving brothers and friends at Zanesville and adjacent sections, and would include attendance of the national encampment of the G. A. R. at Cincinnati on the 9th and 10th of September next, before returning. A portion of the crowd went to Roseburg by the regular stage line, while others were taken in charge by George Martin of this place, with the assurance of speedy and safe deliverence to the railroad at Roseburg. The HERALD wishes each and all a safe and pleasant trip and return.

LaGrippe,

Followed by Heart Disease, Cured by DR. MILES' HEART CURE.

MR. C. C. SHULTS, of Winterset, Iowa, inventor and manufacturer of Shults' Safety Whiffletree Coupling, writes of Dr. Miles' Heart Cure. "Two years ago an attack of LaGrippe left me with a weak heart. I had run down in flesh to mere skin and bone. I could not sleep lying down for smothering spells; frequent sharp darting pains and palpitation caused a constant fear of sudden death, nothing could induce me to remain away from home over night. My local physician prescribed Dr. Miles' Heart Cure and in a few days I was able to sleep well and the pains gradually lessened, and finally ceased. I reduced the the doses, having gained fifteen pounds, and am now feeling better in every way than I have for years."
