Deafness Cannot be Cured. By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. No case out of ten are cured by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for a cure of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c.

Exciting Runaway. Mrs. W. W. Gage, wife of Sheriff Gage of Coos County, who is visiting relatives near Dillard, had an exciting runaway Thursday. In company with two other ladies and two small children they drove into the Umpqua river when a lean saunt in the harness and the team started to run. The ladies were thrown or jumped into the shallow water, but the children remained in the boat and were carried up the road at a furious rate. At a point near the Kent residence the team and all went over an almost perpendicular grade over 50 feet high into Kent creek. When assistance arrived the children were found in a clump of maple bushes uninjured, but the back was completely demolished, and the horses had to be helped out of the creek.—Roseburg Review.

(From the Coos Bay News) It was reported in town Thursday, that Geo. Vernon's house, on Isthusm slough, had been destroyed by fire the previous evening.

Jas. M. Dyer and wife, of Placerville, Cal., arrived on the bay lately, and are visiting with Mr. and Mrs. Hilborn at Mellicoma. Mr. Dyer is a brother of the late Judge Dyer.

We mentioned in a late issue, that Frank Elrod had left Seattle in charge of a river steamer, the Alfred J. Beach, in tow of the steam schooner Noyo, bound for the Yukon, and that R. M. Palmer, also late of Marfield, was mate on the same boat. News brought to Seattle by the steamer Lakue is to the effect, that when 250 miles out from Dixon entrance the Beach hoisted a signal of distress. She was leaking badly, and her crew and passengers, numbering 24, had to take to the boats. The Evans, another river steamer, also in tow of the Noyo, took the passengers and crew aboard, and shortly afterwards the Beach went down. The Evans was towed back to Dixon entrance and beached, after which the Noyo proceeded to St. Michaels.

—Mrs. Elrod received a letter from her husband on Friday. It was dated at Dutch Harbor, Alaska, July 11th, 1898, and we are permitted to make the following extracts from it: "We left Seattle on the 21st of June, and on July 4th, at 3 in the morning, we were shipwrecked. Twenty-one of us lost everything we had in the world, except what we had on our backs, and we were very lucky to get off with our lives. The boat went to pieces at 3 in the morning. It was as rough a sea as I ever saw. Palmer and I were the last to leave her, and we jumped overboard and we were pulled into the lifeboat with lines around us. After we got on the tug boat she was almost lost. The sea broke all over her for 24 hours, but we arrived here safe. Wm. Ross and P. C. Daring are here, and they gave me clothes and some money, and fixed me up all right. I found a captain that I was acquainted with, and he and he and he are the Seattle No. 3, bound for the Yukon, and I will start in the morning. She is the largest Yukon boat that will be on the river. Palmer is going with me. The reports from the Yukon are good, but I don't know yet whether I will go mining or stay with the boat. The captain says that after we get to Circle City, that I can have the boat, as he is going up the river, and she is too large to go up any farther. The chances are that I will stay with her."

Fitzhugh Lee is the man we hear nothing about these days. He is slated for the capture of Havana, but he is a presidential possibility. Cruel fate or an equally hard-hearted Republican administration may postpone that event until after the November elections.—Oregonian.

Eugene Register: The conflicts current data have furnished excellent material for the "Lentz" sign of head, Harvey Scott et al., who have belittled President McKinley's officers. The proportion of fatalities among the "gilded sapsheads and shoulder-strapped dudes" demonstrates that true heroism runs rampant among these "dude sons of big fathers," and they died or were wounded while bravely doing their duty.

Capital Journal: The "gilded sapsheads and shoulder-strapped dudes" against whom Lentz, Whitehead, Harvey Scott et al., have railed have not been killed nor wounded while bravely doing their duty at Santiago. They have been inspecting potatoes at Tampa under General Lee. The dudes who were killed and wounded at Santiago were mostly privates in the ranks of Teddy Roosevelt's regiment of Rough Riders. They didn't pull for commissions, but enlisted like men, and to their honor be it said, they fought and died like men, too.

Lee Items. Lee, July 28—Warm weather at present. All the farmers are busy haying. As the old saying goes, "make hay while the sun shines," so that is what they are endeavoring to do. J. U. Summerlin has his new barn almost completed. Campmeeting closed last Sunday. Two conversions and two conversions. They now go to Arago and it is hoped that they will have a good meeting and save many souls in that vicinity.

Mrs. Summerlin who had the misfortune of getting her arm dislocated, is getting along nicely. Mrs. Dully and daughter Miss Mintie, of Sumner, visited friends in this vicinity last week. It is expected that Bill H. will soon change his address to Sumner.

Mrs. Buell and daughter Miss Carrie, of Myrtle Creek, have been visiting friends and relatives in this part of the county and also in Myrtle Point. They returned home Tuesday accompanied by Mr. and Mrs. Coon, the latter being a daughter of the above mentioned.

Mr. Charlie Rackleff of Myrtle Point visits this part of the neighborhood quite often. There seems to be some attraction over here in the sweet Summerland. Come on Charlie, but don't bring a balky team.

Mr. and Mrs. Elliot of your town are visiting friends in this vicinity. With best wishes. NOBODY'S DARLING.

Messrs. A. J. Sherwood, Chas. Collier, Claude Noaler and Henry Lorenz left last Saturday morning for a two-week's hunting trip on Elk River. They are all good hunters and will, no doubt, meet with good success.

Ashland Town Talk: Dr. Ford, elder of M. E. church, held quarterly meeting at Sunny Side school-house last Sunday. Elder Ford's son and Evangelist McKeen were with him. About one hundred and twenty persons attended the services. After the refreshments at noon a portion of the crowd went to the lake where a number were immersed.

RHEUMATISM, NEURALGIA, CATARRH, ASTHMA, HEADACHE

and their marvelous cure. Science of the 19th Century looks on with astonishment at the most remarkable record of cures ever known in the world's history.

Hundreds of thousands of Sufferers cured without a single failure by "FIFTEEN DROPS."

Though so universally used and tested did you ever hear anyone speak ill of this great remedy? No, you never did and never will, for it taken as directed and in the proper quantity "FIFTEEN DROPS" cannot fail to cure any of the diseases for which it is recommended. What it has already done to relieve the suffering is told in thousands of letters of grateful praise.

Mr. T. P. Linschmeier, widely known for many years as the special representative of the Populist and Free Silver Press of the United States, has kindly forwarded the following letter for publication.

DEAR SIR—I am anxious for the sake of the suffering and out of gratitude to you to give my personal endorsement of your wonderful remedy. On the 6th of January, 1897, I was in Washington and was suddenly seized with an aggravated case of inflammatory rheumatism, which was so severe that it was the attack that within 24 hours my left arm was paralyzed and I was only able to dress with assistance. I secured a bottle of FIFTEEN DROPS and took a dose that night, rubbing some on externally as directed. The following morning I was surprised to find myself immensely relieved, and continuing treatment woke the second morning cured. My arm was absolutely free from pain, and all swelling and stiffness had disappeared. The quickness and completeness of my cure was so remarkable, I have known for over a year of the great curative properties of your medicine and have several friends who have been cured by it of Neuralgia, Catarrh, and Asthma. Wishing you every success and trusting that those similarly afflicted will at least give this remedy a trial. Sincerely yours, T. P. LINSCHMEIER, Bureau of Populist and Reform Papers, Old Stock Exchange Building, Chicago, Ill.

CURES THE INCURABLE. DEAR SIR—I would like to thank you for your great remedy, "FIFTEEN DROPS," and tell you what it has done for me. I had Rheumatism in every joint and in the heart, and I had Catarrh of the head for 20 years. I was so poorly that I could not use my legs and arms and could not move without pain. I was so crippled, that I had done but little work for seven years, and our family physician, a good doctor, told me that my Rheumatism and Catarrh were incurable, and I believed him. But now, after using "FIFTEEN DROPS" only two months, I can truly say I have not felt so well for seven years. This medicine does more than I can describe. The quickness and completeness of my cure was so remarkable, I can truly say I have not felt so well for seven years. My hearing is now good and my eyesight is much better. I have gained more than 20 pounds of flesh and can do a full day's work. It is the best medicine I ever saw to give a mother who has a young child, for it has the same effect on the child as on the mother. It wards off Grip, and cures the lives of the child and causes sweet and refreshing sleep to both young and old. Yours respectfully, W. M. KELLEMS, Silchester, Perry Co., Ind.

Jan. 20, 1898. We received the following letter from Mr. T. Z. Wilson of Omaha, Ill. Mr. Wilson has been for many years an invalid, and reading the above letter which was published, wrote Mr. Kellem, asking if his endorsement was genuine, and received this reply, which is forwarded.

DEAR SIR—Your letter of recent date at hand, the testimonial you speak of is genuine. The company who manufactures and sells "FIFTEEN DROPS" publishes my testimonial just as I gave it to them and every word of it is true, and I could swear to it and prove it by many witnesses. The company did not ask me for this letter. I sent it to them last January for publication in order that you might know that I was cured, and as you are, might be cured. Get "FIFTEEN DROPS" and use it and it will cure you as it has cured me. I have received many letters like yours, and it is a pleasure to me to hear of you who write. Tell all your neighbors what I have written about "FIFTEEN DROPS." I know how to sympathize with those who are afflicted, for though I suffered so long, it is now 20 months since I have felt my pain. Dr. W. M. Kellem, my brother, uses "FIFTEEN DROPS" in his practice, and tells me in endorsing this great remedy. He says for a case like yours it is a positive cure. Sincerely yours, W. M. AND DR. W. M. KELLEMS, Sept. 21, 1897.

If you had not sufficient confidence after reading these letters to send for a large bottle, send for a sample bottle, which contains sufficient medicine to convince you of its merit. The wonderful curative gives almost instant relief and is a permanent cure for Rheumatism, Sciatica, Neuralgia, Dyspepsia, Headache, Hay Fever, Catarrh, Rheumatism, Nervousness, Nervous and Neuritic Headaches, Heart Weakness, Toothache, Earache, Croup, "La Grippe," Malaria, Creeping Numbness, Bronchitis and Kindred Diseases. "FIFTEEN DROPS" is the name and dose. Large bottles (30 doses), \$1.00. Six bottles for \$5.00. Sample bottle prepaid by mail. Not sold by druggists, but only by us and our agents.
