Levi Colvin, some while ago, while at work in the logging camp at Bear creek, fell into a brush pile and run a sliver into the heart of one hand. Dr. Kime of Bandon ministered to him, removing the offending splinters and starting him on the way to recovery, but later blood poison threatened, and his hand and arm swelled fearfully, turned black and pained him very much. Additional treatment, however, was utilized, and at last accounts his wound was showing improvement and the pain was removed.

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever nine cases out of ten are caused by catarrh; which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Our Coquille Municipal band has at last secured what it has been striving for for many years past, and that is a hall of its own, furnishing the band a home and the advantages of a large and commodious room for entertainments, balls, etc.—bringing something to them instead of taking away. The band bought the "Army Hall," the edifice contracted for and built by Col. Ebert, of God's Regular Army, on subscriptions of money and work from our citizens. The work was forthcoming, but little or none of the money collected was ever paid out and the property was sold on claims against it. The boys at once set to work putting the hall in repair, extending the stage, placing the scenery and curtains from Masonic hall, which belonged to them, and in other lines adding to its utility and convenience.

They stop work, cost money, give pain.

The Bridge Contracts.

The county court sat last Wednesday in the business of opening bids and letting the contracts for two bridges—that across Brummitt creek on the Old Coos Bay Wagon Road, 52 feet long, 21 feet high and 14 feet wide, etc., and one across the Middle Fork of the Coquille, near Myrtle Point, where the county road crosses same at Hoffman place, 165-foot span, same hight of old bridge, etc. A goodly number of bridge-builders were present and much rivalry apparent to secure the jobs. The bids and letting were as follows:

BRUMMITT CREEK BRIDGE.

Bid of J. D. Bennett—without cover, $398; with cover, $473.

Bid of Thomas Krewson—cedar, as per plans and specifications, without cover, $300; covered, $400.

Bid of L. F. R. Heller and M. Krantz—as per notice and model exhibited (open), $395; same covered, $465.

Bid of J. B. Fox—cedar, on piles, etc., as per plans and specifications, covered, $660.

HOFFMAN BRIDGE.

Bid of J. D. Bennett—as per plans and specifications, $2341; same as old bridge, $1991.

The contract for the Brummitt creek bridge was therefore let to Thomas Krewson, and the Hoffman bridge to J. D. Bennett.

The Oregon state fair will open September 22d. Geo. W. Weeks, of Howell, Marion county, probably the head and front of practical dairying in Oregon, is superintendent of the dairy department, and he requests us to announce to the people of Coos county who are interested in the dairy business, and who may think of making an exhibit at the coming fair, that he will send them a catalogue and give any desired information by addressing him as above. We hope our dairy interests may be represented at this fair.

Thomas Drane lives lordly in his charming home on the lower river. Water from the mountain is conducted across his porch, and falls into the flower garden in front of the house, making everything around look cheerful and comfortable.

Since "all roads lead to Marshfield," it is hardly to be supposed the Coast Mail and Sun will be so unreasonable as to revive the old county seat kick that all the bridges and road improvements are made on this side.

Mrs. John Johnson came down from her North Fork home last Thursday, on a shopping tour. Mr. J. is very poorly—cannot drive out any more, and seems to be gradually wearing away.

Three schooners were loaded and departed last week—one at Prosper, one at Parkersburg and one at this place—while Johnson shipped to the bay by rail, hence by schooner from there.

5 DROPS 49 YEARS OF SUFFERING FROM **RHEUMATISM.**

Read carefully this testimonial found below, also letters from those who have been cured of other diseases, and remember that "5 Drops" has and can never fail to quickly relieve and permanently cure.

Sept. 9, 1896.

DEAR SIR:—Your bottle of "5 Drops" received. It was for an old friend, Mr. Wm. Edwards, of Martinstown, Wis. He has had Neuralgia in his chest, suffering a great deal of pain, so much so that it affected his heart and he could not sleep on account of a smothered feeling. He has been under the care of the most eminent physicians, but found no relief until I gave him a dose of "5 Drops." The very first night he rested well, and has ever since, and is gaining daily. I myself am 67 years old and began taking your medicine last April for Rheumatism, which I have had for 49 years, also for a weak heart. Since taking "5 Drops" the Rheumatism has all disappeared, the stiffness is gone from my joints, and my heart never misses a beat. I am to-day a well, strong woman, and I owe it to "5 Drops." I only wish I could sound my bugle of praise loud enough to be heard all over the world, and could convince every one that "5 Drops" is all you claim it to be and more.

Mrs. D. T. Carver, Winslow, Stevenson Co., Ill.

34 YEARS OF SUFFERING.

DEAR SIR:— JANUARY 2, 1897.

Over 34 years ago, I had Typhoid Fever, and barely escaped with my life. It left my system so shattered that I have had ever since, Rheumatism and Throat Trouble, which gave me a terrible Cough. I had been unable to find any relief for these diseases, until I learned of your "5 DROPS", which I commenced taking only two months ago, and my cure has been indeed WONDERFUL. Already my cough has entirely disappeared, and the Rheumatism which for a few years past has threatened to make a cripple of me, is cured, and I am free from pain. This is the most wonderful and the cheapest remedy ever discovered. I am more thankful to you than words can tell and I want everybody to know what "5 DROPS" has done for me. Although I am over 70 YEARS old, I am feeling better than I have in years.

I shall be glad to answer any questions regarding my case from anyone enclosing a two cent stamp. Gratefully yours,

MRS. SAMUEL RIBLET, Litchfield, Mich.

CATARRH AND HAY FEVER.

I find the bottle of "5 DROPS" to be very good and just what you claim. My wife has been suffering with Catarrh and Hay Fever over 15 years. She has tried everything and doctored much, but no cure until she tried "5 DROPS" which completely cured her.

Yours truly REV. L. VON WALD,
March 31, 1896. Milbank, S. D.

NEURALGIA AND SCIATICA.

For twenty long years my wife suffered untold tortures from Sciatica and Neuralgia, and I thank God for the day that your heaven-sent remedy fell into my hands, for it completely cured her. I am a minister of the Gospel, and when I find any who suffer, cannot help but recommend "5 DROPS", for I know it will do more than you claim for it.

REV. F. M. COOPER, Washington Center, Mo.

PARALYSIS AND RHEUMATISM

DEAR SIRS; NOVEMBER 9, 1896.

It is with pleasure I speak of your priceless remedy and of the good it has done me. For the last eight years I have been an incurable cripple from paralysis and rheumatism. Just think, for eight years a total cripple, not able to earn a penny nor able to walk or step on the ground without the aid of something to lean on. Heaven bless the man who discovered this remedy, for, thanks to him and to God, I am able to walk and able to work. I have only taken two-thirds of a bottle, but have not had any pain in my back since I took the first dose, and after the second I walked across the floor, which I have not done in years. I have thrown away my cane and shall never need it again. To any one sending me a two-cent stamp I will send my affidavit. I have another bottle of "5 DROPS" and value it at $1.00 per drop.

Thankfully yours, EDWARD CASTLE,
1005 Wall Street. Sioux City, Iowa.

INFLAMMATORY RHEUMATISM.

DEAR SIRS: SEPTEMBER 24, 1896.

I wish to tell you and suffering humanity how much good "5 DROPS" has done me. On the beginning of this year I took down helpless with Inflammatory Rheumatism, and I was doctored by as good physicians as this country has, but they could not cure me. On August 4, I began to take "5 DROPS." At that time every joint in my body and my limbs were stiff, so that I could not be moved. Even my tongue was getting so that I could hardly speak so any one could understand me, but to-day, only seven weeks from that time, I am absolutely cured, and thank you and God for my recovery.

Gratefully yours,
HORACE P. ANDERSON, McCracken, Kans.
