Our young friend Oliver Wilson made a narrow escape yesterday morning from a serious injury at the sawmill. He was working at the bolter, and relaxing his hold on a broomhandle and partially turning from it, the stick acted like a thing of life, flopped around and struck him on the back a pretty hard blow. Luckely no ribs or bones were broken, but the blow necessitated Oliver's laying off a day or two.

Keep Your Youth

If you are young you naturally appear so.
If you are old, why appear so?
Keep young inwardly; we will look after the outwardly.
You need not worry longer about those little streaks of gray; advance agents of age.

Ayer's Hair Vigor

will surely restore color to gray hair; and it will also give your hair all the wealth and gloss of early life.
Do not allow the falling of your hair to threaten you longer with baldness. Do not be annoyed with dandruff.
We will send you our book on the Hair and Scalp, free upon request.

Write to the Doctor.
If you do not obtain all the benefits you expected from the use of the Vigor, write the doctor about it. Probably there is some difficulty with your general system which may be easily removed.
Address, DR. J. C. AYER,

The San Francisco Chronicle of Sept. 28th, says:

"The Coquille River Coal and Transportation Company was incorported yesterday by W. B. King, F. W. Kronenberg, E. R. Smith, W. H. Bailey and R. L. Cheney. The capital stock is $50,000, of which $500 has been subscribed."

The school clerk, G. F. Boutell, received a letter from Miss Bentley, from her home at Salem, last week, resigning her position as teacher of the primary department of our public school for the coming term. Miss Bentley, as we understand it, has a better offer at Ashland. We regret to lose Miss Bentely, for she has no superior in her department of work, had endeared herself to the children here, and to the patrons and school officials in a high degree, but she was able to do better than we could offer, hence the change.

Two specially neat pieces of job-work, the programs for the ninth bi-county convention of the Y. P. S. C. W's, to be held at Willowdale on the 14th and 15th, and that for the Coquille Municipal Band's entertainment last Saturday night, were issued among others from this office last week. Briefs, society constitutions and by-laws, commercial printing of all kinds, blank work, etc., etc., done in the best style at lowest prices.

Rev. W. B. Smith, pastor of the Southern Methodist church at this place for several years, has been asigned by Bishop Hendrix, at the late conference, to Harrisburg in this state. Rev. E. L. Fritch, lately arrived in Oregon from West Virginia, is assigned to Coquille City, Rev. Mr. Wilson, late of Little Rock, Ark., at Myrtle Point, and Rev. DeHuff, a newcomer from Tennessee, at Bandon. Our old friend Rev. R. A. Reagan, as also Rev. J. A. Crutchfield (known to some of our people, having relatives on Coos river in this county) go to Texas. Rev. H. S. Shangle is appointed presiding elder over three conference districts.

While our thunder shower, mentioned in the HERALD last week as being unusual in this locality and creating more alarm than our people are accustomed to, yet, excepting the brilliant flashes of lightning and terrific roar of the thunder, nothing more than an ordinary shower fell, either in force or quantity. But not so at Roseburg, Ashland and other points across the mountains. Many of the creeks became raging torrents, cellars, were flooded and damage done in basements and lower stories in some instances. J. A. Gross, proprietor of the Depot Hotel at Ashland, was damaged in the sum of $500 to $1000 in stock. John Real's barn was struck by the lightning and destroyed, involving a loss of several hundred dollars. The Electric Light Co's ditch was damaged and the town passed the night in darkness.

Dr. Miles' Nervine
A REMEDY FOR THE
Effects of Tobacco.

THE excessive use of tobacco, especially by young men is always injurious and undoubtedly shortens life materially. Mr. Ed. C. Ebsen, compositor on the Contra-Costa *News*, Martinez, Cal., writes; "I have used Dr. Miles' Restorative Nervine and received much benefit from it. I was troubled with nervousness, dizzy spells and sleeplessness, caused by the use of tobacco and stimulants. I took Dr. Miles' Nervine with marvelously good results, allaying the dizziness, quieting the nerves, and enabling me to sleep and rest, proving in my case a very beneficial remedy." Dr. Miles' Restorative Nervine is especially adapted to restoring the nervous system to its normal condition under such circumstances. It soothes, heals and strengthens.

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address,
DR. MILES MEDICAL CO., Elkhart, Ind.

Mrs. D. P. Strang returned home via Roseburg from Portland and northern points last Wednesday night. She was brought from Roseburg by Bert Dean. Mrs. S. has been absent several months, but returns in improved health and none the worse of her stage ride.

Mrs. Mary Stockman, mother of Mrs. Theodore Land, and who spent much of the past year here at Dr. Stockman's during his protracted and fatal illness, moved some while since to Umatilla county, eastern Oregon. She had been subject to epileptic spells for a long while, and word comes that in a recent spell she fell and broke her arm. She is now quite helpless, for her other arm had been broken in a former fall, and not having healed well is stiffened and almost useless.

Coos Bay Mail Routes.

The new mail service over the Old Coos bay wagon road from Roseburg to Empire City will go into effect October first. The contractor, Mr. A. H. Boomer, expects to take charge of the route himself instead of sub-letting it, and for the present it will be in charge of Phil Ream. The latter is already stocking the route and getting a supply of feed at the several stations, two of which are already selected, viz: At Mrs. Wilson's Nineteen Mile House and James Laird's in Brewster Valley. Mr. Ream will take a trip over the route shortly to decide upon three more stations further down. The Roseburg-Myrtle Point route is still in charge of Mr. Ream, but it is reported that the new contractor, Mr. Pease, will assume personal control of it on October first.—Roseburg Review.
