Soothing, healing, cleansing. De Witt's Witch Hazel Salve is the implacable enemy of sores, burns and wounds. It never failes to cure piles. You may rely upon it. R. S. Knowlton.

Rev. Lee of Marshfield has received a letter from a son of Rev. T. B. Ford, who says that Rev. Ford is getting along as nicely as could be expected and that there is every prospect that he will recover. He also adds that no amputation now seems necessary.

Sam Johnson, of Johnson Bro's, is blind and has laid aside all books. He can still count change, and will therefore sell for cash. He claims he will make friends, while in the present manner of doing business he makes enemies for presenting bills that are long past due and ought to be paid. *

George H. Brant, the party who robbed employes at Prosper, in this county, some few months ago, and also played horsethief and burglar at Remote, Camas Valley and Olalla on his way out to the valley, being picked up at the latter place by Justice Wells and the constable, was tried at Roseburg last week and given 4 years in the penitentiary by Judge Hamilton.

Did you ever See a Snow Storm in Summer?

We never did; but we have seen the clothing at this time of the year so covered with dandruff that it looked as if it had been out in a regular snowstorm.

No need of this snowstorm.

As the summer sun would melt the falling snow so will

Ayer's Hair Vigor

melt these flakes of dandruff in the scalp. It goes further than this: it prevents their formation.

It has still other properties: it will restore color to gray hair in just ten times out of every ten cases.

And it does even more: it feeds and nourishes the roots of the hair. Thin hair becomes thick hair; and short hair becomes long hair.

We have a book on the Hair and Scalp. It is yours, for the asking.

If you do not obtain all the benefits you expected from the use of the Vigor, write the doctor about it. Probably there is some difficulty with your general system which may be easily removed. Address, DR. J. C. AYER, Lowell, Mass.

Dr. Miles' Nerve Plasters 25c. at all druggists.

House for rent, with large garden attached. Apply at HERALD office.

M. H. Hersey will pay cash for 75 pounds of cabbage, or any amount less, delivered at boat landing or residence. *

Our townsman, B. H. Burns, has ordered one of those splendid sewing machines—the Arlington—through the HERALD. Mr. B. is a practical machinist, and familiar with sewing-machines, and when examining one of these offered by the HERALD pronounced it first-class and a splendid machine. Better let us order one for you reader.

Capt. O. P. Ellingson was up from his lower-river home at Lampey creek a couple of days last week. Capt. E. is a good and popular citizen. He was in command of the Mizpah on her past summer's trip to Alaska and return.

A. G. Muir, an elderly and prominent rancher of the North Fork, near Gravel Ford, spent Saturday and Saturday night in town, after visiting several days in other portions of the county. He inspected the new courthouse and was much pleased.

G. F. Boutell put the fine large bell into the belfry at the new schoolhouse last Saturday, and will hang it as soon as the work is forwarded in the belfry to that point. It is a 500-pound bell, of deep, pleasant tone, with modern and most convenient hangings, and will serve the purpose admirably for many years.

The annual election of Empire City took place on Monday of last week, with the following result: Trustees—T. H. Walker, John Flanagan and D. Morse, jr. Recorder—William Turpen. The city marshal is appointed by the town board, and among those prominently mentioned for that position are Harry Nicholls, Charles Jackson and Gustaf Egbloom.

Marshfield Sun: H. H. Barrett, who drives the stage between Gardiner and Florence, discovered the bodies of five drowned men on the ocean beach a few miles north of the Umpqua river, Friday last. He reported his discovery to Captain Burgman, of the Umpqua life-saving station, who, with his crew, went to the scene and buried the several bodies in the sand near by. The bodies were found in a nude form and in a badly decomposed condition, but four of them are supposed to have been victims of the Atalanta wreck, and the fifth, which was nearly a skeleton, is believed to have been a victim of the Arago wreck—so reports say that came down the beach. The bodies were found nearly 100 miles from the scene of the wrecked Atalanta, and it is probable that the men might have perished in some unknown accident that has occurred at sea.

From Extreme Nervousness.

THAT no one remedy can contain the elements necessary to cure all diseases, is a fact well known to everyone. Dr. Miles' *System* of Restorative Remedies consists of seven distinctively different preparations, each for its own purpose.

Mrs. L. C. Bramley, 37 Henry St., St. Catherines, Ontario, writes: "For years I suffered from extreme nervousness and annoying constipation, developing into palpitation and weakness of the heart. I was unable to sleep, suffered much from headache, pain in my left side, palpitation and a constant feeling of weakness and prostration. I began using Dr. Miles' Nervine, Heart Cure and Nerve and Liver Pills and the Anti-Pain Pills to relieve sudden paroxysms of pain and headache. I soon felt much improved and the pains and aches and weariness left me. I then took Dr. Miles' Restorative Tonic and am now restored to my former good health."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address,

Mr. and Mrs. J. T. Collver, and Mr. and Mrs. T. M. Collver, clever young people from the bay side, passed through town last Friday on a visit to Bandon. They viewed most of our town intervening the arrival of the train and the departure of the boat, including a very pleasant call at the HERALD sanctum.

Coquille Lodge, No. 53, I. O. O F., elected the following officers for the ensuing term at its regular meeting Saturday night, Dec. 3d: B. F. Lawrence, N. G.; Dr. Culin, V. G.; J. S. Lawrence, secretary; S. P. C. Johnson, treasurer; Dr. Carter, John Nasburg and L. Harlocker, trustees.

The Woodmen's masquerade New Year's eve promises to be a grand affair. Lots of folks are racking their brains for "ideas" to materialize and make their representation a success.

Many a household is saddened by death because of the failure to keep on hand a safe and absolutely certain cure for croup such as One Minute Cough Cure. See that your little ones are protected against emergency. R. S. Knowlton.

"Dad" Needham, contracting painter of the new courthouse, and employes, finished the outside painting and tore down the scaffolding last Friday. With the ornamental buff in comparison with the bright terracotta and gray basement walls, the structure makes a handsome and brilliant appearance and is admired by all. Mr. Needham has done both a good and neat job of painting.

Our fellow-citizen, R. G. McQuigg, expresses a strong desire to secure the fruit dryer and starch factory for this locality, and to back up his wish will donate one to three acres of his land to that end. He could give advantageously for receiving and shipping both by river and rail, if the site is selected in that locality. Mr. Mc realizes that $4 at ton for apples that are now mostly going to waste would be a great step forward.

Brette Clark, a former citizen of Coquille, returned to this place last Friday after an absence of about two years. Mr. C. was in U. S. uniform, having been a member of Co. A, 7th California volunteer infantry about 8 months awaiting orders in California to go to Manila or some other Spanish seaport. But he comes home a free man again, having been discharged on the 2d inst. Mr. C. is a brother of our Mrs. C. D. Elliott, where he is now visiting.

Mrs. S. F. Shepard has received late letters, papers and curios from her husband, Sergt. S. F. Shepard, of Co. M, 2d U. S. vol. engineers, at Honolulu. One of the papers is the "News Muster," issued at Camp McKinley, Honolulu, in the interest of the 1st N. Y. vol. infantry. It is very neatly gotten up and quite interesting to the soldiers themselves and to friends as supplying the news. The other, Nos. 1 and 2 of a new paper, named "The Reveille," issued by and devoted to the interests of the 3d battalion, 2d U. S. vol. engineers—that to which Sergeant Shepard belongs—and is quite similar in style to the other and published to the same end. Sergt. Shepard has an attack of fever, but in mild form and is hopeful of soon regaining his health. The N. Y. regiment, which had been ravaged with fever, was sent home lately.

If you want a big stocking full of successful business get your ads into the HERALD at once. Touch the button and the HERALD will do the rest.

Miss Eva Hall closed a very successful term of private school at Sumner last Friday. We learn that the school was very prosperous, and the teacher very generally popular.

The sooner a cough or cold is cured without harm to the sufferer the better. Lingering colds are dangerous. Hacking cough is distressing. One Minute Cough Cure quickly cures it. Why suffer when such a cough cure is within reach? It is pleasant to the taste. R. S. Knowlton.

A largely attended and very pleasant farewell reception was given at the residence of our townsman, Hon. W. H. Nosler, last Friday evening, in honor of his daughters, Mrs. A. W. Moorrison, of San Diego, Cal., and Miss Minnie Nosler, who will leave for the bay tomorrow, there to take a steamer for San Francisco, thence to San Diego. Mrs. Morrison returns home after a visit of several weeks to her old home at this place, but our young friend Minnie goes on a protracted visit—for two years, we understand, to attend school—leaving home and friends for all these long, dreary months. Miss Minnie is a charming and most popular young lady, and our society circles and her host of friends will miss her very much. The HERALD wishes both a safe journey, and health and happiness.

Our old friend and former fellow-countyman, A. J. Mack, writes us of late date from Eugene, Oregon. Mr. Mack has many relatives and friends in Coos county, and especially in the Coquille valley, to whom he sends love and well-wishes. In speaking of the times he says: "Times are hard and money is hard to get by us farmers. Fifty cent wheat doesn't fill our pockets very fast. That great McKinley wave of prosperity has not reached out this far yet, but we are still waiting patiently for it."

The following were elected officers of the Epworth League at last Wednesday evening's meeting: President, B. F. Lawrence; 1st vice-president, Miss Edith Hayter; 2d vice-president, Miss Mary Drane; 3d vice-president, Miss Zettie Messer; secretary, Miss Marvin Lamb; treasurer, Miss Effie Collier; organist, Miss Kittie Johnson.

John W. Grimes, judgment creditor, bid in the W. S. Jenkins property near Green Point on the river below this place, sold by Sheriff Gage Monday of last week on an execution issued from the circuit court last term. The amount was $450.76, just the total of the judgment, costs, etc.

Miss Belle Doak, daughter of Cy Doak, at Parkersburg, passed through town yesterday on her way to San Francisco, where she will become a patient in hospital. Miss Belle is well-known and popular, and many friends will regret to learn that her health is failing and her young life threatened with fatal disease.

J. W. Clinton, the Norway logger, was in town yesterday. His advertisement in the HERALD last week started the log-catchers out promptly, and his loss from logs going out over the bar will be very light.

Santa Claus' headquarters for Coos county is at the BERLIN STORE.

Harry Noble and Hiram King are opening a logging camp at Greeen Point.

Johnson Bro's is headquarters for syrups. *
