Keep Coughing

We know of nothing better to tear the lining of your throat and lungs. It is better than wet feet to cause bronchitis and pneumonia. Only keep it up long enough and you will succeed in reducing your weight, losing your appetite, bringing on a slow fever and making everything exactly right for the germs of consumption.

Stop coughing and you will get well.

Ayer's Cherry Pectoral

cures coughs of every kind. An ordinary cough disappears in a single night. The racking coughs of bronchitis are soon completely mastered. And, if not too far along, the coughs of consumption are completely cured.

Ask your druggist for one of

Dr. Ayer's Cherry Pectoral Plaster.

It will aid the action of the Cherry Pectoral.

If you have any complaint whatever and desire the best medical advice you can possibly obtain, write us freely. You will receive a prompt reply that may be of great value to you. Address, DR. J. C. AYER, Lowell, Mass.

It is to be hoped the parents will stand by the teachers and board in the enforcement of such rules and regulations as may be adopted for the prosperity of the schools, protection of the school property and requirement of good behavior and at least ordinary proprieties from pupils on the way to an from school. The fact is, it would be much better to voluntarily obey reasonable requirements and admonitions than to occasion trouble and have to enforce the state laws afterward for mischief and damages done.

Miss Pearl Fetter, of Remote, arrived in Coquille last Wednesday, taking quarters with Mrs. Lyons. Miss Pearl will assume charge of primary department of our school, to which position she was chosen some weeks ago.

The sooner a cough or cold is cured without harm to the sufferer the better. Lingering colds are dangerous. Hacking cough is distressing. One Minute Cough Cure quickly cures it. Why suffer when such a cough cure is within reach? It is pleasant to the taste. R. S. Knowlton.

A meeting of the school board and teachers was held last Thursday evening at Mr. McEwen's residence, at which school matters were discussed and some important business transacted, chiefly signing of the contracts with the teachers, classifying the departments, adopting rules and regulations for the management of the schools, the calls, hours, etc., and also the present temporary occupancy of rooms till all are finished.

The Public School

Opened at the new schoolhouse yesterday morning, Jan. 2d. as per announcement, but under difficulties. Only three of the rooms were so far finished as to induce their occupancy—these were the grades under Principal Hawkins, the second intermediate grades under Miss Collison, and the primary grades of Miss Pearl Fetter, Prof. Nosler having to retire to the upper room of the old school building for a week or two longer. Even these occupied rooms were only far enough advanced to ferce their occupancy, some finishing work yet to be done on Saturdays and after school hours. The first day was occupied chiefly in doing what could be done under these cramped conditions of occupancy of part of the building—three rooms on the first floor—while the workmen were employed in the other, the assignment of the scholars, especially new ones, of whom there is a large number, to their departments, reading the rules and regulations, etc. The walks are not yet finished, nor the basement cleared for use, and the weather was stormy and disagreeable, all of which added to the labor and turmoil of the occasion.

Three rooms had been seated the week before by G. F. Boutell and Prof. Nosler, as well as the charts, globes and other apparatus being moved to the building and placed safely. Many of the hooks were placed in the wardrobes also, clocks and thermometers hung, and gong set in place. Messrs. Boutell and Nosler worked till 10 o'clock Saturday night.

The new bell pealed out its first call for school Monday morning, Jan. 2, 1899, at 8:30 o'clock. The corps of teachers—Prof. M. O. Hawkins, principal; Prof. C. H. Nosler, of 1st intermediate; Miss Collison, of the 2d intermediate, and Miss Pearl Fetter, of the primary departments—were promptly present and the pupils thronged the ways from every direction. There were present, also, every member of the board, Messrs. Perry, Collier and McEwen, Clerk Boutell, County Judge Harlocker, B. H. Burns, and Rev. E. L. Fitch, of the South Methodist church. After the reading of the rules and regulations by the principal, Messrs. Perry and McEwen of the board, Judge Harlocker and Rev. Fitch each gave a few words of advice and encouragement.

The enrollment the first day was 180. The rooms have each 50 individual desks placed—Miss Fetter's has 54—so that when the other 75 or 100 scholars urge their attendance the new building has not been completed any too soon.

The heating and ventilation arrangements are modern and quite perfect, but they will have to be understood by the teachers and janitor to get the best effects.

Christmas day Robert Dean visited his ranch above town and among other sightly things he saw a full bunch of ripe currants, red and sound, on his bushes. The bushes were denuded of leaves, but bore occasional partial bunches and this one full bunch of perfect fruit.

G. W. Peek, of San Francisco, manager and agent for eastern manufacturers of the Golden West Handle Co., also for the Battle Creek, Mich., School Furniture Co., was in Coquille yesterday. His prospecting in this locality is very important to us, and we hope he may realize his expectations of finding the kind of timber he can utilize to best advantage and be induced to locate a manufacturing establishment here. He wants specially broomhandles, with the additional wood for manufacturing handles for axes, adzes, hatchets, shovels, rakes, picks, plows, pike poles, etc., through all the line of implements, also for school furniture for the Michigan firm. The HERALD had a brief and pleasant call from Mr. Peek, whom we found to be an intelligent and pleasant gentleman and whom we should be glad to have associated with us, directly or indirectly, in business.

Dr. Miles' Nervine

A REMEDY FOR THE

Effects of Tobacco.

THE excessive use of tobacco, especially by young men is always injurious and undoubtedly shortens life materially. Mr. Ed. C. Ebsen, compositor on the Contra-Costa *News*, Martinez, Cal., writes: "I have used Dr. Miles' Restorative Nervine and received much benefit from it. I was troubled with nervousness, dizzy spells and sleeplessness, caused by the use of tobacco and stimulants. I took Dr. Miles' Nervine with marvelously good results, allaying the dizziness, quieting the nerves, and enabling me to sleep and rest, proving in my case a very beneficial remedy." Dr. Miles' Restorative Nervine is especially adapted to restoring the nervous system to its normal condition under such circumstances. It soothes, heals and strengthens.

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address,

PRELIMINARY TRIAL

Of Tom Drew and Ed White, Charged with the Robbery of Lorenz's Store.

The HERALD last week gave an account of the daring hold up of Henry and Ed Lorenz, early Thursday evening, Dec. 22d., and the robbery of N. Lorenz's store of $1100, concluding the statement with a notice of the arrest of Tom Drew and Ed White at Riverton, on Monday evening, 26th, and their delivery at this place on the noon boat Tuesday, as being charged with the crime, and held by the sheriff for examination at

1 P. M. WEDNERDAY.

At the proper hour, Justice J. H. Cecil assembled his court. The alleged robbers were present, as also a host of citizens, many from Riverton, as witnesses and lookers-on, for both the young men are youth grown up here and well known, hence a deep interest was manifested in the case. However, at this juncture neither the state nor the defendants were ready, and the judge set the hearing at 7 p. m.

THE COURT MET AGAIN

At the appointed hour and had an immense audience. In the meantime defendants had secured the services of Attorneys T. S. Minot, of Marshfield, and L. L. Bartenshaw, of Myrtle Point, for the defense, W. Sinclair representing the state and A. J. Sherwood assisting. The hearing of witnesses proceeded with increasing interest till 10 o'clock, when the trial adjourned till

9 O'CLOCK THURSDAY MORNING.

At this hour the building was thronged and some harsh criticisms passed between the partizans of either side—those who held to the guilt of the parties and those who held otherwise. However, the case proceeded that morning and in the afternoon and at night again, hearing witnesses for the prosecuton, the chief ones being the complaining witnesses, Nonda Anderson and George Boone. About 10 o'clock Thursday night the state closed, when the defending attorneys moved to dismiss the case, but his honor denied, and set 9 o'clock Friday morning to fix the bail.

The prisoners were in the sheriff's care till the morning hour, when Justice Cecil announced the prisoners would be held to the grand jury in the sum of $1000 each. Up to this hour the parties have failed to procure bail, though their relatives and many personal friends and neighbors are doing all in their power to secure bonds.

It is a very bitter fight and growing more so, chiefly owing to the complaining witnesses and their motives as charged by the prisoners' friends.

Joint Installation.

The joint installation of Myrtle Lodge, No. 78, A. F. & A. M. and its auxilliary, Elgin Chapter, No. 24, O. E. S., took place in the Masonic hall in this city last Tuesday evening, a large crowd consisting of the Masons' families being present. Just preceding the imposing ceremonies a splendid banquet was served in the banquet hall. The officers installed were:

Death of Mrs. Wimer.

Myrtle Point, Dec. 30.—Cordelia E. Wimer, wife of Geo. W. Wimer, died at her home on Fishtrap creek, Coos county, Oregon, on Christmas, 1898, aged 33 years and 27 days.

She was born in Iowa; was baptised into the Christian church in 1893, and lived in that church until last April, when at a meeting held by the writer near her home, she, with her husband and two daughters, united with the U. B. class which we organized at that place. She was a faithful member, an affectionate wife and mother and loved by all who knew her, and was ready to go when the summons came.

She left the bright evidence that she had gone to join the blood-washed throng above. how we will miss her in our class room. But what is our loss is her gain.

She leaves a husband, seven children, and a host of friends to mourn her loss. J. L. TAYLOR.
