The Herald Land & Loan Co. sold last week, to Henry Teters, esq., of Dayton, Oregon, the Marshall Way house and lot. Thus the good work goes on by a steady influx of good citizens coming in and those remaining generally who do well, as Mr. Way will likely engage again in business with us soon on his own account.

Policies written by the Pacific Mutual Life Insurance Co. excel in every feature that make insurance profitable and liberal. No one can afford to be without an Accident policy at this time of accidents and sickness. Give your application now for either a LIFE, ENDOWMENT or ACCIDENT policy to Rev. J. L. Futrell, or make application at the HERALD office.

C. L. Pennock, a worthy citizen from Beaver Hill, purchased this week of R. D. Sanford, through the Herald Land & Loan Co., the H. H. Nichols property, in Spurgeon's addition to Coquille City. For the present Mr. Pennock will remain at Beaver Hill, having employment there, and we shall be pleased to welcome him and his estimable family later on as permanent citizens.

Our representatives, Hon. Geo. F. Topping for Coos and Hon. E. S. Platts for Coos and Curry, joined an excursion of representatives from other portions of the state at Portland last Saturday and visited the sugar factory and inspected the sugar beet industry at La Grande. The visitors were under the care and management of Turner Oliver, a representative of the sugar factory, and the visit was made in the interest of fostering the industry by granting a state subsidy.

Dr. Carter received a telegram from his home at Coberg, yesterday, notifying him that his father was dying. This was very sad and unexpected news, as the old gentleman only left here Monday of last week for his home, via the bay and Yaquina, having spent eight or nine months with his son at this place. However, he is frail, and 81 years old, and doubtless the trip proved more than he should have undertaken, but he was longing to return to his home and it was on his mind so much that he was not enjoying himself here. The son started out to the valley, via Roseburg, last evening.

An Old Soldier

His Story of What Hood's Sarsaparilla Has Done

Whole Family Greatly Helped by This Medicine.

"I am an old run down soldier, my whole system being out of order and my right side partially paralyzed. I have tried various remedies and realized only temporary relief. I have been taking Hood's Sarsaparilla and Hood's Pills, and have derived more real benefit from them than anything I have tried. My wife has been greatly helped by Hood's Sarsaparilla. She was all run down and her system much out of order. My two little boys recovered quickly from the effects of diphtheria by taking Hood's Sarsaparilla, which rid them of troublesome sores and symptoms of the croup. They are now well and hearty." W. F. BURNETT, Starkey, Oregon.

Remember Hood's Sarsaparilla is the best—in fact the One True Blood Purifier.

Hood's Pills cure nausea, indigestion, biliousness, constipation.

The Salem Statesman annual special edition is another break from the usual "fake" special editions. It is a beauty. So also was that of the Portland Evening Telegram. Both are works of art, useful to the public and creditable to the publishers.

Chas. H. Burggraf, the Salem architect, who designed and superintended the construction of both our courthouse and new school building, has furnished us, in both instances, public buildings modern in style and arrangements, convenient, comfortable and especially applicable to the uses intended. Our new school building is his seven-teeth, a record not usually attained by so young an artist, which includes state normal buildings and several city structures.

How to Find Out.

Fill a bottle or common glass with your water and let it stand 24 hours; A sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO. There is comfort in the knowledge so often expressed, that Dr. Kilmor's Swamp-Root, the great kidney remedy, fulfils every wish in cutting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following the use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty cent and one dollar sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmor & Co., Binghamton, N. Y. When writing mention that you read his generous offer in the Coquille City Herald.

MISSOURI JUDGES PURGED OF CONTEMPT. Served Six Months in Jail—Another Chapter in the St. Clair County Bond Case Closed.

Kansas City, Mo., Jan. 3.—Another chapter in the celebrated St. Clair county bond case was closed today, when Judge Phillips, of the United States court, ordered the release from the county jail here of Thomas Nevitt and Thomas Gill, judges of the St. Clair county court, who have been in contempt of the federal court since June last, when they refused to obey the order of the federal judge directing them to levy a tax upon the property-holders of St. Clair county for the purpose of satisfying the repudiated bonds. The St. Clair county judges ceased to be in contempt of the federal court simply because their terms of office have expired. The taxpayers of St. Clair county elected their successors at the November election, and the judges then chosen were to all purposes elected into jail, for they were solemnly pledged to resist the order of the federal court directing the levying of the

The bond question is the one political issue of St. Clair county. The amount involved, including the principal and interest for 25 years, is now over \$1,000,000. The bonds were voted and issued in aid of a railroad, and amounted to about \$400,000. The promoters of the company secured the bonds, sold them in the east and left the St. Clair people with no sign of a railroad. When the bonds fell due, the taxpayers naturally resisted the payment, and though the federal court eventually decided in favor of the bondholders, the St. Clair county people have not, during all the years of litigation, been disappointed in any of the county judges whom they have elected to resist the federal court.

Last summer Federal Judge Phillips secured an offer of a compromise from the bondholders, who agreed to accept the principal of the bonds without interest. Judge Lyon, one of the three St. Clair county judges in jail here, who was serving his second term in jail, and who was in very poor health, agreed to vote for the tax under these conditions, and was purged of contempt by the federal judge. Judges Nevitt and Gill, however, spurned any offer of compromise, and served out their terms in jail. It was practically understood that this would be the course of Judges Nevitt and Gill, the majority of the court, when Judge Lyon secured his release by accepting the compromise.

The county court has a busy time, and Clerk Rackleff and Deputy Hazard are almost out of sight behind books and papers.

How to Prevent Pneumonia. You are perhaps aware that pneumonia always results from a cold or from an attack of la grippe. During the epidemic of la grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or la grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and la grippe. Every bottle warranted. For sale by R. S. Knowlton.
