Rev. John Church, who is prospecting in our section from Humbolt county, returned to Coquille last Friday from Myrtle Point, where he was under the hand of the grip. He was improving at the time he reached here, and then continued his trip to Marshfield on business. Comrade Church was a guest of Hon. O. Dodge while in Myrtle Point.

And Uncle Joe Hudson will see to the roads in district 13 this year. He is a very proper person, of intelligent and active experience in Oregon and in Coos county, knowing both what is needed and how best to get at it. Uncle Joe antedated the 49ers, is still active and enterprising, and we believe will not come short of a good record for road-making.

The Clayton & Son's shingle mill at Fishtrap has passed by lease into the hands of Wallace Hammack and Wilbur Albee, of that neighborhood, who will conduct the same and merit the growing patronage of their thrifty, enterprising predecessors. It is conveniently located to fill orders at any point, and the output is of the best material and manufacture.

The P. O. department has posted a notice for receiving sealed proposals for carrying the mail Sundays from Myrtle Point to Coquille City and return, on a run of three hours each way. The oversight, or slight, or whatever it may have been on the part of the authorities, in cutting us off from a daily mail and disarranging the original route, may prove more costly than it came to, to say nothing of the inconvenience to the public. The contracts should be given out to responsible local bidders, who are informed on the subject of roads, seasons, etc. The new route is to be instituted on March 15th.

Millard Shoemaker, of Bandon, arrived at this place last week and began alterations and improvements at the broomhandle factory, of which he takes the management since it passed into the hands of G. W. Peek, manager for the Golden West Handle Co. of San Francesco. Mr. Shoemaker and C. T. Farris, an experienced carpenter and millwright who accompanies him, are making improvements that will largely increase the capacity of the plant, besides adding to its convenience. They will place two more fine lathes, another engine, added bolting apparatus and enlarged drying rooms, and the capacity increased to a daily output of 6000 to 8000 handles. A force of experienced workmen will be here today or tomorrow, and the work of manufacturing will begin at once.

Medford Mail: "J. A. Whitman, has just returned from his trip over into Coos county and to San Francisco. While in Coos county he purchased 2000 boxes of very fine apples which he had packed and shipped to San Francisco. The apples in that country are a very good article, he states; few are pest infested; the flavor is good but they are not colored so well as the Rogue River valley fruit. The fruit after being boxed and ready for shipment was detained at Marshfield several days because of the roughness of the bar and the gale that was blowing outside. All freight shipments from that point are made by water. Mr. W. went to San Francisco by water and from there home—thus avoiding about a hundred miles of rough stage road."

From Extreme Nervousness.

That no one remedy can contain the elements necessary to cure all diseases, is a fact well known to everyone. Dr. Miles' *System* of Restorative Remedies consists of seven distinctively different preparations, each for its own purpose.

Mrs. L. C. Bramley, 37 Henry St., St. Catherines, Ontario, writes: "For years I suffered from extreme nervousness and annoying constipation, developing into palpitation and weakness of the heart. I was unable to sleep, suffered much from headache, pain in my left side, palpitation and a constant feeling of weakness and prostration. I began using Dr. Miles' Nervine, Heart Cure and Nerve and Liver Pills and the Anti-Pain Pills to relieve sudden paroxysms of pain and headache. I soon felt much improved and the pains and aches and weariness left me. I then took Dr. Miles' Restorative Tonic and am now restored to my former good health."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address,

State of Oregon, } ss.
County of Coos, }

I, Ed Rackleff, County Clerk of Coos County, State of Oregon, certify that the foregoing schedule of expenditures of Coos county, Oregon for the period from September 1, 1898, to December 31., 1898, and also some expenses in January, 1899, as made and audited and allowed by the County Court of the the State of Oregon, for the County of Coos, is a true and correct extract from the proceedings of said Court at the January, 1899 term thereof.

Witness my hand and the seal of the County Court this 20th day of January, 1899.

Ed Rackleff, County Clerk.
{ Seal. } By L. H. Hazard, Deputy.

Our townsman, E. Pannenberg, has received the appointment from Judge Bellinger, of the U. S. district court at Portland, as referee in bankruptcy. The appointment was unsolicited, and made on the 16th inst. The oath and bond were filed January 20, 1899.

Death of "Grandma" Stone.

After protracted sickness of several weeks, "Grandma" Stone departed this life in this city, at the home of her daughter, Mrs. D. F. Dean, on Friday morning, Jan. 20, 1899, aged 64 years, 6 months and 10 days. Deceased's maiden name was Kezish Frances Cardwell, and she was born at Harrodsburg, Mercer county, Kentucky, July 10, 1834. She moved with her parents to Missouri at the age of 7 years, and at Mexico, Mo., March 4, 1852, was married to Thomas Stone, who died in this city December 12, 1895. Mrs. Stone was the mother of 10 children, 7 of whom survive her. The family came to Coos county in November, 1887. Four of the surviving children are married and still resident citizens here: W. T. (Tolly) Stone on Fishtrap; Mrs. D. F. Dean, Mrs. Nannie L. Fellows and Mrs. Maggie Pike live in this city; "Bud" Stone, Mrs. Ruby Gohlman and John D. Stone, all known and formerly residents here, are now living in the state of Washington. "Grandma" Stone was loved by all who knew her. She was a consistent Christian these long years, amiable in temper, charitable and loving in spirit, with no harsh words or unkind acts toward anyone. Many will miss her, and especially those of the family relation—children, though grown, and grandchildren—but will hardly forget that sweet face and voice. May her rest be sweet.

The funeral services were conducted Saturday at 2 p. m. by Rev. C. A. Stine, at the home of D. F. Dean, esq., and the body was interred in the Odd Fellows' cemetery beside others of the family.

Coquille Lodge, No. 53, I. O. O. F., on Saturday evening, 14th inst., installed the following officers-elect for the next six months, D. D. G. N. Seed conducting the ceremony: B. F. Lawrence, N. G.; J. S. Lawrence, secretary; S. P. C. Johnson, treasurer; C. W. White, warden; C. A. Harrington, conductor; John Nasburg, I. G.; J. A. Seed, R. S. N. G.; D. L. Perkins, L. S. N. G.; E. A. Wimer, R. S. S.; J. S. Edmunds, L. S. S. The vice-grand elect and his supporters were to be installed at another time. Delegations and visitors of the brotherhood were present from Bandon, Parkersburg, Riverton, Arago and Myrtle Point, making an unusually large attendance.

Our old friend T. J. Perkins, of the lower river, visited this upper section of the valley several days last week in the interest of securing new varieties of fruits suitable for propagation here. Mr. P. is an old and honorable citizen, holding the confidence of all, both in respect of judgment as to the best and most suitable kinds of fruits to grow, and in his integrity as to business matters. He has established a good trade and is deeply interested in progressing in his line in that which makes him a benefactor in his day and generation. He keeps track of new and improved varieties of fruits, notes their merits for value, studies the science of their culture, etc., until now he is an authority as a horticulturist.

The county court's proceedings for January term are concluded in today's Herald, and are "official" reports, and, moreovsr, the Herald has been designated as "the official organ" to do the county's official advertising—the proclamation of the would-be press censor to the contrary notwithstanding. In the language of one of the famous men of the day, probably Dan Burns, or maybe Matthew Quay, or Pie-Face Bill, "You can't fool some people at all!"

The Hall street bridge was commenced Monday of last week and pushed to completion, including its connection with the First street bridge, and finished at the last of the week. It opens and makes useful another street from the main business part of town.

In supreme court at Salem last Thursday, in the case of the C. B., R. & E. R. R. & N. Co., respondent, vs J. H. Nosler, appellant, it was ordered on stipulation that respondent have 60 days from December 23, 1898, to serve and file brief.

The dance given by the band last Satuaday night, at their hall, was well attended and highly successful. The music, of course, was first-class, and went far to make the ball a success and the evening one of enjoyment.

We want to trade 220 acres good farming land in the best location as to school and market in Nebraska, either for a farm, town property or stock of goods in Coos county.

The county court's proceedings have been in the past and will be in the future published in the Herald for the public's information, whether paid for or not.

J. S. Hayes, of Empire, was over last week, having made a visit to Bandon and then stopped over a day or two with parents and friends at this place.

Prof. G. W. Johnson, of North Fork, was down on business last Tuesday and Wednesday. The Herald had a friendly call.

E. Bunnell was down from Fairview last week a couple of days shopping and attending to business.
