We have some large farms 1 to 3 miles from town, creameries, and good shipping facilities, which can be had more on account of old age or infirmity of owners, or lack of means, or proper tact for handling; some are under mortgage, and must be sold; some of these can be had low, and would divide into several choice small homes that can be made very profitable in time to people who are able to work, and have means and act to handle them.
