The Falling Leaves Give Warning of Winter

So the falling of the hair tells of the approach of age and declining power.

No matter how barren the tree nor how leafless it may seem, you confidently expect leaves again. And why?

Because there is life at the roots.

So you need not worry about the falling of your hair, the threatened departure of youth and beauty. And why?

Because if there is a spark of life remaining in the roots of the hair

AYER'S HAIR VIGOR

will arouse it into healthy activity. The hair ceases to come out: it begins to grow: and the glory of your youth is restored to you.

We have a book on the Hair and its Diseases. It is free.

The Best Advice Free.

If you do not obtain all the benefits you expected from the use of the Vigor, write the doctor about it. Probably there is some difficulty with your general system which may be easily removed. Address,

DR. J. C. AYER, Lowell, Mass.

The efforts of some persons to hinder new business ventures and the influx of new-comers will prove as futile as that of the wild steer to derail the locomotive and train on the plains. They are both coming and coming to come. A few of the more timid were discouraged at first, but later found that the opposition came from a very weak and officious minority of the citizenship. Several of the newcomers are old comrades, who not only inherited the right to come and occupy, but earned it as well by fighting for the country's freedom and greatness, and will therefore take a hand in the spreading of that gospel—"wade in and possess the land."

Parsnip Complexion.

A majority of the ills afflicting people today can be traced to kidney trouble. It pervades all classes of society, in all climates, regardless of age, sex or condition.

The sallow, colorless-looking people you often meet are afflicted with "kidney complexion." Their kidneys are turning to a parsnip color, so is their complexion. They may suffer from indigestion, bloating, sleeplessness, uric acid, gravel, dropsy, rheumatism, catarrh of the bladder, or irregular heart. You may depend upon it, the cause is weak unhealthy kidneys.

Women as well as men are made miserable with kidney and bladder troubles and both need the same remedy. Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, will build up and strengthen weak and unhealthy kidneys, purify the diseased, kidney-poisoned blood, clear the complexion and soon help the sufferer to better health.

The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases, such as weak kidneys, catarrh of the bladder, gravel, rheumatism and Bright's Disease, which is the worst form of kidney trouble.
