A woman notary public in Colorado was recently married and sought legal advice as to what name she should use in the future, officially. The attorney general of the state has finally given the gratifying opinion that she must sign all documents as before her marriage, for he finds no law compelling, or even authorizing the change of her maiden name on the simple excuse of marriage.

An alliance with England, we are happy to believe, is an impossibility. We have too many Germans, Scandinavians and Irish to stand such a fraud. We don't doubt for a moment that there is a scheme on foot between the Hanna party and the Prince of Wales to tie the United States to the British lion's tail, but the Americans of today are of better stuff than Hanna is made of, and will not tolerate such an outrage.

A co-operative cheese factory has been in operation at Gresham four months that has proven a wonderful success. A company of 10 prominent residents organized a company for the purpose of engaging in the manufacture of cheese, taking the product of about 200 cows. George Sleret is the president; John Roberts, treasurer; Louis Shattuck, secretary; Charles Lewis, manager and manufacturer.

Acting on the discovery of Colonel Smart, assistant surgeon general, U. S. A., that violet glass will locate the fire of a gun using smokeless powder, General A. R. Buffington, chief of ordnance of the war department, has ordered a number of "goggles and binoculars for use in the Philippines."

Roseburg Review: The contract for furnishing dry goods for the Soldiers' Home has been awarded to Wollenberg Bros. and the groceries to J. F. Barker & Co. Several other contracts are yet to be let. The above-named firms had the same contracts last year.

Topka State Journal: A Spanish court-martial has decided that Cervera was not responsible for the destruction of the fleet under his command at Santiago last year. They were after the wrong man. Schley is the guilty party.

A Kramer, of Dayton, Ia., jumped from a Southern Pacific train in the desert near Burbank, Cal., and, taking a penknife from his pocket, he proceeded to gash his throat. The heat drove him insane.

The fruit-growers at Ashland, Oregon, have completed an organization for the purpose of marketing their fruit. They will have between 30,000 and 40,000 boxes of peaches to dispose of this season.

Ex-Governor William J. Stone, of Missouri, says there is no truth in the report that James K. Jones, of Arkansas, intended to resign the chairmanship of the Democratic national organization.

England is just a little shy about tackling Oom Paul Kruger. Oom Paul would win out in a war with England just the same as Washington won out in 1776.

A man walking day and night without resting would take 428 days to journey around the world.

The Halse mill will ship a consignment of 10,000 sacks of flour for Japan.

In England "amalgamations," not "trusts," are being formed.

SECRETARY OF WAR ALGER RESIGNS

Turned Over the Office to Assistant Secretary, New York Lawyer Appointed.

Washington, July 19.—Secretary of War Alger has tendered his resignation to take effect at the pleasure of the president.

SECRETARY PRO-TEM.

Washington, July 20.—Secretary Alger will turn the war department over to Assistant Secretary Meiklejohn on Monday.

THE PRESIDENT TAKES ROOT.

Washington, July 22.—Elihu Root of New York city has been tendered and has accepted the secretaryship of war.

[Elihu Root is a prominent New York lawyer and Republican politician, without any war record or experience. He was born at Clinton, N. Y., February 15, 1845, is college bred and a graduate of a law school.]

Arrested for Showing Favor to a Wealthy Convict.

Chicago, July 19.—Sheriff Coulson, of LaSalle county, Ill., is to be arrested on the charge of malfeasance in office. William R. Henning, a bucket-shop operator, who was sentenced to one year in the Ottawa jail, has been allowed by the sheriff to live outside the jail. Henning is wealthy. He made himself a factor in Ottawa life, having examined the surrounding hills and found large cement and silicate deposits, and has promised to make Ottawa a great glass and cement manufacturing city. He has built a house there, in which Mrs. Henning lives and entertains, and has made himself one of the most popular men in town.

The warrant for the sheriff's arrest was issued last night.

Census Supervisor.

Salem, July 17.—C. B. Winn, of Albany, has been appointed by the president as census supervisor of the first congressional district of Oregon, upon the recommendation of Congressman Tongue.

[Winn is the agent at Albany for the Wells-Fargo Express Co., and is a locally prominent Republican politician. He will have charge of taking the U. S. census of 1900 in all the counties of western Oregon.]

Held to the Grand Jury.

Roseburg, Or., July 18.—Justice Miller held James Jennings, of Bohemia, to the grand jury, for maliciously destroying a transit belonging to United States Mineral Surveyor Collier, of Eugene, and bound defendant, in the sum of \$2000, to answer at the next term of the circuit court.

Blinded by a Philippine Fly.

Hazleton, July 20.—Hugh Baker, a discharged soldier from the Philippines, arrived home today, and was tendered an enthusiastic reception. At Manila a sea fly bit him in the left eye, destroying the sight. The other eye is affected now, and it is feared Baker will be totally blind.—Public Ledger.

Death of Col. Bob Ingersoll.

New York, July 21.—Col. Robert G. Ingersoll died at his home, Wals-ton-on-Hudson, near Dobb's Ferry, today. His death was sudden and unexpected, and resulted from heart disease, from which he had suffered since 1896.

Storms at Manila.

Manila, July 20.—To the adjutant general, Washington: "A storm is still prevailing; barometer rising, indicating improving weather conditions. Average rainfall in July for several years, 14 1/2 inches. For 20 days in July now closed, 41 inches. The country is flooded. Troops on the outposts have suffered, and the former lines of communication were cut in some instances; not serious. No material increase in sickness is reported. Telegraphic communication maintained with San Fernando, Bacor and nearly all other points. Unable yet to coal returning transports."

Dewey in Austria.

Trieste, Austria, July 20.—The cruiser Olympia, with Admiral Dewey on board, arrived here yesterday. The principal newspaper, Il Piccolo, has a flattering article welcoming the admiral to Austria. The Olympia will remain here about two weeks. Dewey's health is perfect. Upon her arrival here the Olympia fired a salute of 21 guns, which was returned from the fort and one Greek and four Austrian warships.

"I have used Chamberlain's Cough Remedy in my family for years and always with good results," says Mrs. W. B. Cooper of El Rio, Cal. "For small children we find it especially effective." For sale by R. S. Knowlton.

Teachers' Examination.

The first semi-annual examination of applicants for county and state certificates will be held in the courthouse in Coquille City, August 9-11, 1899, commencing at 9 a. m.

As this will be the first examination under the present law, attention is called to the following points: First—Examination begins at 9 a. m. and continues three days. Second—Persons under 17 years of age are not eligible to a certificate, and 18 years is the minimum age for 1st and 2d grades. Third—A fee of \$2 is charged each applicant at the beginning of the examination, not to be returned even though the applicant should fail to pass. Stationery, etc., furnished by the board.

W. H. Ebsen, County Superintendent.

Ashland Tidings: President W. T. VanSoy, who returned yesterday from a trip to Coos county in the interest of the normal, reports that section of the state as having the appearance of prosperity in every way, the dairying, lumbering and coal mining interests having a marked upward tendency, while the people are hopeful of getting railroad connection with the outer world soon through the building of the Roseburg & Coos bay road already started. The towns on Coos bay are all looking thrifty and prosperous, with much new building under way recently.

The trip to Dawson can now be made for \$140.

Out of 1200 men comprising the 20th Kansas regiment, only eighteen are of foreign birth. Nearly the whole are of Anglo-Saxon blood, and many more than half are the sons of farmers.

Sold as Slaves, Reunited.

Chicago, July 16.—After a separation of sixty-six years Nathan Branch, the oldest colored man in Evanston, will meet his brother Lee, of Macon, Ga. The last sight they had of each other was in an auctioneer's room on a plantation in Chesterfield county, Va., when they were offered for sale.

"It's too bad," said little Bessie, "that there isn't another little Peter boy." "There have six," said her mother. "I should consider that about enough." "Well," said the little girl, "they can all take each other's clothes as they grow up, but there isn't any one to take little Johnnie's, and it seems kind of wasteful."

A Fortune in Store.

Mrs. S. E. Harkness of near this city has just received word of that immense fortune awaiting her from England. The amount we are not at liberty to state, but suffice it to say, that though Ceresus were alive he would not know what to do with so much money. There have been many stories of fortune from across the great deep to relatives in this country but very few of them ever materialize. Mrs. Harkness is quite confident that her expectations will be realized in a reasonable length of time, and in the meantime no time will be lost in getting papers in shape to make proof of her right. Mrs. Harkness has a sister in Ashland and also one near the Pass who will share with her the fruits of this fortune, as well as a number of others. May there be no visions nor dreams but realities in this matter, is the wish of the Courier.—Grants Pass Courier.

[Mrs. Harkness is well known in this city, where she resided with her family several years, and has many friends here who will sincerely congratulate her on the realization of such good fortune.—Ed. HERALD.]

Mrs. E. B. Smith spent several days visiting friends in Coquille.

Frank Buech and family are attending campmeeting at Gravel Ford.

Miss Mollie Kinnicut is now running a private school in the Canterbury house.

From all accounts the circuit court will have quite a "general merchandise" account to settle in our town, consisting of bacon, hams, eggs, Graham flour, chickens, tobacco, flour, and other small packages, beside quite a quantity of hardware, including tools, rakes, etc. Well, the quicker the accounts are settled and the books closed the better it will suit the community.

Miss Rachel Marsden is visiting friends here. DONA ANA.

LA GRIPPE

Is now reaping a rich harvest. It is drawing thousands within its ghastly grasp. Medical statistics compiled by the best physicians in the world show that over 60 per cent of the cases of acute grippe are due to the consumption of L. A. GRIPPE. This consumption develops owing to the weakened state of the lungs produced by the discharge of the mucus membrane in the throat. Study each one carefully. Facilitate your own relief with them. If strong and regular use of L. A. GRIPPE will bring about the acute symptoms have subsided, HUDYAN will bring about the restoration to perfect health.

THE PARTS AFFECTED ARE: 1. THE MUCOUS MEMBRANE LINING OF THE BACK PORTION OF THE NOSE—it becomes inflamed and thickened, and a chronic Catarrh is the result. HUDYAN will reduce the inflammation, produce a perfect circulation of blood and leave the mucous membrane in a perfectly healthy condition.

2. THE EAR DRUM: THE MUCOUS MEMBRANE OF THE EAR—it becomes inflamed and thickened, giving rise to almost total deafness. HUDYAN will prevent the spread of the inflammation, and hearing will be unimpaired.

3. WEAKNESS IN THE HEART: HUDYAN will strengthen the heart nerves, equalize the circulation of blood and cause the heart-beats to become strong and regular.

4. A WEAKENED CONDITION OF THE LOWER RESPIRATORY TRACT: LEAVING THEM PRONE TO ATTACKS OF PLEURISY, PNEUMONIA AND CONSUMPTION—by its effect on the blood and nerves HUDYAN will cause the lung tissue to become strong and healthy and able to throw off the germs of the much dreaded pulmonary disease.

5. LUMBAGO OR NEURALGIC BACKACHE: HUDYAN will strengthen it almost immediately.

HUDYAN will cure all of the above symptoms and leave your whole system in a perfect condition of health. Go to your druggist at once, and procure a package of HUDYAN for 50 cents, or six packages for \$2.50. If your druggist does not keep it, send direct to the HUDYAN REMEDY COMPANY, San Francisco, or Los Angeles, Cal. Remember that you can consult the HUDYAN DOCTORS FREE. Call and see the doctors. You may call and see them or write, as you desire. Address:
