Bert Dean, the livery man, lost his best horse last Tuesday afternoon, rather suddenly and unaccountably. It is hardly known what ailed the animal, but it is thought a broken blood vessel was the cause of the death. He was a good all-round work horse, and the loss falls heavily on Bert.

Roseburg Review: Mrs. C. E. Hassard and little daughter, Grace, returned home last night from a month's visit with relatives at Riverton, Coos county. They report a very pleasant trip, having spent a week of their time at Bandon beach. Charlie is now wearing his broadest smiles.

Mrs. Root last week visited Marshfield to deliver orders for the "Ideal Steam Cooker," for which she is agent and canvassed the bay side some weeks ago. She made a good many sales, and the article gains friends wherever it is introduced. It is as indispensable in the cooking department of the family as the sewing machine is in that department, and at so small a cost. Go and get one at once.

The Carry county grand jury, at close of its business in district court on the 25th ult., investigated the county treasurer's office and reported it to be "carelessly conducted, and no person here to receive the funds collected by the sheriff and clerk." Averill is county treasurer.

There is more catarrh in this section of the country than all other diseases and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses of 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials Address: F. J. CHENEY & Co., Toledo, O. Sold by druggists, etc.

I am a farmer located near Stony Brook, one of the most malarious districts in this State, and was bothered with malaria for years, at times so I could not work, and was always very constipated as well. For years I had malaria so bad in the spring, when engaged in plowing, that I could do nothing but shake. I must have taken about a barrel of quinine pills besides dozens of other remedies, but never obtained any permanent benefit. Last fall, in peach time, I had a most serious attack of chills and then commenced to take Ripans Tablets, upon a friend's advice, and the first box made me all right and I have never been without them since. I take one Tabule each morning and night and sometimes when I feel more than usually exhausted I take three in a day. They have kept my stomach sweet, my bowels regular and I have not had the least touch of malaria nor splitting headache since I commenced using them. I know also that I sleep better and wake up more refreshed than formerly. I don't know how many complaints Ripans Tablets will help, but I do know they will cure any one in the condition I was and I would not be without them in the world. As I am twenty-seven years of age and have worked hard all my life, the same as most farmers, both early and late and in all kinds of weather, and I have never enjoyed such good health as I have since last fall; in fact, my neighbors have all remarked my improved condition and have said, "Say, John, what are you doing to look so healthy?"
