It is the Clayton Bros' (and not W. H. Schroeder), we are reliably informed, who are putting up the new shingle-mill on Halls creek. They have contracted for the red cedar timber and placed the plant on Mr. S's land, but this firm own and will conduct the business.

John Flanagan, a pioneer and well-known citizen of Empira City, and Attorney S. H. Hazard came to Coquille in a private conveyance last Thursday on business at the county seat. The HERALD had a pleasant call. Mr. Flanagan was a heavier loser by the recent fire than we had first learned.

The train took up quite a quantity of piping and machinery for parties at Myrtle Point last Wednesday. With Black & Co's new fruit dryer, the creamery improvements and extensions, and materials for the new steel bridge on the Middle Fork, the receipts of supplies of that kind are considerable.

Mr. and Mrs. Alex. H. Snyder, of Myrtle Point, came down last week to visit a few days and see that new grand-son of Mr. and Mrs. Alex. junior. Comrade Snyder graced our sanctum with a visit. The comrade is now near 70 years old, a victim of catarrh, but otherwise feeling fairly well. He contemplates making a visit back to the scenes of his youth in Ohio and Pennsylvania. We wish him a safe and enjoyable trip.

Joseph Ferry was brought to this place from Riverton on the steamer Fawn last Friday and taken thence on the train to Marshfield, his brother James and Mrs. Ferry having charge. The recent fall Joseph received from a scalding, while working on a schooner, proved much more serious than at first thought—it was painful and had enough from the first. He will have the best of medical skill right at hand, and it is the hope of the HERALD that he may yet be restored to health and usefulness.

There is more entarrh in this section for the country than all other diseases, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, produced incurable. Science has proven entarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses of 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75c.

I am a farmer located near Stony Brook, one of the most malarious districts in this State, and was bothered with malaria for years, at times so I could not work, and was always very constipated as well. For years I had malaria so bad in the spring, when engaged in plowing, that I could do nothing but shake. I must have taken about a barrel of quinine pills besides dozens of other remedies, but never obtained any permanent benefit. Last fall, in peach time, I had a most serious attack of chills and then commenced to take Ripans Tablets, upon a friend's advice, and the first box made me all right and I have never been without them since. I take one Tabule each morning and night and sometimes when I feel more than usually exhausted I take three in a day. They have kept my stomach sweet, my bowels regular and I have not had the least touch of malaria nor splitting headache since I commenced using them. I know also that I sleep better and wake up more refreshed than formerly. I don't know how many complaints the Ripans Tablets will help, but I do know they will cure any one, in the condition I was and I would not be without them at any price. I honestly consider them the cheapest-priced medicine in the world, as they are also the most beneficial and the most convenient to take. I am twenty-seven years of age and have worked hard all my life, the same as most farmers, both early and late and in all kinds of weather, and I have never enjoyed such good health as I have since last fall; in fact, my neighbors have all remarked my improved condition and have said, "Say, John, what are you doing to look so healthy?"
