All of These Songs Free.

Announcement was made last week of a Sunday World Music Album of ten songs to be issued weekly. Following is the complete list:

"In the Shadow of the Carolina Hills," by George Taggart and Max S. Witt, authors of "The Moth and the Flame."

"If All the Girls Were Like You,' by Charles Graham, author of "Two Little Girls in Blue."

"I'm Nothing But a Big Wax Doll," by Malcolm Williams, author of "My Ann Elizer."

"You'll Have to Transfer," by Abe Holzmann, composer of "Smoky Mokes," the greatest cakewalk hit of the season.

"Sweet Norine," by Gussie L. Davis, author of "The Baggage Coach Ahead."

"Snap-Shot Sal," by Williams and Walker, the two real "coons," authors of "I Don't Like No Cheap Man."

"Tell Mother Not to Worry," by Louis Myll, composer of "Coontown Carnival Cakewalk."

"Prancing Pickaninnies," by Max Dreyfus, composer of "A Carolina Cakewalk."

"My Georgia Lady Love," by Sterling, Howard and Emerson, authors of "Hallo, Ma Baby."

"There Ain't No Use to Keep on Hanging 'Round," by Irving Jones, author of "Get Your Money's Worth."

One song each week for ten weeks. First song published Sept. 3, "In the Shadow of the Carolina Hills."

The entire set is to be given away with ten Sunday Worlds, and will be sent postpaid, including ten Sunday World Magazines, Art Portfolic and Comic Weeklies for 50 cents. Send 50 cents today, tomorrow or next week. Don't wait later than next week. This is a most exceptional offer and is only put forth to advertise the great Sunday World. Address, Music Editor, The World, Pulitzer Building, New York.

Atchison Globe: More attention should be paid to the old fashioned saying, "He who brings will carry." If a man brings bad stories about others to you, he will carry bad stories about you to others. This is so true it is a wonder that people are not more cautious in their talk when with gossips. Don't let anyone carry anything from you.

An exchange says the two important events in the life of a man are when he examines his upper lip and sees the hair coming, and when he examines the top of his head and sees the hair going. This is no joke.

An enactment of the Texas legislature provides for the teaching in the public schools of a course of humane treatment to animals.

Good Enough to Take.

The finest quality of loaf sugar is used in the manufacture of Chamberlain's Cough Remedy and the roots used in its preparation give it a flavor similar to that of maple syrup, making it very pleasant to take. As a medicine for the cure of coughs, colds, la grippe, croup and whooping cough it is not equaled by any other. It always cures, and cures quickly. For sale by R. S. Knowlton.

Notice.

To my friends, whom I have let have goods on time in the last four years, I now appeal to you for a little help. Yesterday my residence and woodhouse were consumed by fire, and I must have money to enable me to rebuild. I shall wait a few weeks before placing accounts in the hands of a collector, so please come forward and help me now in my hour of need.

Respectfully yours,
J. J. LAMB.

Coquille City, Aug. 29, 1899.

Mother (severely)—Robert, have you been fighting? Little Robert (badly battered)—No, ma'am; I have—boo! hoo!—been fought!

Jaggles—I see there's a new keeper in the menagerie. Didn't the animals like the old one? Waggles—I guess so; they ate him up.

Grand Army Officers.

Philadelphia, Sept. 7.—At the National encampment of the Grand Army of the Republic, Judge Roussier, of St. Louis, withdrew as commander-in-chief, and Col. Albert D. Shaw, of Watertown, New York, was elected by acclamation.

Irvine Robins, Indianapolis, was elected senior vice commander; H. M. Minto, Louisville, junior vice commander; William H. Baker, Lynn, Mass., surgeon general.

The national encampment of the Grand Army of the Republic has selected Chicago for the next place of meeting.

In his report, Senior Vice-Commander-in-Chief W. C. Johnson, of Cincinnati, says:

"I herewith give a statement taken from the report of the national W. R. C. secretary's report of the present year: Number of members, June 30, 1899, 131,630; number of corps, 3156; amount of money expended for relief present year, $60,-608.62; amount turned over to posts, $38,111.47; expended for Memorial day, $10,800.20; expended for Memorial day in Southern department, $1028.56; expended for W. R. C. Home, $8794.77; making a total of over $18,000 expended for the year and making a grand total expended since its organization to June 30, 1899, of $173,991.71.

Country Editors, Lookout!

There is a new swindle being worked in the east which will probably drift through here in time. It takes three persons to make it work, not counting the sucker. A man dressed to represent a clergyman drives up to a farmhouse about nightfall and requests the privilege of remaining over night. Before the hour for retiring comes, a man and woman drive up and request to be directed to the nearest minister, as they desire to be married. The pretended clergyman volunteers his services, joins the couple in the bonds of wedlock, and the farmer is asked to sign his name as a witness. Shortly after the signature of the farmer turns up on the heavy end of a promissory note.—The Ward Miner, Colorado.

James Bright is building a new store room at Gravel Ford, the one now occupied proving inadequate for that purpose.

Robert Wagner, the butcher, purchased 30 head of fine beef cattle in the South Fork country this week for his shop at this place.

The new public schoolhouse at Gravel Ford has been completed and school began Monday with Miss Minnie McCloskey, of Norway, as teacher.

Bob Braden has resigned his position as manager of the Roseburg-Myrtle Point stage line and gone to Idaho.

A. H. Black & Co. have completed their new building and began work Tuesday with their fruit evaporator. The building is a two-story one, with a large basement. The first floor is used for preparing and evaporating the fruit and contains the evaporator. The second floor is to be used for storage, and no pains have been spared to make it a good storage room; cool at all times and proof against rats and other pests. The building is connected with their large apple house by an elevated walk. The capacity of the evaporator will be about 60 bushels of apples per day. It will be run day and night and will give employment to 10 or 12 persons, and with their apple packing establishment and fruit dryer both in active operation it makes a lively appearance.

CHRONIC MALARIA

Differs materially from ordinary chills and fever. It is the result of repeated acute attacks. The liver and spleen are principally affected. They act as storehouses for the malarial poison and the blood takes it from them. The poison must be driven out of the system. HUDYAN will eradicate every trace of it. HUDYAN will destroy the action of the poison and eventually drive out the last particle of it from the system. In addition to this, HUDYAN will restore the lost appetite. It will build up the weakened system HUDYAN will make new blood and new flesh. The pains in the bones will disappear. The befuddled brain will become clear. HUDYAN will do all this and make you well. HUDYAN has cured others and it will cure you. We describe the symptoms. Study them carefully. They are yours. Do not delay longer, but take HUDYAN now and you will be cured.

HERE ARE YOUR SYMPTOMS:

1. CONSTANT HEADACHE AND TROUBLED BRAIN. The malarial poison is circulating in the brain. HUDYAN will drive it out. HUDYAN will purify the blood and the brain will receive it in a pure state. Your headaches will disappear and your mind will become clear.

2. PALE OR YELLOWISH COMPLEXION. HUDYAN will establish a free circulation of pure blood and cause the cheeks to assume their natural color.

3. LOSS OF APPETITE AND GNAWING IN THE STOMACH. HUDYAN will clear the stomach and restore the appetite and the digestion of food will become perfect.

4. FEELING OF WEIGHT OVER THE LIVER. This is due to the enlargement of the liver. It is filled with the poison of malaria. HUDYAN will drive out the poison and cause the organ to assume its natural size.

5. HEAVINESS IN THE REGION OF THE SPLEEN. The spleen becomes greatly enlarged. HUDYAN, by its direct action on the malarial poison, will lessen the congestion and cause the heaviness to disappear.

You are suffering from Chronic Malaria and you can be cured. The relief is held out to you. It is HUDYAN. HUDYAN will relieve your every symptom and make you well. When you have used HUDYAN tell your friends what it has done for you. Hudyan can be obtained of all druggists for 50c per package, or six packages for $2.50. If your druggist does not keep it, send direct to the HUDYAN REMEDY COMPANY, San Francisco or Los Angeles, Cal. Remember that you can consult the HUDYAN DOCTORS FREE. Call and see the doctors. You may call and see them or write, as you desire. Address

A. O. U. W.

King of All — 31 Years Old — Over 370,000 Members.

The table below will reflect 40 years experience of the Woodmen of the World, Modern Woodmen of America, Knights of the Maccabees, and the A. O. U. W. based upon 12 assessments per annum, upon 1000 members who entered at the age of 20 years and carry $1000 each. As members die out others 20 years old are to be initiated to take their place. The cost of carrying these members is taken from the Mortality Table of the National Fraternal Congress, to which these orders belong.

AGE.	COST. for 5 years.	W. O. W. income 5 yrs.	M. W. A. income 5 yrs.	K. O. T. M. income 5 yrs.	A. O. U. W. income 5 yrs.
20-25	$ 20,000	$ 21,000	$ 24,000	$ 36,000	$ 36,000
25-30	26,000	21,000	24,000	36,000	38,940
30-35	27,750	21,000	24,000	36,000	42,928
35-40	30,700	21,000	24,000	36,000	49,009
40-45	35,850	21,000	24,000	36,000	58,588
45-50	44,350	21,000	24,000	36,000	73,777
50-55	57,250	21,000	24,000	36,000	95,973
55-60	78,550	21,000	24,000	36,000	93,782
	$320,450	$168,000	$192,000	$288,000	$488,958

The total cost of carrying these men is $320,450. The surplus on the A. O. U. W. plan would be $168,508. All other plans show a deficit.

In order to pay these losses as they occur, the orders mentioned would have to levy the following number of assessments per annum:

AGE.	COST. 5-yr periods.	W. O. W. No. asses'mts per annum.	M. W. A. No. asses'mts per annum.	K. O. T. M. No. asses'mts per annum.	A. O. U. W. No. asses'mts per annum.
20-25	$ 20,000	12	10	7	7
25-30	26,000	15	13	9	8
30-35	27,750	16	14	9	8
35-40	30,700	17	16	10	8
40-45	35,850	21	18	12	8
45-50	44,350	25	22	15	8
50-55	57,250	33	28	19	8
55-60	78,550	45	40	26	8

These tables will readily show the strength of the A. O. U. W. plan. The A. O. U. W. increases the rate to be paid with increasing age, and the other orders increase the number of assessments. At the end of the 40 years reflected experience, a young man, 21 years old, desiring to join an order, would have to pay as follows: W. O. W. 45 assessments; M. W. A. 40 assessments; K. O. T. M. 26 assessments; A. O. U. W. 8 assessments. Which order do you think he will join?

A plan to live must collect from its members sufficient money to pay their way and not depend upon securing from other sources. The A. O. U. W. does not collect 12 assessments per annum; it is not necessary, but if an epidemic or panic should come, the rates are ample to cover losses, and still back of theses rates stand the Supreme Lodge with its Relief Fund from which has already been paid over $4,000,000, and it is practically inexhaustible. The A. O. U. W.—the Father of All Beneficiary orders—stands today without a peer; it is the Gibraltar of all orders; the oldest, the strongest, the safest, the best. The best is none too good for you.
