Dora Items.

Dora, Sept. 17.—Last Friday William Abernethy presented the Dora school with a large U. S. flag. In honor of the day the school prepared quite an extensive program, much of which was conducted outside in the shade of the school-house. The raising of the 56 foot pole formed quite an item of interest and when, at last, the flag was slowly drawn to the top, it was greeted with a most enthusiastic round of cheering, in which the girls as well as the boys proved their ability. The way in which the children joined in singing "The Red, White and Blue" and other patriotic songs, showed that the proper spirit was not wanting.

The Dora school is now entering upon the fifth month of its session. The pupils edit a school paper, which is read every Friday afternoon and has proven quite a center of attraction to the neighborhood, as well as a source of pleasure and profit to the pupils themselves.

Miss Julia Howe, of Marshfield, is at Dora visiting her parents.

Ed Weekly and assistants returned Friday from taking a large drove of hogs to Roseburg.

Mr. and Mrs. Hatcher and family, of Bandon, have been visiting relatives at Dora the past week.
