Church Directory.

M. E. church, south—regular services each Sunday morning and evening, by the pastor, E. L. Frech.

Rev. Robt. Ennis, Presbyterian, will conduct services in this city the 2d and 4th Sundays of each month, in the circuit court room at the courthouse, until farther notice. All are cordially invited.

LOCAL ITEMS.

Charley Lavine lost a fine cow several days ago, caused by something which she ate.

Grandma Robison is the guest of Mrs. R. E. Buck during the absence of Mr. and Mrs. George Robinson in California.

Mrs. B. N. Harrington, of Bandon, visited at Gardiner lately, returning Thursday and stopping with Mrs. Rose, a cousin, a day or two.

E. P. Mast was down from McKinley last Thursday and rustled a sale of considerable produce, at least part of which he will deliver this week.

G. M. McGaffey and family have moved from Stockton, Cal., to Acampo, after a residence of several years at the former place. All are well known here.

Mrs. Stine took the special train last Tuesday morning to visit her daughter, Mrs. Mable Buckner, at Gardiner, and be with her while Rev. Mr. Buckner is absent at the annual conference at Salem.

M. A. Quigley and H. F. Parker, of Pasadena, Cal., are prospecting for the lease of a dairy ranch in this valley. They can be addressed at Myrtle Point for the present, if any owners want good, energetic tenants.

Mr. and Mrs. George Robinson left last Thursday morning on a visit to Berkeley, Oakland and San Francisco—chiefly to the former place to her parents, Dr. and Mrs. Leneve, and to her brother John W. and family.

Two more of the Arlington high-arm sewing machines have been ordered by us for near-by citizens. It is up to all that is said of it—ask the purchasers. Better let us send soon, for we do not know how long the offer will be open.

The W. H. Bunch residence property, just north of the Collegiate Institute, was sold last week through the Herald Land Co. to our townsman, J. C. Wilson. There are two lots and an unfinished cottage, which sold for $400.

AGENTS WANTED—FOR "THE LIFE and Achievements of Admiral Dewey," the world's greatest naval hero. By Murat Halstead, the life-long friend and admirer of the nation's idol. Biggest and best book; over 500 pages, 8x10 inches; nearly 100 pages halftone illustrations. Only $1.50. Enormous demand. Big commissions. Outfit free. Chance of a lifetime. Write quick. The Dominion Company, 5d Floor Caxton Bldg., Chicago.

There never was an invention that met the "all-round" needs of the kitchen like the "Ideal Steam Cooker," represented in Coos county by Mrs. Root. It not only does its work completely and satisfactorily, but saves labor, material, fuel and anxious care. Be sure and get one.

L. C. Thurman, whose return to Coquille City after an absence of a couple years and a short service in the army, was mentioned last week, has leased the Drain blacksmith and wagon shop and will operate it henceforward. Mr. T. has many acquaintances, whose patronage he won before, and he hopes to share in it again. See his card in today's HERALD.

Dean's livery stable lost another of its best horses last Tuesday, the mate of one that died about ten days before and in the same manner. They made a good team, and while stock handlers differ as to the probable cause of their death, Bert thinks they had sprained themselves in work at the wharf, where the pulling is so irregular, often heavy and "jerky."

Sealed bids will be received by the Curry county court at Gold Beach up to the 27th inst. for the construction of two bridges—one of wood or iron of 160-foot span, with suitable approach across Winchuck river, at or near site of the old bridge; and one across Elk river, of 140-foot span, at the site of the old bridge. Plans and specifications are to accompany bids from each bidder, and bids are to be marked, "Bid for constructing the Winchuck river bridge," "Bid for constructing the Elk river bridge," and filed with the county clerk on or before Sept. 27th.

Attorney L. A. Roberts, of Myrtle Point, visited Coquille last Thursday in company with State Land Agent L. B. Geer, of Salem. Mr. Roberts is agent and local attorney for the state land board, and with State Agent Geer was investigating lands and the conditions of loans made by the state board in past years in Coos county. Mr. Roberts has filed a suit in one case already, that of the State Land Board vs. Thos. McBee and wife et al. to foreclose mortgage. This business for some years past seems to have been very carelessly handled, greatly to the detriment of the state and school fund, but it is the intention of Mr. Geer and local Attorney and Agent Roberts to straighten out affairs and place them on a secure basis.

Curry County Court Notes.

County Commissioner Adolphsen returned from court yesterday. The court not having adjourned until late Saturday night, we are unable to publish the official proceedings this week.

The bridge petitions were presented and received favorable action by the court. The total highest vote cast at the last election was 576; the petitions carried the names of 315 signers, but 5 names were stricken off, leaving the names of 310 legal voters.

A cash levy of 7 mills on the dollar was made for bridge purposes, which will raise the sum of $4147 for the bridge fund. Future annual levies to be regulated by the court, according to necessities.

The total assessed value of taxable property for year 1899, as equalized, is $592,436.

Total tax levy: For county purposes, 15 mills; for bridge fund, 7 mills; for school purposes, 6 mills. The total county and bridge levy is 3 mills less than the county levy last year.

It is calculated that the bridge levy will build the Elk and Winchuck bridges and leave several hundred dollars for building and repairing the smaller bridges.—Port Orford Tribune.

Prof. Mulkey, of the Elkton school, left Saturday for Marshfield, Bandon, Coquille and other points in the Coos bay country and will also see Portland and Salem before returning home. His business is partly in the interest of the Elkton school.

There is more catarrh in this section fo the country than all other diseases and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses of 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials Address, F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75c.

[Coos Bay News.]

The rock to be dumped on the jetty is to range in weight between 500 pounds and 10 tons.

A number of colored miners, for the Klondike mine, arrived via the Coos Bay wagonroad Sunday.

A marriage license was issued in Roseburg last week to Geo. Cox, of Nehalem, Wash., and Lillie Stillwell, of Coos county.

A party from San Francisco has made arrangements to visit the headwaters of South Coos river, to hunt elk, the killing of which is prohibited by law until 1910. Game wardens have been notified and are prepared to make arrests in case the law is violated.

The Marshfield graded and high school opens next Monday, with the following corps of teachers: Prof. Golden, principal; Miss Aida L. Collison, 7th and 8th grades; Miss Florence Twombley, 5th and 6th grades; Miss Bessie Collison, 3d grade; Mrs. Wilbur, 1st grade.

Chronic Diarrhoea Cured.

This is to certify that I have had chronic diarrhoea ever since the war. I got so weak I could hardly walk or do anything. One bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy cured me sound and well.

J. R. Gibbs, Fincastle, Va.

I had chronic diarrhoea for twelve years. Three bottles of Chamberlain's Colic, Cholera and Diarrhoea Remedy cured me.

S. L. Shaver, Fincastle, Va.

Both Mr. Gibbs and Mr. Shaver are prominent farmers and reside near Fincastle, Va. They procured the remedy from Mr. W. E. Casper, a druggist of that place, who is well acquainted with them and will vouch for the truth of their statements. For sale by R. S. Knowlton.

The steamer Homer arrived at San Francisco on the 10th inst. from Cape Nome and St. Michael, Alaska, bringing several miners and $200,000 in gold, $100,000 of which was treasure shipped in care of the vessel and not accompained by the owners. But one in particular of the returning miners interests our people as a fellow-citizen, who has succeeded fairly well in his quest for gold. W. J. Tibbets, of the bay, and well known to some of our people, is said to have brought more gold "than any other two of the passengers." The Examiner says: "He has 350 ounces of dust, valued at $6300, all of which was mined at Cape Nome."

I am a farmer located near Stony Brook, one of the most malarious districts in this State, and was bothered with malaria for years, at times so I could not work, and I was always very constipated as well. For years I had malaria so bad in the spring, when engaged in plowing, that I could do nothing but shake. I must have taken about a barrel of quinine pills besides dozens of other remedies, but never obtained any permanent benefit. Last fall, in peach time, I had a most serious attack of chills and then commenced to take Ripans Tabules, upon a friend's advice, and the first box made me all right and I have never been without them since. I take one Tabule each morning and night and sometimes when I feel more than usually exhausted I take three in a day. They have kept my stomach sweet, my bowels regular and I have not had the least touch of malaria nor splitting headache since I commenced using them. I know also that I sleep better and wake up more refreshed than formerly. I don't know how many complaints Ripans Tabules will help, but I do know they will cure any one in the condition I was and I would not be without them at any price. I honestly consider them the cheapest-priced medicine in the world, as they are also the most beneficial and the most convenient to take. I am twenty-seven years of age and have worked hard all my life, the same as most farmers, both early and late and in all kinds of weather, and I have never enjoyed such good health as I have since last fall; in fact, my neighbors have all remarked my improved condition and have said, "Say, John, what are you doing to look so healthy?"

WANTED.—A case of bad health that RIPANS will not benefit. They banish pain and prolong life. One gives relief. Note the word RIPANS on the package and accept no substitute. RIPANS, 10 for 5 cents or twelve packets for 48 cents, may be had at any drug store. Ten samples and one thousand testimonials will be mailed to any address for 5 cents, forwarded to the Ripans Chemical Co., No. 10 Spruce St., New York.

We have some large farms 1 to 3 miles from town, creameries, and good shipping facilities, which can be had right, on account of old age or infirmity of owners, or lack of means, or proper tact for handling; some are under mortgage, and must be sold; some of these can be had low, and would divide into several choice small homes that can be made very profitable in time to people who are able to work, and have means and act to handle them.

If you want a business lot at a reasonable figure the Herald Land Co. can supply you.

If you think of embarking in the grocery or general store business, our Mr. Sanford can give you information where good bargains can be secured in those lines that will no doubt save you money.
