town. Met Johnson about 9 or 10 o'clock a. m. on the Dairyville road about half way between Zumwalt's menting with sugar beets for fatten-Coquille City, Or .--- Opposite Depot. and Denmark in a timbered flat between the Sixes river and McMullen's. Signed as a voluntary statement.

COLEMAN GILLESPIY. The officers, upon investigation, have found most of his statements to be untrue. That Gillespie was much less labor and does not exnot in Gold Beach at all at the times stated, to the knowledge of the parties he claimed to have seen and conversed with there. In fact, his whereabouts at all times from his leaving Zumwalt's Friday night, Sept. 15th, until he appeared at Louis Knapp's on Wednesday morn-Caskets Louis Knapp's on Wednesday morning, Sept. 20, has not been completely traced.

The pension check issued to Mrs. Edson is also a very strong piece of evidence. It is dated at San Francisco on Sept. 15th, and could only have reached Mrs. Edson through morning Gillespie appeared at Louis Knapp's, and thence his movements are definitely known.

It is believed that after leaving Zumwalt's he proceeded to the neighborhood of his victim, and awaited a favorable opportunity for commission of the deed. He has since virtually admitted to the officers that he committed the crime. He wes examined, bound over and is now in jail at Coquille City.

Bryan on the Boers-

New York, Oct. 8 .- A special to the World from Dallas, Texas quotes Colonel Bryan as saying: "The Boers cretion. Anervetonicand in their struggle to maintain their blood builder. Brings the republic have the sympathy of all pink glow to pale checks and the American people, except these the American people, except those who have abandoned the doctrine restores the fire of youth.

Sugar Beets for Hogs-

Peter Fordney and other successful stockraisers of Lost Prairie, Wallowa county, have been experiing hogs with entirely satisfactory results. Mr. Fordney says that twelve tons or more can be raised to the acre and that the fattening properties of beets are equal to any kind of grain; can be produced with haust the soil so much as grain, and that in the future a large acreage will be planted in that part of the country, says the Pendleton E.-O.

Hon. J. H. FLETCHER, formerly Governor of South Dakota, but now a resident of Salem, Ore., says:

"For over two years my daugh-ter had been declining from a

Dr. Williams' Pink Pills for Pale People contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxis, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of the grip, palpitation of the heart, pale and sallow complexions, and all forms of weakness either in male or female.

Price, 50 Cents.

No. 4—BIGGLE COW BOOK

All about Cows and the Dairy Business; having a great sale; contains 8 colored life-like reproductions of each breed, with 132 other illustrations. Price, 50 Cents.

No. 5—BIGGLE SWINE BOOK

Just out. All about Hogs—Breeding, Feeding, Butchery, Diseases, etc. Contains over 80 beautiful half-tones and other engravings. Price, 50 Cents.

The BIGGLE BOOKS are unique, original, useful—you never saw anything like them—so practical, so sensible. They are having an enormous sale—Bast, West, North and South. Kery one who keeps a Horse, Cow, Hog or Chicken, or grows Small Fruits, ought to send right away for the BIGGLE BOOKS. The FARM JOURNAI Is your paper, made for you and not a misfit. It is 22 years old, it is the great boiled-down, hit-the-nail-on-the-head,—quit-after-you-have-suid-it, Farm and Household paper in the world—the biggest paper of its size in the United States of America—having over a million and a half-regular readers.

Any ONE of the BIGGLE BOOKS, and the FARM JOURNAL 5 YEARS (remainder of 1899, 1900, 1901, 1902 and 1903) will be sent by mail to any address for A DOLLAR BILL. Sample of PARM JOURNAL and circular describing BIGGLE BOOKS free. Address, PARM JOURNAL, WILMER ATKINSON. CHAS. F. JENKINS.

The Head of the "Arlington" swings on patent socket hinges, firmly held down by a thumb screw. Strong, subshautial, next and handsome in design, and beautifully ornamented in gold, used plate has rounded corners and is inlaid or countersunk, making it flush with top of table, Highest Arm—Space under the arm is 5½ inches high and 9 inches long. This will adult the largest skirts, and even quitts. It is Self-Threading—Absolutely no holes to put thread through except eye of needle. Shuttle is cylinder, open on end, entirely self-threading, easy to put in or take out; bobbin holds a large amount of thread. Stitch Regulator is on the bed of the machine, beneath the bobbin winder, and has a scale showing the number of stitches are say to put in or take out; bobbin holds a large amount of thread. Stitch Regulator is on the bed of the machine, never fails to take scoods through, never stops at seams; movement is positive; no springs to herak and get out or order; can be raised and lowered at will. Automatic Bobbin Winder—For filling the bobbin automatically and perfectly smooth without bolding the thread. Machine does not run while winding bobbin. Light Running—Machine is easy to run, does not fatigue the operator, makes little noise and sews rapidly. Sitch is a double lock stitch, the same on both sides, will not ravel, and can be changed without stopping the machine. Tension is a flat spring tension, and will admit thread from 8 to 100 spool cotton without changing. Never gets out of order. The Needle is a straight, self-setting needle, flat on one side, and cannot be put in wrong. Needle Bar is round, made of case-hardened steel, with oil cup at the bottom to prevent oil from getting.
