Church Directory.

M. E. church, south—regular services each Sunday morning and evening, by the pastor, E. L. Fitch.

Rev. Robt. Ennis, Presbyterian, will conduct services in this city the 2d and 4th Sundays of each month, in the circuit court room at the courthouse, until further notice. All are cordially invited.

LOCAL ITEMS.

Mrs. Bean, of Riverton, was in Coquille last Thursday.

Warren Laird left last week to spend the winter at Santa Barbara, Cal.

Dr. Tower came over last Friday on a professional visit to Miss Emma Lorenz.

Isom Walker, a prominent Curry county citizen, made a visit at this place last week.

John Curren, mine host of Hotel Coquille, visited Marshfield on a business trip last week.

Mrs. Snyder and son George, of the Central hotel, Marshfield, went through town to Bandon last Wednesday.

Mrs. Fannie G. Dixon, of Myrtle Point, departed last week for her new home in southern California. She goes to Pasadena.

Mrs. J. S. Hayes, of Empire City, who has been visiting relatives and friends in town for several days, returned home by Friday's train.

S. Peterson, of Webb's logging camp on Matt Rink creek, last Thursday morning had his left hand badly mangled by the slipping of a jack.

We thank Miss Mabel Lawhorn for a kindness performed for the Herald at the surprise reception given at Dr. Leneve's home last Tuesday evening.

Editor Jesse Luse, of the Sun, visited Coquille City last Friday, partly on business and partly to see if hair and hide, or a little of either, were left after the late scrimmage.

James Averill, of Gold Beach, Curry county, was doing this place with friends the middle of last week. On his return home he expected to have a duck hunt in the vicinity of Dairyville.

President McKinley has named Thursday, Nov. 30, as "a day of general thanksgiving and prayer, to be observed as such by all our people on this continent and on our newly acquired islands."

Wednesday of last week was monthly payday (for the month of September) at our creamery. The sum of nearly $3500 was dispensed among the patrons, who received 26 cents per pound for their butterfat. It is said to have been a good month all round.

Mr. Kerrigan moved to town last week, from his ranch at the creamery above town, vacating to Mr. Jacobson, just arrived from Humboldt county, Cal., who purchased the place a few weeks since. Mr. Kerrigan occupies the Lyons 10-acre tract in northeast part of the city.

Hoarseness in a child that is subject to croup is a indication of the approach of the disease. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, it will prevent the attack. Many mothers who have croupy children always keep this remedy at hand and find that it saves them much trouble and worry. It can always be depended upon and is pleasant to take. For sale by R. S. Knowlton.

Our young friend, E. M. Canterbury, was up from Bandon on business last Saturday. Mr. C. is a horticulturist of considerable apprenticeship and experience, and has in view the establishment of a nursery in connection with the business of grafting and pruning on call. He deserves success. He has a homestead at Two-mile, below Bandon, and late last spring, among other things, planted 60 pounds of Burbank potatoes, occupying a plat of 60x150 feet. From this he gathered 60 bushels, not 100 pounds of which were under marketable size, and some of them measured 11 inches long and 3 inches in diameter, and were sound and healthy throughout.

J. P. Jacobson, J. F. M. Mattson, T. D. Dungan, Harvey Miller and M. H. Mattson, of Ferndale, Cal., Peter Danuser and Wm. Kistner, of Loreta, and Ernest Williams and M. Dean, of Fortuna, made the crowd of clever Humboldters who came up on the steamer Alliance and reached this place on the train Wednesday of last week. Ames Johnston, school teacher at Port Orford, was with them, returning from a visit to his home down there to resume his schoolroom duties in Curry county. Mr. Jacobson had visited here recently before and purchased a fine property, the Kerrigan ranch near town, and will camp with us; the others are prospectors, and we believe all experienced and intelligent dairymen. The Herald welcomes them and hopes they may invest satisfactorily.

A Surprise Reception

Was given last Tuesday evening (Hallowe'en) to Mr. and Mrs. Dr. S. L. Leneve and Mr. and Mrs. J. W. Leneve, and little son Lonson, at the residence of the former, in honor of their return to their dear old home at Coquille City after many months' absence in southern California, at Hawaii and in middle California, to seek for a new abiding place guaranteeing climatic comforts, health, and pleasant surroundings. It was a sincere and hearty greeting of all the parties, nicely managed by old and young friends, and a complete surprise to the honored guests.

Through the assistance of Mr. and Mrs. Way and daughter Lilly, Mr. and Mrs. George Robinson, and Mr. and Mrs. W. C. Rose—members of the family still resident here and helpful in the arrangements on both sides to prevent a hitch—must be attributed much of the success of the surprise and pleasureableness of the occasion. Mr. and Mrs. Walter Drane were leading spirits, and spared no efforts to make the welcome hearty and pleasureable to their friends.

Grandpa Leneve surrendered early in the engagement—the surprise, the warmth of greeting and hosts of friends were more than his well-known quiet and retiring disposition could withstand, hence he just became a willing prisoner. Grandma Leneve, however, was a hero throughout—she became young again and was as chick and entertaining as the youngest of them. Mr. and Mrs. J. W. Leneve soon grasped the siuation, and with hearty handshakes, kind words and eyes glistening with warmth of sincere friendship, welcomed the neighbors and friends to the hospitable home and hearts of years gone by.

Nothing occurred to mar the enjoyment during the whole occasion. The immense throng gathered promptly and early, and after greetings the elder friends were seated in the spacious parlor and the juniors crowded the large diningroom and kitchen. The seniors passed the evening in social conversation with the returned ones and among themselves, some songs with organ accompaniment, some renditions from a gramophone and serving of light refreshments. On the center-table was placed a large and splendid cake, with snow-white ornamental icing, the word "Welcome" in red ornamentation, and a spray of fern and cut flowers in the center. This was a gift of Mrs. Drane to the returning friends, was very pretty and admired by all. Of course the juniors held their portion of the house, and the day being also the birthday anniversary of Mrs. J. W. Leneve, the warmth of welcome was specially doled out to her.

There were present, Dr. and Mrs. S. L. Leneve, Mr. and Mrs. J. W. Leneve, Lonson Leneve, Mr. and Mrs. W. Drane, Capt. and Mrs. Butler, Mr. and Mrs. W. C. Rose, Mr. and Mrs. Geo. L. Robinson, Mr. and Mrs. M. Way, Mr. and Mrs. J. P. Messer, Mr. and Mrs. L. Lawhorn, Mr. and Mrs. J. S. McEwen, Mr. and Mrs. R. E. Buck, Mrs. Bert Tuttle; Misses Lilly Way, Irene Leneve, Rose Leneve, Georgia Leneve, Mabel Lawhorn, Grace Skeels, Maude Balch, Susie Tuttle, Eva Butler, and Messrs. Clarence Boyrie, Ralph Nosler, Julius Jacobson, Tommy Mehl, Geo. Goodman, Henry Benham, R. D. Rose, Earl Goodman, Hugh Leneve and John Leneve.

Several old friends called and extended a welcome, and then departed on account of business, illness in their families, or some necessary cause.

All in all it was a delightful evening, accepted by the returning friends in the spirit in which it was given, and marks an oasis in the lives of our lear friends that will bloom in their memories while life lasts.

I am a farmer located near Stony Brook, one of the most malarious districts in this State, and was bothered with malaria for years, at times so I could not work, and was always very constipated as well. For years I had malaria so bad in the spring, when engaged in plowing, that I could do nothing but shake. I must have taken about a barrel of quinine pills besides dozens of other remedies, but never obtained any permanent benefit. Last fall, in peach time, I had a most serious attack of chills and then commenced to take Ripans Tabules, upon a friend's advice, and the first box made me all right and I have never been without them since. I take one Tabule each morning and night and sometimes when I feel more than usually exhausted I take three in a day. They have kept my stomach sweet, my bowels regular and I have not had the least touch of malaria nor splitting headache since I commenced using them. I know also that I sleep better and wake up more refreshed than formerly. I don't know how many complaints Ripans Tabules will help, but I do know they will cure any one in the condition I was and I would not be without them at any price. I honestly consider them the cheapest-priced medicine in the world, as they are also the most beneficial and the most convenient to take. I am twenty-seven years of age and have worked hard all my life, the same as most farmers, both early and late and in all kinds of weather, and I have never enjoyed such good health as I have since last fall; in fact, my neighbors have all remarked my improved condition and have said, "Say, John, what are you doing to look so healthy?"

WANTED.—A case of bad health that RIPANS will not benefit. They banish pain and prolong life. One gives relief. Note the word RIPANS on the package and accept no substitute. RIPANS, 10 for 5 cents or twelve packets for 48 cents, may be had at any drug store. Ten samples and one thousand testimonials will be mailed to any address for 5 cents, forwarded to the Ripans Chemical Co., No. 10 Spruce St., New York.

We have some large farms 1 to 3 miles from town, creameries, and good shipping facilities, which can be had right, on account of old age or infirmity of owners, or lack of means, or proper tact for handling; some are under mortgage, and must be sold; some of these can be had low, and would divide into several choice small homes that can be made very profitable in time to people who are able to work, and have means and act to handle them.

If you want a business lot at a reasonable figure the Herald Land Co. can supply you.

If you think of embarking in the grocery or general store business, our Mr. Sanford can give you information where good bargains can be secured in those lines that will no doubt save you money.

Our outside hustler, Mr. R. D. Sanford, will take pleasure in giving you information, and showing these properties to interested parties.

No. 2.—160 acres on Bear creek, known as the Bickford Bartlett place, good timber and bottom land combined; spring branch; will be sold at a bargain, as owner is nonresident; will make a good home when improved for a man with small capital who would turn labor into value.

No. 12.—Why pay $150 for one or two small town lots, when we can put you onto several acres inside the incorporation for the same money? It is nearly level bench—good fruit and building ground, when cleared—¾ of a mile from P. O. and school.

No. 13.—360 acres, 8 miles from Coquille City, on North Fork of river, only $3200. Fair improvements all around; 60 to 80 acres tillable, balance saw timber handy to river. A bargain for the right man.

No. 15.—80 acres on river, near Riverton—45 acres bottom land, 25 acres fenced and cultivated, 15 acres bench, big timber logged off and seeded, 40 acres hill. Buildings and orchards ample for present use. $3000.

No. 16.—160 acres, 3 miles from Norway, No. 1 bench and hill land; suitable for fruit, stock, corn or vegetables. Cheap buildings, fine bearing orchard, 16 acres under plow and considerable brush slashed off and in grass for pasture, well watered. Cheap at $1700. Owner has business in the east, hence, a bargain.

No. 19,—163 acres on Bear creek; 35 acres fenced and in grass; good-sized barn and sheds; fair dwelling-house, young orchard, fine water and outside range, making a desirable location for stock. $2000, with some stock included—one-half cash.

No. 20.—120 acres on Big Creek, suitable for a small stock ranch and home. A few acres cultivated; good orchard, cheap buildings—place is neglected and will be sold very low to an actual resident, as owner is not able to live thereon and tired of renting it out; $550 gets it.

No. 21.—116 acres near Beaver Hill coal mines, known as the Willard place. 80 acres is very rich beaver dam bottom, balance hill land. Has spring water and will make an A 1 place when improved. Can be had at reasonable price on account of it being owned by an aged lady, who cannot improve it.

No. 23.—For sale, or exchange for good bottom land on Coquille river or its tributaries, a choice 30-acre fruit tract, 55 miles east of San Francisco, 2300 soft-shell almonds, 150 apricot trees, also general varieties for family use. Cheap at $3500. No buildings. No drouth. Fare by boat to San Francisco, 25 cents.

Price, $1800. Would trade for property of ¼ the value of the above, and take mortgage for other half remaining one and two years at 8% interest.

No. 24.—A splendid 2-acre home with large new house; great variety of fruit and shrubbery. Free spring water; bottom and side-hill ground. Inside of corporation of Coquille City.

10 Acres of mostly fine and high ground for residence when subdivided; near business center of Coquille City. Large house and other improvements. An acre or two of choice bottom land for garden. Mostly wood land, which can be utilized to advantage. Only $1000—which is too cheap, but it must be sold soon.
