For the first time in 6000 years China's commerce is represented in her cabinet.

The reports are going the rounds of the press that Hon. Binger Hermann has pledged his support to Senator McBride for re-election to the United States senate.

At a meeting of the New York City council last Friday, the resolutions of sympathy for the Boers, which were offered on last Tuesday, were adopted with but one dissenting vote.

Roseburg Review: Little Adelbert Hoy, son of Little Breches John Hay, secretary of state, has been sent from the nursery to represent the United States as consul at Pretoria, in the Boer republic.

The McMinville public school has a whipping controversy. Principal Reynolds flogged a boy for alleged swearing and lying, and is denounced for "brutality" by some citizens.

Society, as organized today, is funnier than it is serious. Every mother's son of us is trying to get the money some other fellow has.

It has been demonstrated repeatedly in every state in the Union and in many foreign countries that Chamberlain's Cough Remedy is a certain preventive and cure for croup.

Self Reliance: Ayer's Almanac for 1900 makes the following prophecy for the 20th century: "The 8-hour day will be established in every city and hamlet in the United States, beginning with each state making a law that all its employes shall work for only that number of hours every day."

Manila, Dec. 20, 10:10 p. m.—The insurgents who evacuated the coast town of Dagupan and Vigan, fleeing to the mountains before the advancing Americans, are returning in small bands to towns the Americans do not occupy, terrorizing the natives and Chinamen, who showed friendship for the Americans.

Colonel Hare, of the Thirty-third infantry, who has been following a party of American prisoners, lost track for three days, about December 20, of such signs and evidences of their passage as they customarily left behind them.

New York, Dec. 30.—A special to the Herald from Manila says: Six men of the signal corps were attacked Thursday at Talevera, east of Talar, by a force of 200 insurgents, and four of them were either killed or captured.

Chicago, Dec. 30.—A special to the Tribune from Cincinnati says: A meeting of the Transval sympathizers held in Weimer's hall last night, a toast to the "United States of South Africa" was proposed by the chairman, who mentioned the members of the future government, Natal, Cape Colony, Orange Free State, Transvaal and Swaziland.

London, Dec. 26.—A Cape Town correspondent of the Daily News, telegraphing Wednesday, December 20th, says: "Lord Methuen, I understand, intends to remain at Modder river about three weeks longer. From Boer sources, hitherto well informed, I learn that there are 8000 European officers and men, skilled in modern military tactics, particularly artillery, now in Pretoria as a reserve."

Ladysmith, Sunday, Dec. 24, via Pietermaritzburg.—General White has had a slight attack of fever, but is now convalescent.

The Boer shell fire has been very damaging recently. Friday one shell killed six men and wounded nine. The same missile killed 14 horses. Another just missed the Fifth lanciers' lines, slightly wounding six officers. Several shells have fallen close to General White's house, compelling the removal of headquarters to another point.

In the manufacture of knives the division of labor has been carried to such an extent, that one knife is handled by seventy different artisans from the moment the blade is forged until the instrument is finished and ready for market.

Manager Martin, of the Pierson drug store, informs us that he is having great run on Chamberlain's Cough Remedy. He sells five bottles of that medicine to one of any other kind, and it gives great satisfaction. In these days of a gripple there is nothing like Chamberlain's Cough Remedy to stop the cough, heal up the sore throat and lungs and give relief within a very short time.

The Examiner of last Saturday says: In the suit of John D. Spreckels & Bro's Co. against R. A. Graham for \$550,000 final judgment has been rendered in favor of the plaintiff corporation. The property involved is the Coos Bay, Roseburg & Eastern Railway, the Beaver Hill coal mines and several thousand acres of land near Marshfield, Oregon.

After the case was decided in favor of the Spreckels company a stay of proceedings for six months was allowed, and it was agreed that if Graham should raise enough money to redeem the property in that time he should be allowed to regain possession and control of it.

Capt. O. P. Ellingson took the schooner Parkersburg to San Francisco, this trip, to give Capt. J. Jorgensen time to recuperate from the rough usage of the last trip.

Wednesday of last week Tom Prewett lost a valuable ox while hauling logs for N. E. Barklow. The animal dropped dead while in the team without apparent cause.

J. W. Felzer came home from Coos Bay Friday evening and will take charge of the broomhandle factory during the absence of G. W. Peck, who has gone to San Francisco to spend a few weeks. Mr. Felzer expects to work in the factory for a year.

Work is progressing more rapidly on the jetty lately. The latter part of last week a blast was exploded which tumbled out some three to four thousand tons of rock. One boulder, which was thrown down into the pit, was estimated to weigh between sixteen hundred and two thousand tons.

This looks like improvement. Dyer and Shoemaker are revolutionizing Dyer's mill, which is located three miles south of town. They are placing the machinery for a complete broom-handle factory and expect to have it running at full capacity in about two weeks.
