The old year went out blustering and stormy, like a chronic officeholder, unwilling to die or let go, but the junior succeeded, sunny, smiling, ruddy and bright as an angel; mild mannered and soft kissing as the zephyrs of May. It was heralded by the noise of steam whistles from mills and boats.

Try all things and hold fast to that which is good. Try R. D. Sanford for Real Estate. He might be an honest agent and have just what you are wanting, at prices and terms to suit.

That was a fearful racket of steam whistles, firecrackers and guns which ushered in the New Year. But there were no church bells to hallow the occasion and mellow down the racket.

People say R. D. Sanford is a good talker and charms buyers is why he makes so many sales. The facts are, he charms by selling what you like, and his prices do the talking; and don't forget it when you are in quest of property.

The Great Presidential Campaign of 1900.

The policies of the great political parties are now being formed and the candidates discussed. Every citizen must study the great questions that are to come before the people. This can only be done through the medium of a great newspaper. Now is the time, therefore, for every voter to subscribe for the best and most reliable newspaper obtainable. The Semi-Weekly Republic, of St. Louis, covers the whole field of political news. While it is Democratic, it publishes the news in regard to all political parties without prejudice. Its telegraphic and cable news service is superior to that of any other paper, and its special features are the best.

Attention is also called to the Republic's Sunday Magazine. Its half-tone illustrations are alone worth the subscription price. It is made up of special articles by the best literary talent, embracing a variety of subjects of current interest. News features of absorbing interest are illustrated and enlarged upon. For the benefit of the ladies the latest fashions are handsomely illustrated. The Republic Sunday Magazine is always interesting to every member of the family.

The subscription price of the Semi-Weekly Republic is \$1 per year; the Republic Sunday Magazine, \$1.25 per year. Both papers are now being offered at the very low price of \$1.50 for one year. To secure this low rate both must be ordered and paid for at the same time. Address all orders to THE REPUBLIC, St. Louis, Mo.

BEST FOR THE BOWELS

If you haven't a regular, healthy movement of the bowels every day, you're sick, or will be. Keep your bowels open, and you'll feel better. Cascarets Candy Cathartic is the best. It's pleasant, palatable, and it's safe. It's the only one that doesn't hurt, and it's the only one that doesn't cost a cent more to take.

KEEP YOUR BLOOD CLEAN

The Star Comedy Co's Play.

"Oh Olsen" was given last Friday night to a crowded house and appreciative audience. Geo. Leach, as "Ole Olsen," was extra good, the character being sustained in first-class style. Al Hite represented "Dr. Shingle" well. Will Mansell and Charley Harrington sustained their parts well, while Mrs. Alice Hite, Mrs. Marie Gage and Mrs. Mansell, in their several female impersonations, were quite entertaining and several times applauded. Master Jessie Hite, as "Little Philip," did well. Whatstone's orchestra supplied the music in a very acceptable manner.

A large number attended the entertainment from the upper and lower river.
