An Astoria item is to the effect that agents of the combine are offering 6 and 6 1/2 cents for salmon during the coming season. While the story is not credited, the belief prevails that the price will be as much as 6 cents, and indications point to a good year for fishermen.

The new barkentine, Joseph L. Evinston, was successfully launched from the Marshfield shipyard, Saturday afternoon, a little after 4 o'clock. She is a remarkably fine looking ship, well built and thoroughly fastened in every particular, and is a credit to master builder Heuckendorff. Her dimensions are, 200 feet on the deck line, and 40 feet 6 inches beam.

The Biggle Books have been written by a practical man for practical men and women. They give the main and important facts and discard the husks and padding. Busy sleeves-rotted-up people will find them invaluable. The chapters on diseases and remedies in each volume will enable many a farmer to save the life of his suffering live stock. See the publisher's card in this issue. The price is 50 cents, free by mail; address the publishers, Wilmer At Kings Co., Philadelphia.

Secretary of State Dunbar issued, in pamphlet form, "The Election Laws of the State of Oregon and of the United States of America in so far as they relate to the conduct of elections and the duties of officers in connection therewith, also other statutes and information relating to elections," etc., 174 pp., for which the HERALD thanks him for a copy. It contains our latest state election law, including sample ballots, forms for election officers, etc., and is very complete and useful.

It has been demonstrated repeatedly in every state in the Union and in many foreign countries that Chamberlain's Cough Remedy is a certain preventive and cure for croup. It has become the universal remedy for that disease. M. V. Fisher of Liberty, Va., only repeats what has been said around the globe when he writes: "I have used Chamberlain's Cough Remedy in my family for several years and always with perfect success. We believe that it is not only the best cough remedy, but that it is a sure cure for croup. It has saved the lives of our children a number of times." This remedy is for sale by R. S. Knowlton.

A second "alate" for county officers appears in the Port Orford Tribune. It looks like some one was moving to forestall the usual nominating conventions, and may be sincere withal in an endeavor to bring to the front citizens who stand well with the public and would make good officials if nominated by the usual conventions. This slate proposes: For joint representative for Coos and Curry, Jack Counts; for county judge, J. E. Hawkins; for county commissioners, Isom Walker and Ned Clark; for sheriff, George Farmer; for county clerk, Harvey Hawkins; for county assessor, J. P. Russell; for county treasurer, A. H. Thrift; for school superintendent, P. Weyer; for coroner, J. H. Upton.

Manuscripts will not be sent to the examiners until the fee has been remitted."

"Teachers' Examination.—Notice is hereby given that the county superintendent of Coos county will hold the regular examination of applicants for state papers at 9 o'clock on February 14, 15, 16 and 17, as follows: "Commencing Wednesday, February 14, at 9 o'clock a. m., and continue until Saturday, February 17, at 4 o'clock."

(Bandon Recorder.) Yesterday morning made Bandonians think winter had come, but it was only a heavy frost that had come this way.

Last week it was reported that R. H. Rosa was in San Francisco, on his way home, but it is learned that he is in the Indian territory.

Elbert Dyer and M. F. Shoemaker received a lot of sheetiron piping for the drying room in their broomhandle factory, on the schooner Wing and Wing.

Jacob Lando, formerly of Marshfield, writes to R. F. Williams from Honolulu, under late date. He says business is at a standstill there, owing to the bubonic plague. Whole blocks of houses are being burned to prevent the spread of the plague. Up to the present, the deaths have been confined to the Chinese and Japs.

Steamer Townsend Wrecked.

Seattle, Wash., Jan. 23.—A special to the Times from Port Townsend says: The steamer Cottage City arrived today from Alaskan ports. She reports the total loss of the steamer Townsend near Haines' Mission on Tuesday night.

F. W. Faber: Look at the incredible ease of prayer. Every time, place, posture, is fitting. Talent is not needed. Eloquence is out of place. Our want is our eloquence, our misery is our recommendation. Thought is quick as lightning, and quick as lightning can it multiply effectual prayer. Actions can pray, sufferings can pray. The whole function is expressed in a word. It is simply this: His child at his father's knee, his words stumbling over each other from very earnestness, and his wistful face pleading better than his hardly intelligible prayer.

Don't!

Don't snub a boy because he wears shabby clothes. When Edison, the inventor of the telephone, first entered Boston he wore a pair of yellow linen breeches in the depth of winter.

Don't snub a boy because of the ignorance of his parents. Shakespeare, the world's poet, was the son of a man who was unable to write his own name.

Don't snub a boy because he chooses a humble trade. The author of "Pilgrim's Progress" was a tinker.

Don't snub a boy because of his physical disability. Milton was blind.

Don't snub a boy because of dullness in his lessons. Hogarth, the celebrated painter and engraver, was a stupid boy at his books.

Don't snub a boy because he stutters. Demosthenes, the greatest orator of Greece, overcame a harsh and stammering voice.

Don't snub anyone. Not only because some day he may far outstrip you in the race of life, but because it is neither kind, nor right, nor Christian.—Exchange.

A lawyer walked down the streets recently with his length of arms taxed to hold a lot of law books. Pointing to the books, a friend said, "Why, I thought you carried all that stuff in your head?" "I do," quickly replied the lawyer, "with a knowing wink. "These are for the judges."

The pope is contemplating an order permitting the priests of the Catholic church to marry. The first step has already been taken in the encyclical to the bishops of South America, in which permission is given to the priests there to take wives unto themselves.

The Ashland woolen mills was destroyed by fire Jan. 21. The loss is estimated at \$65,000.

A great many men reason in a circle; that's why there is no end to their arguments.

I am a farmer located near Stony Brook, one of the most malarious districts in this State, and was bothered with malaria for years, at times so I could not work, and was always very constipated as well. I must have taken about a barrel that I could do nothing but shake. I must have taken about a barrel that I could do nothing but shake.

The Great Presidential Campaign of 1900.

The policies of the great political parties are now being formed and the candidates discussed. Every citizen must study the great questions that are to come before the people. This can only be done through the medium of a great newspaper. Now is the time, therefore, for every voter to subscribe for the best and most reliable newspaper obtainable. The Semi-Weekly Republic of St. Louis, covers the whole field of political news. While it is Democratic, it publishes the news in regard to all political parties without prejudice. Its telegraphic and cable news service is superior to that of any other paper, and its special features are the best.

Attention is also called to the Republic's Sunday Magazine. Its half-tone illustrations are alone worth the subscription price. It is made up of special articles by the best literary talent, embracing a variety of subjects of current interest. News features of absorbing interest are illustrated and enlarged upon. For the benefit of the ladies the latest fashions are handsomely illustrated. The Republic Sunday Magazine is always interesting to every member of the family.

The subscription price of the Semi-Weekly Republic is \$1 per year; the Republic Sunday Magazine, \$1.25 per year. Both papers are now being offered at the very low price of \$1.50 for one year. To secure this low rate both must be ordered and paid for at the same time. Address all orders to THE REPUBLIC, St. Louis, Mo.

New York World (Thrice-a-Week Edition)

ALMOST A DAILY—AT THE PRICE OF A WEEKLY. The most widely circulated "weekly" newspaper in America is the Thrice-a-Week edition of The New York World, and with the presidential campaign now at hand you cannot do without it. Here are some of the reasons why it is easily the leader in a dollar a year journalism: It is issued every other day, and is to all purposes a daily. Every week each subscriber receives 18 pages and often during the "busy" season 24 pages each week. The price is only \$1 per year. It is virtually a daily at the price of a weekly.

Its news covers every known part of the world. No weekly newspaper could stand alone and furnish such service. The Thrice-a-Week World has at its disposal all of the resources of the greatest newspaper in existence—the wonder of modern journalism—"America's Greatest Newspaper," as it has been justly termed—The New York World.

Its political news is absolutely impartial. This fact will be of especial value in the Presidential campaign coming on. The best of current fiction is found in its columns. These are only some of the reasons; there are others. Read it and see them all. We offer this unequalled newspaper and the Coquille City HERALD together one year for \$1.90. The regular subscription price of the two papers is \$2.50.

A GREAT FARM JOURNAL OFFER From now to Dec. 1903 Nearly 5 Years.

By special arrangement made with the publishers of the FARM JOURNAL we are enabled to offer that paper to every subscriber who pays for the HERALD one year ahead, for only \$1.50—both papers for the price of ours only. Our paper one year and the FARM JOURNAL from now to December 1903, nearly 5 years. The FARM JOURNAL is an old established paper, enjoying great popularity, one of the best and most useful farm papers published. Do not delay.

No Other Paper Gives the clubbing offers that you can get with the HERALD. Now it is the OREGONIAN which we will give for 1 year as a premium to HERALD subscribers. Pay up arrears and send in \$2 for 1 year in advance to the Coquille City HERALD and we will send you the Weekly Oregonian for 1 year as a premium, fully paid up.
