Rev. Mr. Bryan, now conducting a protracted meeting at the little church, will add today and thereafter a Bible study service each afternoon at 2 o'clock, to which all are invited and to bring their Bibles. A protracted meeting by the Dunkards was in progress the past week on Bear creek, held at the residence of Esau Prewitt. Elders John Bonewitz and Thomas Barklow were present and much interest prevailed.

No river and harbor appropriation by this session of congress. Well, this will afford a plank for leverage by Mr. Tongue, or whoever the g. o. p. candidate for congress may be. But one thing we shall be rid of, and that is Graham's colonizing schemes of negro and foreign illegal voters in Coos county, aided and abetted by county officials of the Republican, Democratic and Populist parties to boost their individual election at the expense of others on their tickets. Look out for breakers.

Myrtle Point Enterprise: The name of Capt. C. E. Edwards is quite prominently mentioned as a candidate for sheriff on the Republican ticket at the coming election. Our personal friend and very clever fellow-citizen, Capt. C. E. Edwards, is spoken of by the Republican candidate for sheriff at the coming election. From what we hear, that would knock out another party, who, we learn, is first desiring a renomination by the Populists; failing in that, then by the Democrats; and if both these desert him—he doesn't desert them—then he wants the Republican nomination; and if these all fail him, he will run "independent!" Isn't that assurance?

Good Blood!

Your heart beats over one hundred thousand times each day. One hundred thousand supplies of good or bad blood to your brain. Which is it? If bad, impure blood, then your brain aches. You are troubled with drowsiness yet cannot sleep. You are as tired in the morning as at night. You have no nerve power. Your food does you but little good.

Stimulants, tonics, headache powders, cannot cure you; but

Ayer's Sarsaparilla

will. It makes the liver, kidneys, skin and bowels perform their proper work. It removes all impurities from the blood. And it makes the blood rich in its life-giving properties.

To Hasten Recovery. You will be more rapidly cured if you will take a laxative dose of Ayer's pills each night. They cure the sluggish liver and thus cure biliousness.

Write to our Doctors. We have the extensive services of some of the most eminent physicians in the United States. Write freely all the particulars in your case.

Address, DR. J. C. AYER, Lowell, Mass.

Death of Mrs. Capt. Parker. At San Francisco, last Saturday morning about 7 o'clock, Mrs. Capt. Parker, of Parkersburg, passed away from a succession of paralytic strokes, aged 62 years, 9 months and 2 days.

Mrs. Parker had gone to the city for treatment, having suffered two strokes here, from which she had partially recovered, and while she seemed better and to be improving slightly for awhile, at last the summons came and she replied to the call.

Mrs. Parker lived in this county since 1875, was a loving mother, a good neighbor and friend, and beloved by all who knew her. By her death—her husband, Capt. Judah Parker, having preceded her several months—she leaves four adult children, two daughters and two sons, to mourn the sad event. There are other relatives living here, who will also miss the departed loved one.

The remains of deceased are expected on the steamer Arcata, now due, and will pass through this place today or tomorrow to the home on the lower river for interment.

The city council had a very interesting and important meeting last Saturday night. Its action toward enforcing orders heretofore made and published relative to the improvement of First, B and Second streets by grading and planing, is important, and such improvements will add much to the utility and sightliness of those streets.

Beauty is Blood Deep. Clean blood means a clean skin. No beauty without it. Cascares, Candy Cathartic clean your blood and keep it clean, by stirring up the lazy liver and driving all impurities from the body. Begin to-day to banish pimples, boils, blotches, blackheads, and that sickly bilious complexion by taking Cascares—beauty for ten cents. All druggists, satisfaction guaranteed, 10c, 25c, 50c.
