

Church Directory.

M. E. church, south-regular services each Sunday morning and evening, by the pastor, E. L. Frown.

LOCAL ITEMS.

Attorney John S. Coke was over from the bay last week. Geo. Martin came in from Fairview last Friday on a quick business trip.

Miss Maddocks visited friends on the lower river last week, and seemed to be much strengthened by the trip. Mrs. W. Benham and one or two of the younger members of the family went over to the bay side on last Wednesday's train to visit.

Frank Stillwell and wife moved to their ranch below town last Wednesday. They had been guests with his parents, Mr. and Mrs. E. W. Stillwell, near Arago, for several weeks.

On her return to the city from Portland, the Homer will be taken off this route, and in charge of Capt. Donaldson will make a trip to Pribilof island, Alaska.

Major Brown has resigned his position as town treasurer, and will go to California for the benefit of his health. The appointment of John F. Hall, to fill the vacancy, meets with the hearty approval of the citizens.

News from the city is to the effect that Capt. Hans Reed has secured a contract to build a large vessel, and stands a good chance to get more. He will return in two weeks, and will commence work immediately on his arrival.

Frank Borchard met with an accident at North Bend Saturday. He was descending a ladder from the cabin of the new vessel to the main deck, when the ladder slipped, throwing him to the deck. He was badly bruised, but fortunately no bones were broken.

About 2 o'clock on Sunday the new vessel at North Bend was started down the ways, but for some unexplained reason she stuck when about half way, and all efforts to move her proved futile. At high tide, early Sunday morning, she was successfully launched, without having sustained any damage. She has been christened the Churchill.

Roseburg Review. L. D. Carle left yesterday on his return to Dawson City, expecting to make the trip over the ice from Skagway. While in Portland or Seattle he will secure transportation to Cape Nome for three men, 20 head of cattle, 200 sheep, three horses, one wagon, 400 bushels of oats, twenty tons of hay and other necessary supplies in the way of provisions, tent and mining outfit. This shipment to Nome will be made at the earliest date that can be arranged for and the men who will accompany it are R. B. Dixon, Frank Livingston and James Schaeffer. Mr. Carle will probably go to Nome also, after looking after his interest on the Klondike.

We have saved many doctor bills since we began using Chamberlain's Cough Remedy in our home. We keep a bottle open all the time and whenever any of my family or myself begin to catch cold we begin to use the Cough Remedy, and as a result we never have to send away for a doctor and incur a large bill, for Chamberlain's Cough Remedy never fails to cure. It is certainly a medicine of great merit and worth.—D. S. MEARLE, General Merchant and Farmer, Mattie, Bedford county, Pa. For sale by R. S. Knowlton.

Our old friend, B. J. Harrison, who holds a mining claim adjoining those of his sons, at Rusty Butte, between the Middle and South Forks of the Sixes river, came down from the mountains and is taking an outing among members of his family after several months' continuous absence. The Harrison brothers are back after a visit of several weeks at home and among friends. They are still picking up the yellow metal as they work from the surface, and are now doing development work to test the extent of the mine.

Our local camp of Woodmen made a demonstration toward Myrtle Point last Tuesday evening, to the number of about 25, at a blow-out by Sugarloaf camp, and the boys are just full of praise for the hospitality of their Myrtle Point neighbors and the enjoyment attending the trip. They secured the steamer Fawn, O. B. Willard, master, for their excursion. The following comprised the visitors: A. J. Sherwood, J. W. Leneve, B. E. Snider, Wm. Rose, L. P. Maury, Wm. Wilson, Geo. Robinson, Thos. Krewson, Bert Tuttle, M. H. Hersey, Jesse Leneve, Chas. Schroeder, Edwin Schroeder, Alfred Schroeder, John Simmes, D. Morgan, Ed. Robinson, Frank Schroeder, Albert Schroeder, Geo. Notes from Fairview.

Fairview, March 5.—Revival services conducted by Mrs. Ruth G. Sweet and daughter closed in the Moon district. There was a new impetus given to Christian life, and many came out to begin a life for Christ. At the close of the last Sunday services, Rev. S. B. Holles, pastor of Fairview, and Rev. Black, of Sumner, were unanimously invited by the congregation to supply the pulpit, and also Rev. R. C. Lee, of Marshfield, was invited to spare some time for them if he could do so. As soon as possible Rev. Pope, of Camas Valley, is expected to occasionally give them a sermon.

Services closed on Sunday, and by persuasion Mrs. Sweet and daughter were invited to delay going away, while interested friends quickly sent out invitations for a surprise social to meet at the home of John Flinn. The house was filled and enjoyed a royal good time and had opportunity to express their thanks to Mrs. Sweet and daughter for their untiring effort in our behalf in a religious way.

Mrs. Sweet and daughter went from here to Bald-Hill, where they hold services this week. \* \* \* (Port Orford Tribune.)

New York World (Thrice-a-Week Edition)

ALMOST A DAILY—AT THE PRICE OF A WEEKLY. The most widely circulated "weekly" newspaper in America is the Thrice-a-Week edition of The New York World, and with the presidential campaign now at hand you cannot do without it. Here are some of the reasons why it is easily the leader in a dollar a year journalism: It is issued every other day, and is to all purposes a daily. Every week each subscriber receives 18 pages and often during the "busy" season 24 pages each week. The price is only \$1 per year. It is virtually a daily at the price of a weekly. Its news covers every known part of the world. No weekly newspaper could stand alone and furnish such service. The Thrice-a-Week World has at its disposal all of the resources of the greatest newspaper in existence—the wonder of modern journalism—"America's Greatest Newspaper," as it has been justly termed—The New York World.

Its political news is absolutely impartial. This fact will be of especial value in the Presidential campaign coming on. The best of current fiction is found in its columns. These are only some of the reasons; there are others. Read it and see them all. We offer this unequalled newspaper and the Coquille City Herald together one year for \$1.90. The regular subscription price of the two papers is \$2.50.

A GREAT FARM JOURNAL OFFER

From now to Dec. 1903 Nearly 5 Years. By special arrangement made with the publishers of the FARM JOURNAL we are enabled to offer that paper to every subscriber who pays for the HERALD one year ahead, for only \$1.50—both papers for the price of ours only.
