Coquille City Herald.

TUESDAY, MAY 8, 1900.

Church Directory.

M. E. church, south—regular services each Sunday morning and evening, by the pastor, E. L. Fitch.

Rev. Robt. Ennis, Presbyterian, will conduct services in this city the 2d and 4th Sundays of each month in the little church, until further notice. All are cordially invited.

Rev. T. J. Owen, Baptist, will fill appointments as follows, until further notice: At the Christian church, Coquille City, 1st and 3d Sundays of each month; Sumner on the 2d Sunday of each month; Bear Creek on 4th Sundays.

LOCAL ITEMS.

Attorney J. M. Upton, of Bandon, came up for court work last Thursday.

Judge E. B. Watson, of Portland, and his brother, Judge D. L. Watson, of Marshfield, were present at the opening of court by Judge Benson last week.

J. P. Stemler came down from Dora last Friday. He registered while here; he was quite unwilling to lose his vote by neglect. The Herald had a pleasant call.

We had a pleasant call from our new townsman, J. W. Krewson, who reached this place with Mrs. K. and household effects last Wednesday. A Mr. McNeil hauled the goods from Drain to this city.

Outgoing passengers on the Arcata, April 30th: A. H. Whitney, Misses Westman, Mrs. M. Bradley, W. Casad, J. F. Gear, W. A. Maxwell, R. Marsden, Mrs. E. B. Holmes, Mrs. F. Dyer, Elbert Dyer.

R. D. Sanford, our local land agent, sold the Fred Matheson lot and barn, part of and formerly the property of G. A. Brown, to J. W. Krewson. The property is directly across the street from the latter's residence, and adjoining a lot he bought and improved last summer.

The worst place in the public road between this place and Roseburg is said to be between this city and Myrtle Point, and rather right at our door—at and near the Gilman place. With so much timber going to waste, and no other material to use, what are we going to do about it?

Marshfield has made a most honorable step within the past few days—that of organization for the establishment of a free reading room. We of Coquille have been agitating the matter at the end of a pair of tongs for a long while, but get no nearer to the accomplishment of the moral duty. Let us get a move on.

A number of attorneys were over from the bay last week preparing for their court work. J. F. and J. T. Hall, Bennett Swanton, W. U. Douglas, Charles McKnight—as also Hons. S. H. Hazard and J. W. Bennett, to whom our sanctum is indebted for a pleasant call. Mr. Hazard being a candidate and unsophisticated, Mr. B. was with him to introduce him and broach his candidacy.

A Follower of Measles.—In many instances a persistent cough follows an attack of measles. In speaking of this Mr. Walter B. Beel, editor of the Elkin (N. B.) Times, says: "Three weeks I had an attack of measles which left me with a bad cough. I took several doses of Chamberlain's Cough Remedy and the cough has entirely disappeared. I consider Chamberlain's medicines the best on the market." For sale by R. S. Knowlton.

Bandon Recorder: The government steamer, General Wright, with Captain Groat in command, came over from Coos bay, Tuesday, bringing the snagging scow Coquille around from the bay to the river. The General Wright will remain here for some time and the work of snagging and dredging will commence as soon as preparation, now under way, can be completed, Charles E. Getty, of Empire, is foreman on the scow.

Arrivals by Arcata, April 29th: J. E. Morris, Wm. Archer and wife, Miss M. Archer, Miss E. Archer, D. A. Huling, Mrs. C. H. Marschall, A. Colton, C. E. Gilbert, W. Rich, Miss B. Rich, Mrs. W. Mansell and child, J. S. Lyons, Mrs. Lyons, Miss J. Lyons, C. E. De Long, J. W. Kruse, B. C. Rucker, Mrs. A. B. Seal, J. F. Yarrington, A. H. Williams, J. S. London, N. Vogel, J. Andrews, J. Messerle and boy, M. M. P. Gulovsen, W. Hinksman, L. H. Christensen, A. Allom, N. Hillsberry, J. Beck, A. Bruner.

There is much danger of a fire, increasing greatly as the dry weather advances. Till our water supply is effective, at least, we ought to have some organization with hook and ladder apparatus and buckets in drilled hands. We are aware of an almost miraculous escape from a disastrous fire last week in the heart of town—in fact, it must have been miraculous, as not a living person knew of the matter till the danger had passed and the fire fiend had exhausted itself and smothered at the very edge of the needed draft to make it a veritable destroyer. Another instance, not so frightful, because discovered and promptly extinguished, in the same block, a fortnight or so ago, was a warning. Let something be done.

Coos Bay News: The annual fair, given by the Second Southern Oregon District Association, is to be held in Marshfield this year, and the date set is the last week in August. Considerable expense will have to be incurred by the management in erection of stands for vegetables, stalls for cattle, hogs, etc., building grand-stand and making arrangements for accomodations of visitors, and many other matters too numerous to mention. It is therefore absolutely necessary that the good will of the business men and public-spirited citizens be pledged to support the enterprise, and that the necessary funds to make the fair a grand success be forthcoming. A large number of visitors will be here from outside counties, and the interests of the bay will be benefited in various ways by their coming.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by druggists, price 75c. per bottle.

Hall's Family Pills are the best.

Good Blood!

Your heart beats over one hundred thousand times each day. One hundred thousand supplies of good or bad blood to your brain.

Which is it?

If bad, impure blood, then your brain aches. You are troubled with drowsiness yet cannot sleep. You are as tired in the morning as at night. You have no nerve power. Your food does you but little good.

Stimulants, tonics, headache powders, cannot cure you; but

Ayer's Sarsaparilla

will. It makes the liver, kidneys, skin and bowels perform their proper work. It removes all impurities from the blood. And it makes the blood rich in its life-giving properties.

To Hasten Recovery.

You will be more rapidly cured if you will take a laxative dose of Ayer's pills each night. They arouse the sluggish liver and thus cure biliousness.

Write to our Doctors.

We have the exclusive services of some of the most eminent physicians in the United States. Write freely all the particulars in your case.

Address, Dr. J. C. AYER, Lowell, Mass.

ALL SPRING STEEL FRAME. CHEAPEST AND MOST CONVENIENT FOR USE

On exhibition and sale at COQUILLE PHARMACY, or at my residence near old school building. *NORA A. McEWEN, Agent.*

I am a farmer located near Stony Brook, one of the most malarious districts in this State, and was bothered with malaria for years, at times so I could not work, and was always very constipated as well. For years I had malaria so bad in the spring, when engaged in plowing, that I could do nothing but shake. I must have taken about a barrel of quinine pills besides dozens of other remedies, but never obtained any permanent benefit. Last fall, in peach time, I had a most serious attack of chills and then commenced to take Ripans Tabules, upon a friend's advice, and the first box made me all right and I have never been without them since. I take one Tabule each morning and night and sometimes when I feel more than usually exhausted I take three in a day. They have kept my stomach sweet, my bowels regular and I have not had the least touch of malaria nor splitting headache since I commenced using them. I know also that I sleep better and wake up more refreshed than formerly. I don't know how many complaints Ripans Tabules will help, but I do know they will cure any one in the condition I was and I would not be without them at any price. I honestly consider them the cheapest-priced medicine in the world, as they are also the most beneficial and the most convenient to take. I am twenty-seven years of age and have worked hard all my life, the same as most farmers, both early and late and in all kinds of weather, and I have never enjoyed such good health as I have since last fall; in fact, my neighbors have all remarked my improved condition and have said, "Say, John, what are you doing to look so healthy?"

WANTED.—A case of bad health that RIPANS will not benefit. They banish pain and prolong life. 1 gives relief. Note the word RIPANS on the package and accept no substitute. RIPANS, five dozen for twelve packets for 48 cents, may be had at any drug store. Ten samples and one thousand testimonials will be mailed to any address for 5 cents, forwarded to the Ripans Chemical Co., No. 10 Spruce St., New York.

The Great Presidential Campaign of 1900.

The policies of the great political parties are now being formed and the candidates discussed. Every citizen must study the great questions that are to come before the people. This can only be done through the medium of a great newspaper. Now is the time, therefore, for every voter to subscribe for the best and most reliable newspaper obtainable. The Semi-Weekly Republic, of St. Louis, covers the whole field of political news. While it is Democratic, it publishes the news in regard to all political parties without prejudice. Its telegraphic and cable news service is superior to that of any other paper, and its special features are the best.

Attention is also called to the Republic's Sunday Magazine. Its half-tone illustrations are alone worth the subscription price. It is made up of special articles by the best literary talent, embracing a variety of subjects of current interest. News features of absorbing interest are illustrated and enlarged upon. For the benefit of the ladies the latest fashions are handsomely illustrated. The Republic Sunday Magazine is always interesting to every member of the family.

The subscription price of the Semi-Weekly Republic is $1 per year; the Republic Sunday Magazine, $1.25 per year. Both papers are now being offered at the very low price of $1.50 for one year. To secure this low rate both must be ordered and paid for at the same time. Address all orders to

New York World
(Thrice-a-Week Edition)

ALMOST A DAILY—AT THE PRICE OF A WEEKLY.

The most widely circulated "weekly" newspaper in America is the Thrice-a-Week edition of The New York World, and with the presidential campaign now at hand you cannot do without it. Here are some of the reasons why it is easily the leader in a dollar a year journalism:

It is issued every other day, and is to all purposes a daily.

Every week each subscriber receives 18 pages and often during the "busy" season 24 pages each week.

The price is only $1 per year.

It is virtually a daily at the price of a weekly.

Its news covers every known part of the world. No weekly newspaper could stand alone and furnish such service.

The Thrice-a-Week World has at its disposal all of the resources of the greatest newspaper in existence—the wonder of modern journalism—"America's Greatest Newspaper," as it has been justly termed—The New York World.

Its political news is absolutely impartial. This fact will be of especial value in the Presidential campaign coming on.

The best of current fiction is found in its columns.

These are only some of the reasons; there are others. Read it and see them all.

We offer this unequaled newspaper and the Coquille City Herald together one year for $2.15.

The regular subscription price of the two papers is $2.50.

No Other Paper

Gives the clubbing offers that you can get with the Herald. Now it is the
