Church Directory.

LOCAL ITEMS.

Attorney John F. Hall, of Marshfield, had business at the court-house last Wednesday.

Major Tower, a prominent and well-known citizen of the bay quarter, spent several days in Coquille City last week.

Mr. and Mrs. Laughhead, of Bandon, returned via this place last Wednesday on their way home from attendance at Masonic and O. E. S. grand lodges at Portland.

WANTED—SEVERAL PERSONS FOR District Office Managers in this state to represent me in their own and surrounding counties. Willing to pay yearly \$500, payable weekly. Desirable employment with usual opportunities. References exchanged. Enclose self-addressed stamped envelope. S. A. Park, 320 Casson Building, Chicago.

Mr. and Mrs. B. Vowell, of Bandon, returned via this place last Thursday from a visit of a couple weeks on the bay. They stopped a brief spell with relatives and friends here.

V. C. London, of Roseburg, has been here. Mr. London is manager of the Southern Oregon Fair Association, and is in the county looking after arrangements of the fair to be held at Marshfield in August, the success of which is already assured.

Bandon Recorder: Marshfield is having trouble over the price of electric light. Why not build and operate its own plant and let the town have the benefit? No. That would be socialism and would never do, as the people would get better service at cost of production.

Col Harry, the liverman, has placed a fine coach on the run between this place and Marshfield, carrying the mail, and affording a regular and safe opportunity for passengers. It leaves Coquille City every day at 1 o'clock; returning, leaves Marshfield at 6 a. m.

W. F. Disher went to Roseburg, returning Monday of last week with his family and wife's sister, Miss Kate Medlocks, from California to make their home with us once more. They are spending the present time at their ranch, and will go to Bandon soon for at least temporary residence.

Judge Schroeder was down on a visit to his daughter, Mrs. H. S. Kribbs, and family, last Thursday, and incidentally on some business matters. The judge's large barn and silo are somewhat delayed of completion by the difficulty of getting lumber and roofing materials. He hopes to push the work now.

Roseburg Review: Will Sanderson, a prominent merchant of Bandon, is in the city, en route to Medford to attend the district convention of the W. of W. Mr. Sanderson was a former resident of this county, and has been quite successful in business since moving to Bandon four years ago, his many friends will be pleased to learn.

S. W. Upton, a prominent citizen of Grants Pass, reached Coquille City last Thursday on a visit to this section and the beach and was the guest of our townsman, J. P. Goodman, and family, old acquaintances and friends. Mr. U. is bookkeeper in a large establishment at Grants Pass, and with experience as a newspaper man. The HERALD had a pleasant call.

We think it would be to our interest to have W. F. Disher establish his fruit dryer at this place. It is quite central to the whole valley, and gives him special opportunities for shipping abroad by one of two routes, as well as convenience for receiving from above or lower river points. The business will also give employment to a good many people during the season.

The Kenilworth Co. gave two entertainments at Masonic hall last week—Wednesday and Thursday evenings—to fair audiences. The programs were very good and auditor tained to a high degree. The light comedy plays were laughable, while the club swinging, clog and fancy dancing, etc., were very good. The moving picture battle scenes were realistic and exciting, while the others of busy life, and often very comical, gave variety and made a good entertainment.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends.—F. A. BARCOCK, Erie, Pa. It is for sale by R. S. Knowlton.

R. A. Graham was supposed to have been expected on the bay last week, but he didn't show up.

A bicycle rider fell off the wharf at the depot, one night last week, but fortunately escaped unhurt.

The extension of the jetty has a good effect on the bar, and deep water at all stages of the tide has been reported for some time past.

Robt. Ahl, the tinner, left with his team on the Del Norte for Enreka, and will work up the coast, intending to get back to Coos in October.

F. S. Dow and wife, parents of F. S. Dow, of Marshfield, left San Diego, Cal., Saturday, intending to drive to Coos by along the coast route. They expect to get to Marshfield in August.

The little steamer Elk No. 1, Capt. Robert Dunham, arrived safely at an Alaskan port lately, en route to Cape Nome. H. W. Dunham received a letter last week from Capt. Dunham to this effect:

"Reston News," in Roseburg Review: Joe Laird just came over the old Coos bay road with a four-horse load of passengers from Coquille City, by way of Myrtle Point and Dora to Roseburg. Bessley & Jarvis are running stages from Roseburg to Dora and will soon run from Myrtle Point to Dora. There is considerable travel over the old road now. E. E. LaBrie, of Garden Valley, passed over the road yesterday to points in Coos county.

A suggestion to the State Press Association. Dora, June 21.—There is a growing evil in this state which the State Press Association can effectually combat if a resolution, in substance like the following, were adopted and then faithfully lived up to:

Whereas, The promiscuous use of the word "professor," in relation to the male teachers of this state, has made it impossible for one to know whether our State University and creditable colleges are located on Long Tom, Big or Elk Creeks, Eagle Point, or some other creek or place, instead of the place where they are supposed to be established. Therefore, be it resolved, That we, the members of the Press Association of the state of Oregon, will not connect the word professor with any man's name who is not a full-fledged professor in our state university or some first-class college in the state. R. A. EASTON.

Beware of Quinins for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists, price 75c, per bottle. Hall's Family Pills are the best.

FIFTY YEARS OLD

Why let your neighbors know it? And why give them a chance to guess you are even five or ten years more? Better give them good reasons for guessing the other way. It is very easy; for nothing tells of age so quickly as gray hair.

Ayer's Hair Vigor

is a youth-renewer. It hides the age under a luxuriant growth of hair the color of youth. It never fails to restore color to gray hair. It will stop the hair from coming out also. It feeds the hair bulbs. This hair becomes thick hair, and short hair becomes long hair.

It cleanses the scalp; removes all dandruff, and prevents its formation. We have a book on the Hair which we will gladly send you. If you do not obtain all the benefits you expect from the use of the Vigor, the doctor should be consulted. Probably there is some difficulty with your general system, which may be easily removed. Address, Dr. J. C. Ayer, Lowell, Mass.

New York World

(Thrice-a-Week Edition) ALMOST A DAILY—AT THE PRICE OF A WEEKLY.

The most widely circulated "weekly" newspaper in America is the Thrice-a-Week edition of The New York World, and with the presidential campaign now at hand you cannot do without it. Here are some of the reasons why it is easily the leader in a dollar a year journal:

It is issued every other day, and is to all purposes a daily.

Every week each subscriber receives 18 pages and often during the "busy" season 24 pages each week. The price is only \$1 per year.

It is virtually a daily at the price of a weekly.

Its news covers every known part of the world. No weekly newspaper could stand alone and furnish such service.

The Thrice-a-Week World has at its disposal all of the resources of the greatest newspaper in existence—the wonder of modern journalism—"America's Greatest Newspaper," as it has been justly termed—The New York World.

Its political news is absolutely impartial. This fact will be of especial value in the Presidential campaign coming on.

The best of current fiction is found in its columns.

These are only some of the reasons; there are others. Read it and see them all.

We offer this unequalled newspaper and the Coquille City Herald together one year for \$2.15.

The regular subscription price of the two papers is \$2.50.
