There is more tartar in this section to the country than all other diseases and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses of 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonial. Address, F. J. HAIR

So many persons have hair that is stubborn and dull. It won't grow. What's the reason? Hair needs help just as anything else does at times. The roots require feeding. When hair stops growing it loses its luster. It looks dead.

acts almost instantly on such hair. It awakens new life in the hair bulbs. The effect is astonishing. Your hair grows, becomes thicker, and all dandruff is removed. And the original color of early life is restored to faded or gray hair. This is always the case.

"I have used Ayer's Hair Vigor, and am really astonished at the good it has done in keeping my hair from coming out. It is the best tonic I have tried, and I shall continue to recommend it to my friends." MATTIE HOLT, Burlington, N. C. Sept. 24, 1896.

If you do not obtain all the benefits you expect from the use of the Hair Vigor, write the doctor about it. DR. J. C. AYER, Lowell, Mass.

New York World (Thrice-a-Week Edition)

ALMOST A DAILY—AT THE PRICE OF A WEEKLY.

The most widely circulated "weekly" newspaper in America is the Thrice-a-Week edition of The New York World, and with the presidential campaign now at hand you cannot do without it. Here are some of the reasons why it is easily the leader in a dollar a year journalism: It is issued every other day, and is to all purposes a daily. Every week each subscriber receives 18 pages and often during the "busy" season 24 pages each week. The price is only 1¢ per year. It is virtually a daily at the price of a weekly. Its news covers every known part of the world. No weekly newspaper could stand alone and furnish such service.

The Thrice-a-Week World has at its disposal all of the resources of the greatest newspaper in existence—the wonder of modern journalism—"America's Greatest Newspaper," as it has been justly termed—The New York World.

Its political news is absolutely impartial. This fact will be of especial value in the Presidential campaign coming on.

The best of current fiction is found in its columns. These are only some of the reasons; there are others. Read it and see them all.

We offer this unequalled newspaper and the Coquille City Herald together one year for \$2.15. The regular subscription price of the two papers is \$2.50.
