LOCAL ITEMS.

Sheriff Gallier went to Myrtle Point on official business last Friday.

Mrs. Steve Gallier came home from a two-weeks' visit at Bandon Friday.

Mrs. Fred Mehl, of Bandon, returned home Wednesday after a visit of several days with friends at this place.

R. E. Shine, secretary of the Southern Oregon Co., of Empire City, spent a day or so in town last week, returning on Friday.

S. F. Sheppard, late of the government work at Bandon, went to the bay Friday, and will possible accept a position of the railroad company.

W. R. Darby runs the "lightning express" among the hauling fraternity, and will serve the public promptly and carefully in all business entrusted to him.

The late Methodist Episcopal conference at Ashland returned Rev. R. C. Lee to the Marshfield charge, and also Rev. James Moore to that of Myrtle Point.

M. C. Bingham, of Norway, the bee and poultryman was in town Friday. He will hardly be ready to move to his place purchased of Mr. Harlocker before the first of the year.

Our music dealer, A. Lineback, is looking for the arrival of a sixteen-year-old son to arrive from Portland by the next Del Norte, he having remained at that city while his parents were getting located here.

Michael Quillinan, of San Francisco, came up on last Arcata and has been over to the county seat looking up some business matters, making the HERALD office a pleasant visit. This is Mr. Q's first visit to the county for several years.

Our new arrival and music dealer, A. Lineback, put in motion the erection of a new residence on the property recently purchased in the Spurgeon addition last week. There are several new and substadtial residences assuming shape in town.

O. F. Topping, J. W. Felter, M. I. Swift and Wallace Vandecar, old veterans of the civil war, of Bandon, come up Friday to attend the funeral of their old comrade and friend, C. D. Elliott, which took place at the Masonic cemetery at 2 o'clock p. m.

George Robinson had a good, broad and substantial porch built last week on the front of his business building on front street which a great comfort to the public and convenience to himself and the Wilson Jewelry Co., occupying the west half of the building.

Miss May Haft, of the Little hotel, this place, took her leave for her home in Curry county Thursday where she will remain while her mother, a sister of Mrs. Hall, of Marshfield, mother of our popular atterneys, Hall & Hall, at that blace, will accompany the latter to San Francisco.

Lot four in block 14, in E. B. Dean & Co's additions to Marshfield, will be sold at public auction Saturday, Oct. 20th, 1 P. M. This is a beautifully located lot, near the end of the briidge on the Coquille road, coming out of Marshfield, and is but a block from the public school building.

On the 10th of December, 1897, Rev. S. A. Donahoe, paster M. E. Church, South, Pt. Pleasant, W. Va., contracted a severe cold which was attended from the beginning by violent coughing. He says: "After resorting to a number of so-called 'specifics,' usually kept in the house, to no purpose, I purchased a bottle of Chamberlain's Cough Remedy, which acted like a charm. I most cheerfully recommend it to the public". For sale by R. S. Knowlton.

Coast Mail: The viewers appointed by the County Court to survey the proposed wagon road from Alleghany to the County line, have completed their work and will make their report at next county court. We understand that the grade in no place exceeds 10 per cent and most of it being about 4. This road will open up a new country for bay merchants and all are interested in seeing that it goes through. There is almost as much bottom land in the Loon lake country as there is on both forks of Coos river and all that has so far retarded its development, is want of market, give it that and it will be one of the most prosperous sections of Coos County.

(Bandon Recorder.)

Rev. J. N. Bogue and wife have returned to Bandon to reside.

Dyer and Shoemaker shipped one hundred thousand broomhandles to San Francisco on the steamer this trip.

Inspector Munger, of the lifesaving service, was here over Sunday and was very much pleased with the condition of things at the Bandon station.

The Knights of Pithias will give a ball here on the 17th of November, and as the Knights are first-class entertainers this occasion will equal if not eclipse their former efforts.

The schooner Parkersburg is undergoing repairs at Parkersburg this week, and when the work is completed Captain Jorgensen thinks she will be in shape for another seventeen years' service.

A few of the progressive farmers of the South Fork are hauling gravel and placing it on the ground. They intend to graval one and a half miles of the road from Reed's ford up, this fall.

Messrs Shippley and Davis, who have a lease on the Bandon broom handle factory, shipped a thousand handles to Medford, Oregon, a few days ago by way of Coos bay and Portland. If the railroad is once completed to Roseburg such shipments can reach their destination in less than one-fourth the distance now necessary to travel and at a saving of much time and cost.

Coos Bay News.

A. B. Seal has severed his connection with the Gardiner Mill Co., and will again be a gay and festive drummer.

Additional machinery for the match factory will be here on next Arcata, and work will commence as soon as possible thereafter.

W. A. Maxwell was in town from Coos City yesterday. The shaft is now down 150 feet, and slate has been stuck, indicatiting that a vein of goal is close by.

The chinook salmon, which are in the deep holes below the hatchery have shown no disposition, up to the present, to move up to the trap prepared for them by the fish commissioner. It is to be hoped they'll "get a wiggle on" befor a heavy rain sets in, otherwise the hatchery will prove a failure this year. Supt. Brown says there is a large number of chinooks in the pools, but they seem to be in no hurry to move up stream.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address

Remedy for Bit-Pulling

Here is something of real practical value to any one driving a horse that pulls on the bit: Fasten a small ring to each side of the brible, and as near the browband loops as possible. Pass lines through bit rings, and snap them into rings at browband. This, with a common jointed bit, will give a leverage that will enable a child to hold a "puller" or hard-mouthed horses with ease under almost all circumstances. It can be used on a fast hoses in double team, or on both, as desired. Try it. It is cheap and easily applied. It won't make the mouth sore. It is better than any patent bit.

During the winter of 1897 Mr. James Reed, one of the leading citizens and merchants of Clay, Clay Co., W. Va., struck his leg against a cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whisky in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Pain Balm is unequaled for sprains, bruises and rheumatism. For sale by R. S. Knowlton.

An Astoria dispatch says: W. W. Whipple, who has just returned from San Francisco, states that the opinion in general among Southern railroad men that the Astoria railroad is to be extended down the coast to San Francisco. It is reported in San Francisco that work on the extension will commence early next spring and will be pushed to completion.

All except bad ones!

There are hundreds of cough medicines which relieve coughs, *all coughs, except bad ones!* The medicine which has been curing the worst of bad coughs for 60 years is Ayer's Cherry Pectoral.

Here is evidence:

"My wife was troubled with a *deep-seated cough on her lungs for three years.* One day I thought of how Ayer's Cherry Pectoral saved the life of my sister after the doctors had all given her up to die. So I purchased two bottles, and it cured my wife completely. It took only one bottle to cure my sister. So you see that three bottles (one dollar each) saved two lives. We all send you our heartfelt thanks for what you have done for us."—J. H. BURGE, Macon, Col., Jan. 13, 1899.

Now, for the first time you can get a trial bottle of Cherry Pectoral for 25 cents. Ask your druggist.

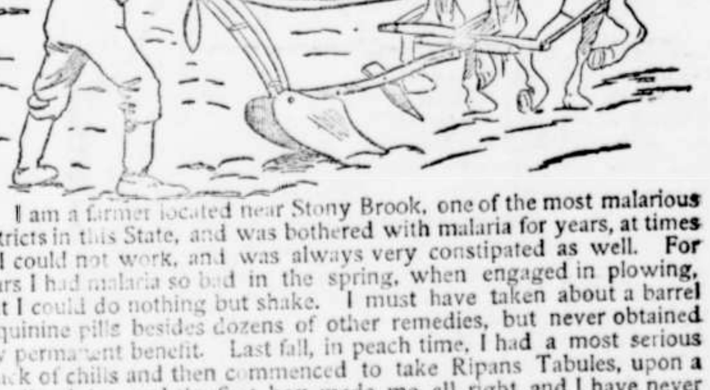
J. L. MEAD CYCLE COMPANY, Chicago, Ill.



I am a farmer located near Stony Brook, one of the most malarious districts in this State, and was bothered with malaria for years, at times so I could not work, and was always very constipated as well. For years I had malaria so bad in the spring, when engaged in plowing, that I could do nothing but shake. I must have taken about a barrel of quinine pills besides dozens of other remedies, but never obtained any permanent benefit. Last fall, in peach time, I had a most serious attack of chills and then commenced to take Ripans Tabules, upon a friend's advice, and the first box made me all right and I have never been without them since. I take one Tabule each morning and night and sometimes when I feel more than usually exhausted I take three in a day. They have kept my stomach sweet, my bowels regular and I have not had the least touch of malaria nor splitting headache since I commenced using them. I know also that I sleep better and wake up more refreshed than formerly. I don't know how many complaints the Ripans Tabules will help, but I do know they will cure any one in the condition I was and I would not be without them at any price. I honestly consider them the cheapest-priced medicine in the world, as they are also the most beneficial and the most convenient to take. I am twenty-seven years of age and have worked hard all my life, the same as most farmers, both early and late and in all kinds of weather, and I have never enjoyed such good health as I have since last fall; in fact, my neighbors have all remarked my improved condition and have said, "Say, John, what are you doing to look so healthy?"

WANTED.—A case of bad health that R·I·P·A·N·S will not benefit. They banish pain and prolong life. One gives relief. Note the word R·I·P·A·N·S on the package and accept no substitute. R·I·P·A·N·S, 10 for 5 cents or twelve packets for 48 cents, may be had at any drug store. Ten samples and one thousand testimonials will be mailed to any address for 5 cents, forwarded to the Ripans Chemical Co., No. 10 Spruce St., New York.
