Lazy Liver

My liver has been troubled a great deal with a torpid liver, which produces considerable pain. I found CASCARETS to be all you claim for them, and secured such relief the first trial, that I purchased another supply and was completely cured. I shall only be too glad to recommend Cascarets whenever the opportunity is presented. J. A. SMITH, 220 Susquehanna Ave., Philadelphia, Pa.

Marshfield, like a great many of the metropolises of the different sections, having contracted the carnival craze, is making elaborate preparations for a grand time on the 26th, 27th and 28th of this month, in which she should receive all the encouragement and support possible at the hands of the people of the entire county. Such festivities go far to show up to the world the vim, energy and enterprise of a section, nothing should be neglected that would add one item of interest to this gathering. Following we give the program as published by the Tow, which of itself will go for the sure and interesting and entertaining the large crowd which there is full assurance will be in attendance: At 2 o'clock on the afternoon of the 27th will be a shooting tournament and gun lover of such sport will be amply rewarded for your attendance. The evening of the same day the Comic Opera Company of Coquille City will be seen in I. O. O. F. hall, where all will have a chance to listen to the genie of our sister town. On the afternoon of the 28th at 2 o'clock will be the much talked of and stubbornly contested football game between Marshfield's black and orange, and Coquille City's team. Both elevens are practicing hard and when they come together the 28th there will be a game the like of which Coos county has never seen. The evening of the same day the grand street parade, during which forty young ladies of Marshfield will give a drill in fancy marching such progress there is talk of sending them to the Philippines. After the parade the queen and her attendants will give a reception and grand ball, to which all are invited. The evening of the 26th the Marshfield brass band will give an open air concert from 7 to 8, after which the boys will appear in I. O. O. F. hall in burnt cork, and treat us to some of the latest gags and songs, on which they are rehearsing.
