Many persons have had the experience of Mr. Peter Sherman, of North Stratford, N. H., who says: "For years I suffered torture from chronic indigestion, but Kodol Dyspepsia Cure made a well man of me." It digests what you eat and is a certain cure for dyspepsia and every form of stomach trouble. It gives relief at once even in the worst cases, and can't help but do you good.—For sale by R. S. Don't Forget This.

While the American people feel a just pride in the knowledge that this land is the freest and the richest on earth, let them not forget that the awful poverty of more than half its citizens produces the most helpless kind of slavery. While the eagle screams above the housetops the wolf howls at many a door—Ella Wheeler Wilcox.

Two Corvallis boys got drunk last week on gin left on the grave of a Chinaman.

No one can reasonably hope for good health unless his bowels move once each day. When this is not attended to, disorders of the stomach arise, biliousness, headache, dyspepsia and piles soon follow. If you wish to avoid these ailments keep your bowels regular by taking Chamberlain's Stomach and Liver Tablets when required. They are easy to take and mild and gentle in effect. For sale by R. S. Knowlton.

An editor's duty, says an exchange, is to speak of the town as liveliest place beneath the blue arch of heaven. Speak of a deceased citizen as a "fallen oak" when he dies with the jim jams. Call a man a prominent citizen when you know he is the best poker player in town. Speak of a street urchin as a bright eyed youth on the road to fame; a big-footed newly married woman as a beautiful and accomplished bride. Call a man who passes a contribution basket at church on Sunday and frequents the bar-room every day in the week, a model example; call a man who has a few dusty bolts of calico a prosperous and experienced dry goods merchant; call a lawyer a bright and shining light when you know him to be an ordinary puff-blower. Speak of a cheap cigar as comfort "fit for the gods" when you know that it is made two-thirds of cabbage leaves.

The Oregonian.

Takes the market news of San Francisco by wire prints it daily and distributes it in Coos county 24 hours ahead of the Bay City papers. It also serves the arrival and departure of vessels at all Pacific coast ports. For this part of the country its columns "Domestic and Foreign Ports," is the best shipping guide. Besides giving the movements of steam vessels between San Francisco, Coquille river, Coos Bay and Portland, it notes the arrival and departure of sailing schooners at and for their ports. The Oregonian is the only Morning Daily coming in here which advertises Coos county abroad. The Weekly Oregonian gives all the news of our state and 64 columns of general telegraphic news of the world each week. It will be sent in connection with the HERALD for only \$2 per year. Here is your chance for County, State and National News.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation is taken out and this tube restored to its normal condition, hearing will be destroyed forever. Unless the cause is removed by entering which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

CONSUMPTION.

Do not think for a single moment that consumption will ever strike you a sudden blow. It does not come that way.

It creeps its way along. First you think it is a little cold, nothing but a little hacking cough; then a little loss in weight; then a harder cough; then the fever and the night sweats. Better stop the disease while it is yet creeping. Better cure your cough today.

You can do it with

Ayer's Cherry Pectoral

The pressure on the chest is lifted, that feeling of suffocation is removed, and you are cured. You can stop that little cold with a 25 cent bottle; harder coughs will need a 50 cent size; if it's on the lungs the one dollar size will be most economical.

"I confidently recommend Ayer's Cherry Pectoral to all my patients. I am using it now in my own family. Forty years ago I feel sure it saved my life." A. S. JONES, M. D., Jan. 4, 1868, Fort Madison, Iowa.

Write the Doctor at any time. Address, Dr. J. C. AYER, Lowell, Mass.

Edwin O. Wood, of Michigan, Secretary of the Tamworth Swine Breeders' Association, knows a good thing when he sees it. Writing the other day of the Biggle Swine Book, the latest addition to The Biggle Books, he says: "Without exaggeration or faltering praise it is the best book which has come to my notice. I have carried it in my pocket two weeks, reading it in leisure moments, and following its advice has already saved me, as I believe, fifty dollars." This is big returns on an investment of 50 cents, which the publishers, Wilmer Atkinson Co., Philadelphia, Pa., ask for the book.

I am a farmer located near Stony Brook, one of the most malarious districts in this State, and was bothered with malaria for years, at times I could not work, and was always very constipated as well. For years I had malaria so bad in the spring, when engaged in plowing, that I could do nothing but shake. I must have taken about a barrel of quinine pills besides dozens of other remedies, but never obtained any permanent benefit. Last fall, in peach time, I had a most serious and permanent benefit.
