Willie Brack went to Bandon and is canvassing that town for the different styles of lovely art work furnished by Prof. Thomas, of Myrtle Point, the first work of the kind our people have ever had the opportunity of getting at twice the cost, if at all.

The stomach controls the situation. Those who are hearty and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. If you suffer from indigestion, heartburn, belching or any other stomach trouble, this preparation can't help but do you good. The most sensitive stomachs can take it. R. S. Knowlton.

It turns out that the urechin who put the placard on the shop door of our young merchant taylor at his departure a few days since, the wording of which we gave last week, knew a little something of what he was talking about. Mr. Slaole returned from Roseburg Friday, accompanied by a Mrs. Slagle, formerly Miss Minnie Nicholson, of Medford. The HERALD extends its heartiest congratulations to these young people, and earnestly welcomes Mrs. S. to residence among us.

Capt. Oattie Willard's new boat is again tied up. There proves to be a defect in one of her new engines. It seems that there was a flaw in the casting of the cylinder causing weak a spot which the pressure of the steam broke through, which renders this engine useless till it can be replaced by a new one.

The steamer Coquille River had quite a rough experience on the 9th inst., 15 miles to the southwest of Cape Blanco, having encountered a gale at that point. Her rudder lead gave way and for 36 hours she tossed helplessly at the mercy of the angry waves. A portion of the after deck tashing broke, allowing over 10,000 feet of lumber to wash overboard.

Rice Murray, the Empire City teamster, came over yesterday afternoon bringing Mrs. Capt. Reed and children, Miss Christina Ruth and Miss Rena Lennan, Mrs. Reed and children will accompany the captain on this trip of the Mandalay to their future home at Alameda, California, as well as Miss Ruth.

Prof. Iverson, of Lonsaoning, Md., suffered terribly from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat. R. S. Knowlton.

Mr. Sanford, of this place, has received a letter from Mrs. Anderson Vonny since her arrival at Grants Pass with the family. Mr. Vanny is some better than he was, and hopes are entertained that the change will do him good. Mrs. Anderson, accompanied her husband on one of his southern voyages and contracted fever from which she has been very low, being four days unconscious before coming into San Francisco.

A. E. Smith, come up on the last steamer from California, and will probably spend the summer with his mother who lives on the W. B. Mudd place, on Fishtrap. Mr. Smith brought with him a Tolamue county tarantula to show his friends who had never seen any thing of the kind. This was not a very large one, however it makes one feel a little nervous to get close to him, even though he were imprisoned in glass. It seemed a little stupid, presumably on account of its being too cool a climate to suit it.

On Thursday of last week, C. T. Cessna, of Riverton, having made arrangements for the machinery in the piledriver of J. K. McLeod, had the driver towed to Riverton and at once proceeded to remove the machinery which will be placed in the new mine which Mr. C. is opening on Alex Urquhart's place there. The mine is proving to be all right so far as prospected. They have four feet of coal free from dirt or slate, and improves as they proceed. This engine will be used in drawing out the coal and they expect to have a slope driven from one to two hundred feet in the near future, and if it proves as they anticipate, they will be able to ship coal in a short time, and will have one of the best mines in the county.
