The Mandalay brought up quite a number of passengers on her last trip. This boat is becoming quite a favorite on which to travel. All speak in the highest terms of the courteous treatment received at the hands of her officers and her being a new, staunch and steady craft, under the management of so efficient a navigator as Capt. Reed, makes a trip on her as pleasurable as could be expected.

Asa Albee, one of our new arrivals from Iowa, has purchased the Jackson Mack place, near Norway. We were a little amused at Mr. A. the other day when his attention was called to the disagreeable mist which prevailed at the time, when he remarked that the mist did not kill people. He then related an incident which has happened at his old home since his arrival here in which one of their strays picked up a big, heavy freight car from a siding and turned it across the main track with which the first fast passenger train collided causing the death of a number of people. He thinks Coos is all right with all her faults.

Our farmers may get rid of a great number of these pestiferous gophers which are such a nuisance on the farms and in gardens by sowing a few peas and then rolling them in Rough on Rats, and then mixing them with the dirt at the mouth of their holes.

Smith Baily, of Roseburg, drove in from that place Saturday night, a week ago, bringing Mrs. G. W. Loggie, of New Whatcom, Washington, who had been called to Marshfield by wire to attend the funeral of her sister, Mrs. E. W. Dean, of the latter named place. Mr. Baily passed through town on his return.

Mr. and Mrs. F. T. Sanderson, of this place, were called Thursday by wire to attend the funeral of Mrs. Sanderson's brother, Mr. Butler, whom it will be remembered they visited for some time at Tolman Springs, returning Friday a week ago. Mr. Butler was thought to be much better when they left him, but he was taken suddenly worse and died on Thursday at 6 a. m.

Mr. and Mrs. S. B. Hermann, of Myrtle Point, returned from Marshfield Saturday, and during a conversation Mr. Herman told us the matter of holding the fair of this district at Marshfield had been fully settled that day, and that there was nothing in the way to keep Coos from having a fair that would eclipse what was pronounced a success last year. This is early enough in the season that none need hang back, as there is ample time to work up a good exhibit of our section's products as well as that of fast horses.

M. Kerrigon, of the northeast part of town, made our office a present of several boxes of strawberries yesterday. These were as fine a lot of berries as we ever saw. And while, as a rule, the berries have been a little sour and unevenly ripened on account of the cloudy weather, these were next to perfection. The beautiful south slope upon which his patch is located is an admirable one for berries to mature upon properly, and have the best flavor.

Rev. S. S. White, the new Presbyterian minister who recently arrived at this place to take charge of the work here was tendered a reception last Tuesday evening by the members of his congregation, assisted by others, in which all the other ministers of the town took prominent parts. A very pleasing program of musical numbers had been prepared by the choir, while the four other resident ministers as well as Rev. Mr. Kuotts, of Grants Pass, made very pleasing addresses of welcome, citing many interesting incidents characteristic of ministerial life.

Frank Morse and E. L. Montgomery, our electric light people, arrived by the last Mandalay, and are making preparations to have the lights in operation in the near future. A large boiler has arrived at Johnson's mill where the plant will be located and the other machinery will be over from the bay today or tomorrow, and work will be pushed right along till Coquille will lum up with modern cities of the world. While we have been a little slow and behind some places no larger than this, it is now an assured fact that we will have the lights. The work of putting up wires has already been begun.

Our townsman, Jonathan Quick received a letter recently from his daughter Mrs. Sam Wheeler, who was at the time of writing in Portland, on the way to a new location in Washington, and in her letter mentioned, among other Coquillers our former and famous logger, Alex Smith, so long connected with the logging operations of the late James A. Lyons. It will be remembered that Alex was thought to have been drowned some time ago, but this explains the tale of that report.

G. T. Moulton, our railroad agent is now located in the new depot, ready for business. The new city council made the necessary concessions to warrant the railroad company in going ahead with the move, and we will expect at once to see the finishing up of the street to this new depot rushed to completion with the usual vim and energy which characterize the movements of Manager Chandler.

A. J. Sherwood returned from his trip to Portland and Ashland yesterday. He reports having enjoyed a very pleasant time in Portland as a delegate to the grand lodge, A. F. and A. M. He reports that at the session of the board of regents of the Ashland state normal school some important work was done, among which was the arranging for electric lights and some much needed paraphernalia.

Rev. S. S. White, the new Presbyterian minister who recently arrived at this place to take charge of the work here was tendered a reception last Tuesday evening by the members of his congregation, assisted by others, in which all the other ministers of the town took prominent parts.
