A Quiet Wedding.

On last Tuesday evening, June the 25th, our foreman and principal helper in the HERALD, J. D. Stone, met Miss Irena Olds, late of Medical Lake, Washington, at Roseburg, and the two were joined in holy matrimony at the Roseburg hotel and started on their return to this place, where they will reside the following day. Mr. Stone is quite well acquainted having lived at this place several years before his present residence here, while the bride is a daughter of Mr. and Mrs. Capt. W. A. Olds, prominent citizens of Medical Lake, Wash. The wedding ceremony was performed by Justice H. J. Robinett, in the presence of a few friends who happened to be present, among whom were Mrs. J. P. Messer, Mrs. Aaron Wilson, Mrs. D. F. Dean and Geo. Martin. The party arrived home on Thursday and Mr. Stone is now at his post of duty, as happy as you please, while Mrs. Stone seems quite well pleased with her new home.

Mrs. D. F. Dean gave them their second-day dinner—as it were—on Sunday last, and a number of friends were invited to form the acquaintance of the bride and participate in the repast. All had a nice time.

A number of beautiful presents were received by this happy couple, some from friends in Washington and a number from those of Coquille, principally silverware and other articles for the table.

These young people have the best wishes and congratulations of a large circle of friends, including the HERALD.

(Random Recorder.)

Lloyd Rosa arrived home last Saturday evening, from Portland where he has been attending school. Lloyd made the trip from Roseburg to Myrtle Point on his bicycle, riding most of the distance with only one peddle, having broken one off when eight miles out from Roseburg.

Dale Barrows received a black eye, last Saturday, by being struck on the cheek bone by a piece of a broomhandle square that was thrown from the saw at Dyer's mill on the Fisher place. The end of the square struck Dale on the left side of the face with sufficient force to knock him down.

Rev. A. Dahuff was in town last Saturday on his way to Riverton. He and Rev. F. M. Sanderlin returned, on Friday, from their visit to Crescent City. Mr. Dahuff gave us the information that frost had blackened the potato tops in the vicinity of Crescent City on the preceding Monday morning.

Patrick Hughes, of Sixes, met with a very severe accident last Sunday while driving his cows up in the evening. The horse he was riding fell between two logs catching Mr. Hughes beneath and neither horse nor rider could extricate himself. Mr. Hughes, in order to save himself from being killed by the struggles of the animal, had to cut the horses throat with his pocket knife, but was unable to release himself after the horse was dead. He had been pinnioned for about two hours when his son Edward found him. His son was unable to release him and had to go for help to release him. Mr. Hughes had three ribs broken on one side and four on the other, besides being otherwise injured. It is feared that there are internal injuries but everything is being done that can be to help the sufferer.

LATER. Since the above was put into type we have learned that Mr. Hughes has since died of his injuries.

Riverton Pick-Ups.

S. H. Timon and family have moved to Launpey creek.

Rev. Hite held services here last Saturday.

W. W. Getchall, who lately arrived from Minneapolis, Minnesota, where he has been engaged in the wholesale mercantile business, was here last week looking for an opening in his line of business. He proposes to build a good substantial building and put in a fair stock of general merchandise, such as will meet the entire requirement of the neighborhood.

George Ayer made us another professional call last week.

W. L. Kelly visited Myrtle Point on Sunday last.

Joseph Ferry now has the lumber on the ground ready to commence building a store building. It will be one of the best buildings here. He will have a general merchandise store on first floor and a fine hall on the second floor.

DONA ANA.

We have no timber land for sale but could give you a few claims at part real value.
