The steamer Alliance arrived at the bay a little late for the train on Wednesday, but Manager Chandler in his usual accommodating manner, held the train for a sufficient length of time to get the freight brought up, including the principal part of the fresh fruits and 4th of July good for our people, thus enabling us to have everything in first-class condition for our celebration. Otherwise, we would have been without these on the 4th and after the celebration would have had a superabundance, a large portion of which would have necessarily spoiled. Such accommodations as this should be remembered and appreciated by our people.

J. L. Barker, of Fairview, was in town Saturday, and he tells us he is running a veritable hospital at his place. His son Fred and wife, both of whom left here sick a short time since are getting along very well, but Clyde, another son, is suffering from blood-poisoning, caused by a cut from an ax on his shin some time ago.

Yesterday late in the afternoon little Earl Simmons, son of Mr. and Mrs. L. G. D. Bradley, who has been canvassing this section of the state in the interests of the organization of Independent Order of Lyons, has succeeded in obtaining a sufficient number of names to warrant instituting a lodge at Lee. This is one of the noble fraternal beneficiary orders, and its establishment in this section shows good judgment on the part of our good North Fork people. This is one of the few secret orders which takes in women and men on the same terms.

George Cannin, accompanied by his brother Fred, late of Fort Wayne, Indiana, called on us Saturday and placed an order for printing for their Vandeville show which they are getting up, and with which they will take a tour through the counties immediately north of this for the present. The latter-named of these brothers is a man of wide experience in this line, having been on the road since a mere boy, and has attained wonderful ability as a comedian. They have procured a moving picture machine at a cost of several hundred dollars which will be a great feature of interest. We wish these gentlemen the best of success in their undertaking.

The following is a bit of our state law which should be borne in mind by our citizens:

COQUILLE CITY'S CELEBRATION.

The Largest Crowd Ever Assembled in This City Celebrates the 4th.

What is supposed to be the largest assemblage of people to ever congregate at Coquille City gathered last Thursday to do honors to the grandest of our national holidays. Patriotism could be seen beaming from every eye, and all turned out for a real good time. The grounds had been fittingly arranged by the committee except the numbers were much greater than they had expected, and preparations were hardly as extensive as they might otherwise have been.

The day was all that could have been expected or desired, the little fog of the morning clearing away with the rising of the sun, and the day was cloudless all the way through.

As the morning advanced the people gathered from all directions, and as the train arrived, for which over 400 tickets were sold, upwards of 300 of these alighted to take part in our exercises, the remainder going on to Myrtle Point to celebrate at that place.

At 10 o'clock all being ready the procession was formed on Front street, headed by the North Bend band, followed by the liberty car, the G. A. R. and W. R. C., a long string of bicyclists, etc.

A sight at the liberty car was sufficient to stir the patriotism in the hearts of the most stupid, containing a young American lassie for each and every state and territory in the union, dressed in snowy white with red white and blue sashes which bore the names of the respective states.

When the grove was reached, President of the Day, Alfred Johnson, Sr., mounted the grand stand and explained the disappointment with which the committee had met in regard to the procuring of an orator for the occasion, and who introduced Rev. E. L. Fitch, as such, as W. H. Bunch, whom the committee had expected to act in this capacity, was otherwise engaged. The exercises were opened by prayer by Rev. M. O. Brink, followed by patriotic songs by the choir and selections by the band. Too much cannot be said in praise of the efforts of Bro. Fitch in this, his first efforts in delivering a fourth of July oration, and taking into consideration that he was called upon only a few minutes before he appeared on the stand. Taking it as a whole, while the program was brief, it was enjoyed by all.

The baseball game between the Coquille and Oakland teams was the principal feature of the afternoon exercises. It is estimated that from 1000 to 1200 people were in attendance, and while our boys were a little too much for those of Oakland, the game was highly enjoyed by all, and went off without any friction or ill feelings of any kind, and our visitors took their defeat manfully, and speak in the highest terms of the treatment received at the hands of our people. Follows is the result of the game:

RUNS BY INNINGS.

Coquille.....	1 5 5 1 4 2 6 2	26
Oakland.....	0 0 0 2 3 0 0 2	7

From the baseball grounds the crowd gathered, at the river near the dock where the log rolling contest took place. Chas. Noble, Dave Holland and Jesse Hall were the contestants, Noble carrying away first prize, \$20, and Hall second, \$10.

The people then moved up to Front street where the footracing took place, as follows:

Men's race, 100 yards, six entered. Wm. Nefzger, first prize, \$10; Frank Hague, second, \$2.50.

Boys' race, under 12 years, 50 yards, purse \$2, Johnny Bennett.

Girls' race, under 16 years, 30 yards, purse \$2.50, Electa Walker.

Girls' race, under 10 years, 30 yards, purse \$2, Emily Harlocker.

Pat men's race, 100 yards, purse, \$5, Chas. Watson.

Buck pole, purse \$10, Ned Dully. Vaulting, purse \$10, Wm. Grow, at 9 feet.

Running high jump, purse \$5, Bud Turpen, at 4 feet 11 inches.

Running broad jump, purse \$5, C. Jackson, at 18 feet 4 inches.

There was no regular fireworks for the evening exercises, but bombs boomed and crackers cracked and rockets shot athwart the heavens from all quarters of the city closing with a boom the scenes of another patriotic gala day.

The ball at night by Whetstone's orchestra was an entire success, being well patronized and thoroughly enjoyed by all who took part.

Mrs. Moon has a new supply of Ladies, Misses and children's street hats as well as new trimmed creations.
