THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a desease and no weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure," which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upwright men.

Wives Cure Your Husbands! Children cure your fathers! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do Not Wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing $25 to $50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. E849 EDWIN B. GILES & Company, 2330 and 2332 Market Street, Philadelphia.

Notice the following points of superiority:

$19.50 AND Coupon, if sent C. O. D. or on trial

STYLE No. 55. "ARLINGTON."

The Head of the "Arlington" swings on patent socket hinges, firmly held down by a thumb screw, strong, substantial, neat and handsome in design, and beautifully ornamented in gold. Bed plate has rounded corners and is inlaid or countersunk, making it flush with top of table. **Highest Arm**—Space under the arm is 5½ inches high and 9 inches long. This will admit the largest skirts, and even quilts. **It is Self-Threading**—Absolutely no holes to put thread through except eye of needle. **Shuttle** is cylinder, open on end, entirely self-threading, easy to put in or take out; bobbin holds a large amount of thread. **Stitch Regulator** is on the bed of the machine beneath the bobbin winder, and has a scale showing the number of stitches to the inch, and can be changed from 8 to 32 stitches to the inch. **Feed** is double and extends on both sides of needle; never fails to take goods through; never stops at seams; movement is positive; no springs to break and get out of order; can be raised and lowered at will. **Automatic Bobbin Winder**—Fo. filling the bobbin automatically and perfectly smooth without holding the thread. Machine does not run while winding bobbin. **Light Running**—Machine is easy to run, does not fatigue the operator, makes little noise and sews rapidly. **Stitch** is a double lock stitch, the same on both sides, will not ravel, and can be changed without stopping the machine. **Tension** is a flat spring tension, and will admit thread from 8 to 150 spool cotton without changing. Never gets out of order. **The Needle** is a straight, self-setting needle, flat on one side, and cannot be put in wrong. **Needle Bar** is round, made of case-hardened steel, with oil cup at the bottom to prevent oil from getting on the goods. **Adjustable Bearings**—All bearings are case-hardened steel and easily adjusted with a screw driver. All lost motion can be taken up, and the machine will last a lifetime. **Attachments**—Each machine is furnished with necessary tools and accessories, and in addition we furnish an extra set of attachments in a velvet lined metal box, free of charge, as follows: One ruffler and gatherer, one blinder, one shirring plate, one set of four hemmers, different widths up to ⅞ of an inch, one tucker, one under braider, one short or attachment foot, and one thread cutter. **Woodwork** of finest quality oak or walnut, gothic cover and drawers, nickel-plated rings to drawers, dress guards to wheel, and device for replacing belt.
